TEN QUEENS: PORTRAITS OF WOMEN OF POWER. 2004

full of passion and betrayal murder and war the first volume of an epic new series from bestselling historian alison weir bringing five of england s medieval queens to life a daily telegraph book of the year love murder war betrayal this is the story of the five extraordinary queens who helped the norman kings of england rule their dominions recognised as equal sharers in the royal authority their story is packed with tragedy high drama even comedy heroines villains stateswomen lovers beginning with matilda of flanders who supported william the conqueror in his invasion of england in 1066 and culminating in the turbulent life of the empress maud whoc claimed to be queen of england in her own right and fought a bitter war to the end the five norman queens are revealed as hugely influential figures and fascinating characters in alison weir s hands these pioneering women reclaim their rightful roles at the centre of english history

Queens of the Conquest 2017-09-28

the number of women who have ruled as queens or empresses or governed as presidents or prime ministers remains but a small subset of the total of those who have attained ultimate political power but this elite group of women who through dynastic succession democratic election or other means have reached the heights of political and ceremonial leadership includes some of the most influential and charismatic figures of world history queen empress concubine paints vivid portraits of the lives of 50 extraordinary women who have held positions of executive or ceremonial power throughout history from the queen of sheba to margaret thatcher each biographical profile sets its subject clearly in the culture and context of its time enabling author claudia gold not only to tell the stories of 50 courageous and fiercely independent women but also to provide a fascinating and informative alternative social history of the last 3500 years

Queen, Empress, Concubine 2008

the boldly original dramatic intertwined story of catherine de medici elisabeth de valois and mary queen of scots three queens exercising power in a world dominated by men orphaned from infancy catherine de medici endured a tumultuous childhood married to the french king she was widowed by forty only to become the power behind the french throne during a period of intense civil strife in 1546 catherine gave birth to a daughter elisabeth de valois who would become queen of spain two years later catherine welcomed to her nursery the beguiling young mary queen of scots who would later become her daughter in law together catherine elisabeth and mary lived through the sea changes that transformed sixteenth century europe a time of expanding empires religious discord and populist revolt as concepts of nationhood began to emerge and ideas of sovereignty inched closer to absolutism they would learn that to rule as a queen was to wage a constant war against the deeply entrenched misogyny of their time following the intertwined stories of the three women from girlhood through young adulthood leah redmond chang s young queens paints a picture of a world in which a woman could wield power at the highest level yet remain at the mercy of the state her body serving as the currency of empire and dynasty sacrificed to the will of husband family kingdom

Young Queens 2023-08-15

a story collection about women with power and how they used it these queen stories are not fairytales for small children they are true tales of real women that every young person should know the clever and brave women in this collection had power and used it to achieve their goals they would prove themselves pioneers problem solvers and inventors and often incredible leaders these fast paced action packed tales are stories that have been lost stories that have remained untold the stories come from around the world and across history but the single thing they share is that each is in their own way about a truly courageous queen

Courageous Queens 2022-09

a collection of 18 case studies of women in power in africa it focuses on the political and ritual roles of royal and elite women who are gathered together by tradition choice and circumstance and who as a result achieve and exercise power and acquire and exert influence in the public and private arenas of their societies a dozen sub saharan ethnic groups are represented mostly from west and south africa the volume is interdisciplinary with contributions drawn from the fields of anthropology art history history political science comparative literature african and african american studies women s studies and religion

