Psychotherapy in Later Life 2007-07-27

here s how to write salable plays skits monologues or docu dramas from life experiences social issues or current events write plays skits using the technique of ethno playography which incorporates traditions folklore and ethnography into dramatizing real events the sample play and monologues portray events as social issues one true life example for a skit is the scene in the sample play written from first person point of view about a 1964 five minute train interlude when a male passenger commands the protagonist not to cross between cars while the train is in motion the passenger stands between the cars next to his wife who says timorously let her go dear after the wife notices the young protagonist wears a wedding ring the protagonist tells him she s pregnant returning from the john and needs to get back to her family instead he squeezes her head in a vise like grip crushing her between his knee and the wall of the train he kicks at the base of her spine yelling stereotypical ethnic epithets while passengers ignore events after the sample play and three monologues for performance you will have learned how to write ethnographic dialogue and select appropriate scene settings also included are e interviews with popular fiction writers

Ethno-Playography 2011-12-01

this volume presents fresh approaches to the role that translation in its many forms plays in enabling and mediating global cultural exchange as modes of communication and textual production continue to evolve the field of translation studies has an increasingly important role in exploring the ways in which words images and performances are translated and reinterpreted in new socio cultural contexts the book includes an innovative mix of literary cultural and intersemiotic perspectives and represents a wide range of languages and cultures the contributions are all linked by a shared focus on the place of translation in the contemporary world and the ways in which translation and the discipline of translation studies can shed light on questions of inter and hypertextuality multimodality and globalization in contemporary cultural production

Words, Images and Performances in Translation 2011-02-02
