from guy kawasaki the bestselling author of the art of the start and enchantment the art of social media is a no nonsense guide to becoming a social media superstar by now it s clear that whether you re promoting a

business a product or yourself social media is near the top of what will determine your success or failure and there are countless pundits authors and consultants eager to advise you but there s no one quite like guy kawasaki the legendary former chief evangelist for apple and one of the pioneers of business blogging tweeting facebooking tumbling and much much more now guy has teamed up with his canva colleague peg fitzpatrick to offer the art of social media the one essential guide you need to get the most bang for your time effort and money with more than 100 practical tips tricks and insights guy and peg present a ground up strategy to produce a focused thorough and compelling presence on the most popular social media platforms they guide you through the steps of building your foundation amassing your digital assets going to market optimizing your profile attracting more followers and effectively integrating social media and blogging for beginners overwhelmed by too many choices as well as seasoned professionals eager to improve their game the art of social media is full of tactics that have been proven to work in the real world or as guy puts it great stuff no fluff guy kawasaki who helped make macintosh a household name now runs garage technology ventures a venture capital firm he has held his workshop boot camp for start ups around the world kawasaki is the author of seven previous books including art of the start enchantment and rules for revolutionaries drive into the 21st century in an electric car with falling cost of ownership expanded incentives for purchasing and more model and body type options than ever it may finally be time to retire the old gas guzzler and dive into the world of electric car ownership electric cars for dummies is your guide to becoming lightning powered reducing your carbon footprint and saving money on gas while you do it this book teaches you how to select the battery charged vehicle that fits your need and budget it also offers insight into how to maintain your electric car including answering all your questions about charging your vehicle calculate the total cost of ownership prep your home to become one huge charger and demystify the battery the tune ups and more learn the difference in cost of ownership and emissions between electric and gas powered vehicles explore your options and find an electric car that fits in your budget know when and how to charge your vehicle and what kind of maintenance it needs figure out how to charge your car on the go this is the perfect book for new and would be electric car owners looking for guidance on buying and maintaining one of these super sleek machines the truth can be hidden but secrets always surface the peace of kielder water is shattered when tourists open a barrel they found floating in the reservoir at dawn detectives stone and oliver are called to examine the skeletal remains inside the tourists are eliminated from the investigation but that same day a second body is discovered this one with skin have the police let the killer leave the scene while stone investigates the remains oliver travels to iceland to gather evidence and track down the tourists who have fled someone will do anything to protect the secrets of the past praise for black fell black fell is a gripping police procedural with lots of twists and turns i couldn t put it down highly recommended simon mcclleave not many crime writers can master authenticity plot and character but mari hannah always delivers on all three black fell is another cracking addition to the stone and oliver series and the back and forth relationship between the pair is so genuinely complex and endearing that you d swear you d met them in real life can t wait for the next instalment trevor wood of course there s a pacy plot as we d expect from hannah and of course a real authenticity in the police background but more importantly we explore a cast of characters who have complexity humour and depth ann cleaves mari get s better and better black fell is both twisty and absorbing with a premise that delivers and then some victoria selman terrific writing gripping and intricately plotted compassionate funny and wise kate london popular mechanics inspires instructs and influences readers to help them master the modern world whether it s practical diy