Queens, Queen Mothers, Priestesses, and Power 1997

illicit love madness betrayal it isn't always good to be the queen marie antoinette anne boley and mary queen of scots what did they have in common for a while they were crowned in gold cosseted in silk and flattered by courtiers but in the end they spent long nights in dark prison towers and were marched to the scaffold where they surrendered their heads to the executioner and they are hardly alone in their undignified demises throughout history royal women have had a distressing way of meeting bad ends dying of starvation being burned at the stake or expiring in childbirth while trying desperately to produce an heir they always had to be on their toes and all too often even devious plotting miraculous pregnancies and selling out their sisters was not enough to keep them from forcible consignment to religious orders from cleopatra suicide by asp to princess caroline suspiciously poisoned on her coronation day there's a gory downside to being blue blooded when you lack a y chromosome kris waldherr's elegant little book is a chronicle of the trials and tribulations of queens across the ages a quirky funny utterly macabre tribute to the dark side of female empowerment over the course of fifty irresistibly illustrated and too brief lives doomed queens charts centuries of regal backstabbing and intrigue we meet well known figures like catherine of aragon whose happy marriage to henry viii ended prematurely when it became clear that she was a starter wife the first of six and we meet forgotten queens like amalasantha the notoriously literate ostrogoth princess who overreached politically and was strangled in her bath while their ends were bleak these queens did not die without purpose their unfortunate lives are colorful cautionary tales for today's would be power brokers a legacy of worldly and womanly wisdom gathered one spectacular regal ruin at a time

Doomed Queens 2008-10-28

queens ranges from the ancient world to the present day telling the stories of women who ruled from murderous former courtesan wu zetian in seventh century china to elizabeth i england's virgin queen in a world historically dominated by male rulers the women who sat on thrones of their own shine brightly some queens and empresses were born to greatness while others fought their way to power carefully researched superbly entertaining and illustrated throughout queens highlights the true personalities and real lives of the women who became monarchs and empresses

2021-05

1 new york times bestselling author philippa gregory joins two eminent historians to explore the extraordinary true stories of three women largely forgotten by history jacquetta duchess of bedford elizabeth woodville queen of england and margaret beaufort the founder of the tudor dynasty in her essay on jacquetta philippa gregory uses original documents archaeology and histories of myth and witchcraft to create the first ever biography of the young duchess who survived two reigns and two wars to become the first lady at two rival courts david baldwin established authority on the wars of the roses tells the story of elizabeth woodville the first commoner to marry a king of england for love and michael jones fellow of the royal historical society writes of margaret beaufort the almost unknown matriarch of the house of tudor beautifully illustrated throughout with rare portraits and source materials the women of the cousins war offers fascinating insights into the inspirations behind philippa gregory s fiction and will appeal to all with an interest in this epic period

Warrior Queens: Fearless Women Who Defied Expectations and Led Empires 2011-09-13

they re queens wielding scepters and sitting on thrones they re revolutionaries on the front lines they re presidents and prime ministers leading their nations or they re ceos scientists sports stars artists and others who are changing the world welcome to the book of queens when the simple regal robes they just began wearing a crown back cover

The Women of the Cousins' War 2019

if you re a wife and over forty you might not remember what serenity looks like what sanity feels like written by a registered nurse who s worked in women s health for two decades the habits of queens reveals what working wives and mothers across this nation are whispering to one another i m burned out and exhausted and i just want to be at home so is hurry the new normal for some yes but not for a queen throughout history queens of households have ruled their homes and governed their lives with time tested principles principles that became norms norms that became habits the habits of queens gives truthful advice to young and not so young wives on 1 the importance of pondering 2 creating an ordered and contented home 3 avoiding the infectious hurried woman syndrome 4 and more a short read loaded with humor and sho you right wisdom the habit of queens is the book you ll recommend to your daughters and friends

The Book of Queens 2020-01-10

the tudor era belongs to its women no other period of english history has produced so many notable and interesting women and into other period have they so powerfully influenced the course of political events mary tudor elizabeth 1 and at moments of high drama mary queen of scots dominated the political scene for more than half a century while in the previous fifty years henry viii s marital escapades brought six more women to the centre of attention in this book the women of the royal family are the central characters the royal women set the style and between them they provide a dazzling variety of personalities as well as illustrating almost every aspect of life as it affected women in tudor england we know what they ate how they dressed the books they read and the letters they wrote even the greatest of them suffered the universal legal and physiological disabilities of womanhood some survived them some went under now revised and updated alison plowden s beautifully written account of the women behind the scenes and at the forefront of sixteenth century english history will be welcomed by anyone interested in exploring this popular period of history from the point of view of the women who made it

