Pray Now 2013

behind the theme of this new volume in the popular annual pray now series is the belief that everyone has a story to tell no matter what age or stage of life they are at and that in worship we weave our stories into the bigger story of god our stories are shaped by encounters with other people with the physical world with the variety of our own experiences and emotions and with god this volume offers a dynamic resource for prayer and reflection that will enable a deeper understanding of how all these kinds of encounters shape us more than seventy short sections each containing a scripture quotation prayers for morning and evening a short meditation suggested scripture readings and a blessing explore a rich variety of encounters between jesus and others in the gospels disciples women the young the old critics enemies the people we encounter friends neighbours colleagues family strangers the hostile encounters with the physical world animals weather traffic jams crowded cities empty spaces encounters with ourselves success disaster loneliness identity hope peace

mystery and more encounters with god in prayer how christians across the centuries including julian of norwich st benedict martin luther wesley c s lewis and others understood and practiced prayer stories of encounter is the church of scotland s theme for 2018 that will inform its worship and its mission throughout the coming year at its heart is a desire to help people to tell their stories to share those stories with others and with their communities to reflect on their journeys of faith and ultimately their stories of encounters with god this dynamic collection of newly written prayers meditations and blessings will be a welcome aid for worship for small group devotions and for personal discipleship

why should i go to church why can t i just do devotions on my
own good question it s true that god values personal
devotions in fact he even commands us to pray without ceasing
1 thess 5 17 but going to church is about more than personal
devotion for christians going to church is the gathering
together of a family or as the apostle paul described it
uniting the members of a body for as in one body we have many
members and the members do not all have the same function so
we though many are one body in christ and individually
members one of another rom 12 4 5 every christian is a member
of the body of christ and every member has unique talents and
insights sharing these gifts with each other as a unified
body strengthens us in our common task of glorifying god in
the joy of true community you will experience 1 fellowship
regular church attendance allows a chris tian to become part
of a church family a community of brothers and sisters in
christ who share true concern for one another paul described
this kind of fellowship in his letter to the corinthians if
one member suffers all suffer together if one member is
honored all rejoice together 1 cor 12 26 when we care for our
fellow christians in this way not only do we enjoy the
security of belonging to a spiritual family but we glorify
god by revealing his character to the world 2 corporate
worship when god rescued king david from his enemies david
couldn t keep his praise to himself he cried out oh magnify
the lord with me and let us exalt his name together psa 34 3
even christ in the darkest hours of his life asked three of
his closest friends to watch and pray with him matt 26 41
while private devotion pleases god at times nothing will do
except to join with fellow christians in praise of our great
god jesus promised for where two or three are gathered in my
name there am i among them matt 18 20 god is glorified when
christians speak of his greatness with each other and he is
pleased to be in our midst 3 personal growth

individual bible study and prayer are vital to a christian s spiritual growth so is consistent contact with other christians god commands us to consider how to stir up one another to love and good works not neglecting to meet together heb 10 24 25 meeting regularly with other christians is an opportunity to be encouraged in your daily walk with christ to receive godly advice in areas of difficulty in your life and to be challenged by the example of more mature christians 4 ministry paul tells us that god gave pastors and teachers to equip the saints for the work of ministry for building up the body of christ eph 4 11 12 attending church allows us to receive the instruction of trained pastors and teachers helping us minister both to the world and within the church along with communicating the gospel to the unsaved through actions and words christians have a responsibility to minister to other members of the body of christ therefore encourage one another and build one another up 1 thess 5 11 being in regular contact with other christians in church gives you numerous opportunities to offer a word of encouragement a listening ear a helping hand or to receive these things in your moment of need how to choose a church consider the following questions as you visit new churches does the church base its teachings on the bible do they teach the fundamentals of the gospel is there a sense of community are the people friendly would you like to get to know the people that you meet there does the church have programs that meet your family s needs are there classes for your children is there a group for your teenager to get involved in does the church support missions and encourage evangelism does it provide opportunities for outreach feel free to visit several different churches before making a decision meet some of the people and talk to the pastor ask questions don t forget to pick up a church brochure with a listing of services and programs as well as a mission statement discuss the experience with your family and visit again if you need to pray that you may discern god s will for your family s spiritual growth
