Financial Freedom 2004-12

finally learn the shocking truth about god s plan for your financial freedom god s will for you is financial freedom yet a large percentage of christians are barely making it from one week to the next why does it seem so hard to ever get ahead in life and why are so many believers living under a mountain of debt find out about one young couple s journey from poverty and failure to prosperity and success learn why they were continually giving offerings but only found themselves deeper in debt they lived in a run down rental house and had to search furniture just to find change to go out to eat at mcdonald s then read about the one prayer that changed their lives forever soon their debts were paid off they moved into a home with 18 5 acres which they paid off in less than a year they gave more in offerings in one year s time than they used to earn combined in 3 years before finding out what they prayed and how you can pray the same prayer will change your life forever you ve been taught god wants to prosper you but you ve never been given a step by step roadmap of how to get there you ve been told what god s will is but you ve never been taught how to accomplish it in this step by step practical study brother dean teaches you how to receive and walk in the blessings god has provided for you how to walk in financial blessings every day of your life why giving and receiving doesn t work for most believers how the cross of christ sets you free from poverty and lack 7 simple steps to getting out of debt how god protects you from danger and disaster in your life the 1 prayer you should begin praying immediately what solomon did to become the wealthiest person on earth 1 habit which guarantees success in every area of life

Unveiling The Mystery Of Miracle Money 2017-07-05

have you ever imagined going to sleep with your bank account empty and waking up the following day with a fat bank account of half a million dollars have you ever thought of how you would feel if ever you found an extra ten thousand dollar supernaturally deposited in your bag pockets or wallet have you ever envisaged what difference it would make in your life if all your debts worth hundreds of thousands were supernaturally canceled in a twinkling of an eye read this book it will awaken you to an arena of divine consciousness of the divinely enthralling move of the spirit which involves miracle money revival this new move of god which marks the greatest prosperity revival ever witnessed in the history of humanity is characterized by many people around the world beginning to experience money supernaturally deposited in their purses wallets pockets bank accounts and other unexpected places in tandem with this is thrilling divine spectacle is the supernatural manifestation of the wealth of heaven through instantaneous debt cancellation wealth transfer financial and food multiplication a heightened degree of visible angelic manifestations as well as the stirring of a pool of creative miracles in which the original blue print of body parts emerge in bodily territories where they previously did not exist this third wave of prosperity revival is also coupled with what we call the golden rain which is the supernatural appearance of heavenly precious stones such as gold dust diamonds silver stones and supernatural oil on the surface of buildings and in some cases raining down through the hands and other body parts of believers during worship sessions where they gather to honor the lord the divinely coded mysteries on miracle money which for ages have been hailed as an inexplicable phenomenon have been decoded in this book such that miracle money is no longer an impossibility this book will usher you into a consistent stream flow of miracle money raining upon your life from unexpected sources this spectacular display of god s power in the invisible arena is what will culminate in a catalogue of miracle money testimonies as humanity in the extreme quarters of life unreservedly partake of this manna which god is unfolding from the throne room of heaven the consistent stream flow of throne room revelations encapsulated in this book are set to revolutionize your life forever hence it is important in this god moment that you determine to grow your faith in line with god s purpose as you move away from impossibility thinking and its limitation and be open to heavenly resource thinking those who are comfortable with the status quo and have drowned themselves in the valley of religion and tradition will be dazzled in this critical hour as you are about to explode in the demonstration of miracle money like the scattering of foliage under the influence of a storm the reserve bank of heaven holds funds adequate to every need in your life angel tellers have received authorisation from the master himself certified with a stamp of his approval and authenticated by the signature of his own handwriting endorsing that millions in miracle money should be dispatched propagated and rained over the masses in this season therefore welcome to the world in which it s naturally supernatural to receive and release miracle money a world in which waking up in the morning and receiving thousands supernaturally deposited in your bank account and hundreds stacked in your bags wallets and houses is a normal occurrence glory to god author apostle frequency revelator

Money Miracles 2017-03-27

in a miracle in waiting paul hellyer pulls no punches first published in 1996 under the title surviving the global financial crisis the economics of hope for generation x hellyer maintained that the monetarist counter revolution has been one monumental flop and predicted in the first two paragraphs that a meltdown was inevitable the entire book was prophetic and should be read in that context hellyer argued that the federal deficit is nothing but a red herring that detracts from more fundamental issues such as the monetary system which stripped of all the holy water that has been poured on it over the years is nothing more than the perpetuation of a scam developed by the english goldsmiths more than three hundred years ago a scam that has turned out to be the most profitable in history this book removes the veil from the mystery of money nearly all money is simply virtual computer entries by highly leveraged privately owned banks that create money out of thin air worse they are allowed to lend their capital up to twenty times or more and collect interest on it each time still worse many of the loans are made to hedge funds and the financial industry that make huge profits without creating any new real wealth that is tangible and useful hellyer s book explains exactly what has to be done bank ratios have to be reduced dramatically at the same time the proportion of money created by governments who own the patent on behalf of the people has to be substantially increased this will allow the fiscal flexibility necessary to balance their budgets and help finance critically important projects such as the transformation from an oil economy to one based on clean fuels many other major problems could be solved by a substantial infusion of debt free money

A Miracle in Waiting 2010

it all started when sean hyman went on a financial quest to find out why people were broke because he knew it wasn t god s best for their lives that s when he went through an extensive study of one of the wisest books of all time the bible he literally looked at every scripture that had to do with money it was then that he found the six keys that god has outlined to produce financial success as he purposefully implemented and lived out these six principles they began to change his financial future it was then that he decided to write this book about it and tell the whole world so that they could find out
