l45sr l75sr l120sr speed regulated rotary screw compressors May 28 2024

the compair lsr series of rotary screw air compressors incorporates a variable speed switched reluctance drive system of outstanding efficiency offering the ability to precisely match power consumption with air demand

l45sr l75sr l120sr air compressor Apr 27 2024

starting peak current the lsr series compressor drive systems however are able to start without any increase in power supply current above normal running levels reducing stress on the site power supply system and eliminating peak current
