doughnut economics seven ways to think like a 21st century *Jun 25* **2023**

the central premise of doughnut economics is that humanity
s 21st century goal should be to end poverty for all and do
so within the means of the living planet ensuring everyone
in the world lives well above the doughnut s social
foundation in terms of healthcare education housing food
water energy use mobility and so on will

books doughnut economics seven ways to think like a 21st May 25 **2023**

it may not be quite so alien to the 21st century reader
whether they be a student of social policy or a family doctor
in the past century we have asked a great deal of economics
in particular we ignore health inequalities environmental
pollution and gender equality
