retelling american history to recognize black participation as

german reveals through this new narrative with more dignified images the negro soldier and other films performed rhetorical work by advancing the agenda of black citizenship

fighting squadron 11 was established at san diego in august 1943 beginning a half

century record that spanned aerial combat in three wars from the piston to the jet age

the squadron produced seven aces while fighting in world war 2 korea and vietnam

from world war 2 until after the cold war the sundowners established an unexcelled record

at the tip of the spear in naval aviation history the author barrett tillman is the world s

most prolific us naval aviation author and he has published over two dozen titles

on the world war 2 period alone the mississippi river played a decisive role in the american civil war

the confederate fortifications that controlled the lower mississippi valley were put to the test

in the lengthy federal campaign of 1862 63 vicksburg was a fortress city known as the gibraltar

of the confederacy whose capture was seen as the key to victory in the war this book explores

the fortifications of the river valley focusing on vicksburg and its defences which boasted a network of forts rifle pits and

cannon emplacements surrounding the city a well as examining the strengths and weaknesses of the fortifications
