**The Living Church** 1943 this collection examines one of the fastest growing fields of regulation data rights the book moves debates about data beyond data and privacy protecting statutes in doing so it asks what private law may have to say about these issues and explores how private law may influence the interpretation and the form of legislation dealing with data over five parts it sets out an overview of the themes and problems explores theoretical justifications and challenges in understanding data considers data through the perspective of cognate private law doctrines assesses the contribution of private law in understanding individual rights and finally examines the potential of private law in providing individual remedies for wrongful data use supplementing the work of regulators the contributors are specialists in their respective fields of private law with long standing expertise in the challenges to data privacy posed by emerging digital technologies

**Road Atlas** 2006-08-31 forgetful remembrance examines the paradoxes of what actually happens when communities persistently endeavour to forget inconvenient events the question of how a society attempts to obscure problematic

historical episodes is addressed through a detailed case study grounded in the north eastern counties of the irish province of ulster where loyalist and unionist protestants and in particular presbyterians repeatedly tried to repress over two centuries discomfiting recollections of participation alongside catholics in a republican rebellion in 1798 by exploring a rich variety of sources beiner makes it possible to closely follow the dynamics of social forgetting his particular focus on vernacular historiography rarely noted in official histories reveals the tensions between professed oblivion in public and more subtle rituals of remembrance that facilitated muted traditions of forgetful remembrance which were masked by a local culture of reticence and silencing throughout forgetful remembrance comparative references demonstrate the wider relevance of the study of social forgetting in northern ireland to numerous other cases where troublesome memories have been concealed behind a veil of supposed oblivion

It Happened in New Jersey 2012-08-07 known the world over as a symbol of the united kingdom the union jack is an intricate construction based on the crosses of st george st andrew and st patrick nick groom traces its long and fascinating past from the development of the royal standard and seventeenth century clashes over the precise balance of the english and scottish elements of the first union jack to the modern controversies over the flag as a symbol of empire and its exploitation by ultra rightwing political groups the union jack is the first history of the icon used by everyone from the royalty to the military pop stars and celebrities
