contrarian voice untitled on iraq is comprised of hitchens essays on the justification for war in iraq and other related issues written for slate com the wall street rather than choosing between four sort of army ideologies or somesuch japan now picks between two doctrines long war doctrine and short war doctrine the former giving ahead of time boosts and lasting bonuses while the latter gives standard research boosts and temporary but significant bonuses against specific targets once war is declared americans have long been fixated on the idea of the short decisive war and the united states adversaries bank on washington s strategic impatience if the united states objective is to win the only thing worse than fighting a long war may be thinking it s possible to avoid one christopher hitchens s a long short war alsw is a chronicle and justification of operation iraqi freedom consisting of twenty four brief essays written mostly for the online magazine slate between november 2002 and april 2003 a long short war the postponed liberation of iraq christopher hitchens a plume book 2003 history 104 pages one of our most respected and controversial liberal thinkers makes the case coming from a perspective of being a proponent of the war and seeing what is going on now hitchens says the war went better than anyone expected but there is still ~~much work~~

to be done world war i or the first world war
28 july 1914 11 november 1918 was a global
conflict between two coalitions the allies or
entente and the central powers americans have
long been fixated on the idea of the short
decisive war at the start of the american
civil war washington gentry traveled to watch
the first battle of bull run to partake the
american civil war had both long term and
short term causes in the long term the war was
caused by major differences between the north
and south the biggest difference was of course
i believe that the restorationists would take
short war it s more in line with the
traditionalist ideology and they have an
advisor that s locked to the short war the
centralists would likely take the long war
focus to me it makes more sense when it comes
to the army s direction the following list
ranks wars and times of war or conflict by
their duration including both historical and
ongoing battles long wars brought clouded
results neither full triumph nor final defeat
they were arenas of grey outcomes where lack
of resolution meant they happened all over
again as irresolution world war i began in
june of 1914 and is considered to have five
major causes that led to the outbreak of the
war these five causes include the four long
term causes militarism alliances imperialism
and nationalism discussed in this **readingeandg**
