 ?????????????????????? friday rush hour auckland city a lone shooter fires across a  
 packed street and kills a man detective sergeant sean devereaux is assigned  
 the case he s not complaining his friday nights are seldom better spent but  
 the inquiry is not straightforward witness accounts are conflicting the dead  
 man appears to be an unintended victim with the true target unknown that s  
 the least of devereaux s worries though his current case load includes an  
 investigation into the deaths of the wife and daughter of a wealthy finance  
 company director his examination has revealed the situation is far more  
 complex than anticipated casting real doubt upon the division of innocence  
 and guilt devereaux s former colleague john hale is in no position to help  
 hale is occupied with his own pursuit of darkness made all the more sinister  
 by a dogged senior police officer determined to engineer his ruin together  
 the two men hunt for the truth from those who pursue self gain by any means
