multi published author and professional storyteller brooke cox believes saucers from the lord are all around us don t be misled this is not a book about food for the most part cox considers these saucers as the basis for stories that equal fun lessons from god she says these saucers often leak into our lives in the guise of stories that are equipping us to live not only in our present but also in our future in the book saucy southern stories cox shares the zesty saucers the lord has generously poured onto her quirky tomboy life she believes he wants her to impart her personal musings about life and family for his glory and to make a difference in other people s lives in these true saucy tales filled with gumball machines bling and softball cox shares what she has learned about being fearless in pursuing your dreams if the reader is paying attention they will see biblical truths in each heartfelt recounting as a self acclaimed klutz who runs too fast cox says we should learn to take life in stride laugh when we can and always rely on the lord for help

Saucy Southern Stories

2018-09-16

my name is nicole jean louis my maiden name is nicole faublas i was born in port au prince haiti when i was nine years old my grandfather luc beauboeuf inspired me to discover my artistic talent every sketch i ve made was greeted with abundant praises by my grandfather draw me some more he would say to me every day after school i would rush to draw more and more for him then he would help me with my math problems in my early schooling at sacred heart my favorite subjects were math and drawing as an artist i love to incorporate geometry and physics in my drawings as much as i can for example when i paint my landscape i want to align the horizon with the sea level as straight as possible in haiti we were five siblings growing up gladys nicole myself micheline edith and serge faublas our only brother one day my father jean faublas gathered us all to go hiking in a mountain surrounding port au prince the mountain s name is morne de l hopital my father told us that we would go to the top where there is a hotel at boutillier this was a memorable experience we met farmers working on the fields some farmers build terraces we

met women descending the mountain with baskets on their heads loaded of farm products the women wore blue denim dresses with a colorful piece of cloth wrapped around their waist there were naked children playing by their thatch houses at the age of ten it was fascinating for me to see the children s skin and hair of similar color red brown like the soil the air smelled like haitian soda in the late 1955 s era the mountain sides located near port au prince were not constructed they were invaded by outsiders as in this modern day era in 1964 my whole family migrated to zaire africa to flee from the duvalier regime i spent a year in zaire completing my terminal secondary class then my father sent me to hampton virginia i attended hampton institute presently known as hampton university majoring in biochemistry i spoke little english the following year i stayed in new york with my older sister gladys i did not pursue art in college instead i choose science after many intermissions e g wedding travel birth i finally received a bachelors in science degree at hunter college in 1978 from 1978 to 2007 i worked in chemistry at different hospitals in the bronx north central bronx hospital einstein jacobi and montefiore hospital i painted occasionally for dear friends my sisters and brother my granddaughter guenett three 2 generations painting i also painted for my niece s and nephew s wedding presents and for decors in my new house when i retired in 2007 my husband and i went to live in jacmel haiti his hometown jacmel is a picturesque town by the beaches its environment inspired me to take my brushes again painting became my favorite past time from 2007 to 2010 i painted over thirty paintings i embrace all styles landscape personalized portrait every day occurrence folkloric dance history haiti that i know before the earthquake of january 2010 will be beautiful again i have to display haiti s panoramic scenery everyday life and its historic events such as ceremony of bois caiman 1791 mad dogs chasing fugitive slaves i have to exhibit some of haiti s heroic figures for example toussaint louverture and jean jacques dessalines my book is mostly about visual art visual art depicts everything that the eyes can see without embellishment reality is represented faithfully truthfully and accurately visual art is objectively real my book illustrates haiti s history and culture through visual art haiti has a unique and glorious history history is powerful and should be protected haiti is a country full of resilience documenting haitian history and culture through art is my passion it is important to instruct the young so they can make educated judgment by learning from the past i

History and Culture of Haiti

2012-09-29

why do some tv genres have the label feminine or masculine why do we worry about boys playing video games too much while girls play just as often is the tv show sex and the city empowering or not why are recent television shows like desperate housewives post feminist television gender and media explores these and other complex questions by offering a critical overview of the contemporary debates and discussions surrounding gender and mediated communication and by providing student s with an overview of the current academic research on these topics the book is divided into three parts representing producing and consuming with each section made up of three chapters the first chapter of each section attempts to answer the most basic questions who is represented who produces what and who consumes

what the second chapter of each section draws attention to the complexity of the relationship between gender and media concentrating on the why the third and final chapter of each section addresses the latest debates in the fields of media and gender adding a vital layer of understanding of the topic at hand this process is aided by text boxes which provide some additional information on the most important concepts and topics and exercises which help bridge the gap between theory and everyday life media practices this will be an ideal textbook for students studying gender and media and for general courses on gender studies sociology cultural studies and women s studies

Gender and Media

2015-06-19

Gender and Media is a comprehensive textbook that explores the relationship between gender and media. It covers a wide range of topics, including the history of gender and media, the role of media in the construction of gender, and the impact of gender on media production and consumption. The book is written in a clear and accessible style, making it suitable for students and general readers alike.

2015-10

This section discusses the evolution of gender and media studies. It highlights the importance of interdisciplinary approaches and the role of critical theory in understanding the complex relationship between gender and media. The text also explores the impact of digital media and social media on contemporary gender studies.

2011-11-29

Gender and Media Studies
