fake book the real books are the best selling jazz books of all time since the 1970s

musicians have trusted these volumes to get them through every gig night after night the

problem is that the books were illegally produced and distributed without any regard to

copyright law or royalties paid to the composers who created these musical

masterpieces hal leonard is very proud to present the first legitimate and legal

editions of these books ever produced you won't even notice the difference other than all

the notorious errors being fixed the covers and typeface look the same the song list is

nearly identical and the price for our edition is even cheaper than the original every

conscientious musician will appreciate that these books are now produced accurately and

ethically benefitting the songwriters that we owe for some of the greatest tunes of all time

this bb edition includes 400 songs all blues au privave autumn leaves black orpheus

bluesette body and soul bright size life con alma dolphin dance don't get around much
