Ready to Trust

2020-08-01

proving he s a changed man could be his biggest challenge yet rancher reece rainbolt s shocked to learn he s inherited half of claire ballard s family farm and that he s a father now claire s determined to break ties with the man who once left her behind but reece will buy her half only on one condition she must stay in town to help with the harvest and let him get to know his little girl

Ready for Learning and Ready for Life

2016-12-19

going beyond what our schools typically assess to determine readiness to attend school which is often based upon age this book addresses the synergistic aspects of readiness learning and adaptation that allow children to be optimally ready to learning and capable of handing for challenges and transitions this more holistic and interactive understanding of readiness involves not only the typical physical development but also psychological aspects including the cognitive emotional spiritual behavioral and environmental pieces the goal of this book is to provide the necessary lens through which we can see what is really hindering many children in schools today along with possible approaches and interventions typically not seen as educational in nature but what may be just the needed prescription for our ailing youth

My Life is a Rock and Roll Song ... ready to be sung!

2023-07-09

born to a slovenian mom and an irish dad i grew up in a small ohio town in the 40 s and 50 s with many memories of my family struggling during and after world war ii studies came easy for me graduating with honors in college preparatory classes in 1959 i spent the last years in high school having overcome a meatball weight problem and hanging out with buddies that were cool although i was accepted and had a college scholarship waiting for me there was this stronger urge to accompany my buddies and join the marines promising my parents college would come later while serving 4 years in the marine corps univac computers i followed one of my cool buddies to a local albany ga radio station in search of a part time job and fell in love with the thought of being a dj with hundreds of girls admiring me and my now mr bronze america muscular body i did make it with an on air gig but only got there because of my sales marketing skills with a few delays my parents were elated when i graduated from kent state university with a bachelor s degree in telecommunications and a master s degree in broadcast management the road to success has taken me on a lot of twists and turns some right turns while making my share of boo boos along the way there has been more than 50 years invested in writing this book some parts based on life others based on my vivid imagination during and following a career in radio and helping to build up and sell radio stations there was success as a motivational speaker across the country while promoting other famous speakers including zig ziglar og mandino and norman vincent peale several money making projects were always active while living life to the fullest including looking for the next lady to share it with and the next opportunity to do something exciting enjoy

Becoming a Student-Ready College

2016-06-27

boost student success by reversing your perspective on college readiness the national conversation asking are students college ready concentrates on numerous factors that are beyond higher education s control becoming a student ready college flips the college readiness conversation to provide a new perspective on creating institutional value and facilitating student success instead of focusing on student preparedness for college or lack thereof this book asks the more pragmatic question of what are colleges and universities doing to prepare for the students who are entering their institutions what must change in an institution s policies practices and culture in order to be student ready clear and concise this book is packed with insightful discussion and practical strategies for achieving your ambitious student success goals these ideas for redesigning practices and policies provide more than food for thought they offer a real world framework for real institutional change you ll learn how educators can acknowledge their own biases and assumptions about underserved students in order to allow for change new ways to advance student learning and success how to develop and value student assets and social capital strategies and approaches for creating a new student focused culture of leadership at every level to truly become student ready educators must make difficult decisions face the pressures of accountability and address their preconceived notions about student success head on becoming a student ready college provides a reality check based on today s higher education environment