The Habits of Queens 2023

this textbook explores the histories of royal women in europe the middle east and parts of asia in the sixteenth and early seventeenth centuries it argues that by dint of an unprecedented conjunction of historical shifts and powerful personalities it was these women and not men who sat at the helm of global politics moreover it was they who in truth steered our world s transition from the middle ages to modernity organized into chapters devoted to each of the era s great states the book sets out to challenge several historical premises first it shows that women were the actual if not always formally crowned sovereigns of these states or at least played a decisive role in shaping their policies second the book dissolves the conventional dichotomy between east and west showing that in both christian europe and islamdom women achieved their high status by means of similar strategies and at similar periods in history third by demonstrating that there was a precedent for female authority long before the first harbingers of the women s movement in the eighteenth century the book calls into question received ideas about historical progress and the evolution of women s liberation

Maids and Mistresses, Cousins and Queens 2002

this fascinating study delves into the lives of six tudor women celebrated for their reputed wickedness collected here are accounts of anne boleyne katherine howard anne seymour lettice dudley and jane and alice more warnicke rescues these women from historical misrepresentations and helps us to rediscover the complex world of tudor society

Tudor Women 2024-10-11

in her dazzlingly erudite and wide ranging book antonia fraser examines an infinite variety of warrior queens found in almost every culture on the one hand she recounts the stories of such diverse national heroines as zenobia of palmyra isabella of spain elizabeth i queen jinga of angola catherine the great and the rani of jhansi right up to the twentieth century democratically elected warrior queens indira gandhi golda meir and that formidable exponent of the role in our own day margaret thatcher on the other hand she examines in terms of their history the themes which occur and re occur in very different civilisations and circumstances the tomboy syndrome for example by which the adult warrior queen is often granted a mythical tomboy past or the shame syndrome by which the courage of the warrior queen is contrasted with the weakness of the males around her sexuality is also a constant theme as the warrior queen is sometimes seen as preternaturally chaste sometimes as unnaturally voracious the same female leader on occasion being the subject of both accusations weaving her wealth of scholarship with lightness and with characteristic humour antonia fraser has produced a remarkable and original work which casts a new light on the familiar heroines of history and the whole subject of female leadership in times of war required reading for anyone going into politics truck driving or the army indeed by any woman going into anything margaret atwood

Queens Around the World, 1520-1620 2002

scholars and poets talk about queens is a lively and erudite collection unusual in an especially appealing way this collection of essays shows how queens were represented in the middle ages and renaissance through primary accounts chronicles and literary representations the book also contains modern poetry and short plays about these same queens allowing readers to understand and appreciate them both intellectually and emotionally contributors study a wide range of queens including such famous and fascinating women as queen elizabeth i cleopatra hecuba the empress matilda mary stuart margaret of anjou catherine of aragon and the pirate queen grace o malley by pairing scholarly essays with contemporary poems about them the collection demonstrates the continued relevance and immediacy of these powerful and fascinating women

Queens, Whores and Maidens 2012-05-14

in the last millennium there have been only six female sovereigns mary i and elizabeth i mary ii and anne victoria and elizabeth ii who celebrated her eightieth birthday in 2006 with the exception of mary i they are among our most successful monarchs without mary ii and anne the glorious revolution of 1688 might not have taken place elizabeth i and victoria each gave their name to an age presiding over long periods when the country made significant progress in the growth of empire prestige and power all of them have far reaching legacies each faced personal sacrifices and emotional dilemmas in her pursuit of political power how to overcome the problem of being a female ruler when the sex was considered inferior does a queen take a husband and if so how does she reconcile the reversal of the natural order according to which the man should be the master a queen s first duty is to provide an heir to the throne but at what cost in this richly compelling narrative maureen waller delves into the intimate lives of england s queens regnant in delicious detail assessing their achievements from a female perspective

Wicked Women of Tudor England 1994

an original masterly and fascinating study that offers brilliant new insights into the shaping of the virgin queen alison weir new york times bestselling author of the six tudor queens series in vivid detail historian tracy borman presents elizabeth i from a thrilling new angle focusing on the virgin queen not through her relationship with the product of women the mother she lost so tragically the female subjects who worshipped her and the peers and intimates who loved raised challenged
