## **The Drug Users Bible [Extended Edition] 2022-09-12**

note that this is the complete and final version of the drug users bible people are dying because of ignorance they are dying because unremitting propagandists are denying them vital safety information they are dying because legislators and the media are censoring the science and are ruthlessly pushing an ideological agenda instead they are dying because the first casualty of war is truth and the war on drugs is no different this book makes a significant contribution in confronting this harrowing and tragic narrative over a 12 year period the author of this book self administered over 180 psychoactive substances both chemicals and plants for each he recorded the life sensitive safety data including the anticipated onset times the common threshold doses the routes of administration and the expected duration of the experience in addition for every compound he also produced a trip report detailing the qualitative experience itself this delivered another invaluable insight enabling for example an objective assessment of the extent of any loss of judgement and self control this is a substantial body of work embracing a wealth of direct support material including addiction overdose advice relative harm tables and legal briefings its contents also extend to cover aspects such as drug tourism psychedelic exploration and drug related culture it is crammed with detailed reference data and even includes its own drug dictionary the drug users bible is a unique and unprecedented volume of encyclopaedic research embracing the full extent of the drugscape its objective is to provide without fear or compromise core and critical information to support the health welfare and well being of the 250 million people in the world who use drugs the book itself is lavishly illustrated with hundreds of photographs taken by the author himself the ten commandments the first section comprises a comprehensive introduction to crucial drug concepts and practices this in itself is indispensable prior reading for anyone who chooses to use a psychoactive substance it contains for example a detailed risk mitigation procedure the 10 commandments of safer drug use this presents a generic set of easily understood steps to aid personal safety inclusive of an illustrated explanation of how to identify test the substances themselves the psychoactive drugs the full gamut of psychoactive chemicals and botanicals is meticulously covered well known examples include heroin cannabis xanax kratom cocaine dmt methamphetamine ketamine lsd ayahuasca alcohol and mdma lesser known examples include 4 ho met calea ephedrine mad honey mapacho a php and yohimbe the scope also extends well beyond the most common categories of psychedelics stimulants depressants and dissociatives included for example are dream herbs and nootropics the investigation of psychoactivity was unbounded and unfettered the worldscape drug use does not occur in a vacuum so the final section considers the wider context with in depth examination of everything from travel to the horrors of the war on drugs facts science and genuine statistics replace the myths fabrications and propaganda of the

prevailing social order again with welfare and safety emphasized education saves lives education underpins harm reduction and is the primary driver throughout indeed personal safety is the first and last message and guides the entire narrative this is a book for drug users and their families it is a book which will help to avert tragedy it is a book which will save lives

## ***Bulletin - Bureau of Education 1921***
