illustrations how to start your own business shows you how to develop your ideas into a profitable venture taking you step by step through everything from business plans to branding packed with practical authoritative advice and graphics that demystify complex topics such as securing investors establishing an online presence and recruiting and managing staff this ebook gives you all the tools you need to understand how a modern start up works and create your own much more than a standard business management or self help book how to start your own business shows you what other titles only tell you combining solid reference with no nonsense advice it is the perfect primer for anyone with entrepreneurial aspirations and essential reading for those who simply want to learn more about the world of business and management what is the difference between the duties of a business owner and the duties of a senior executive in a company if you are a business owner you probably have already asked yourself this question but at the same time you may have never seen a complete detailed step by step description of all the basic duties of a business owner of a typical company the author of this book is an entrepreneur and a practical man who has established a few successful companies his description of each individual duty of a business owner is amazingly simple and systematic it is astonishing how easy and applicable these descriptions are in real life each duty is described in a separate chapter with many examples from different business areas undoubtedly this book can be called the first professional manual for a business owner of any company the book which you have in your hands is written for those who started their business encountered some difficulties and is searching for a way to succeed the author of this book alexander visoltsky is not a theoretic who is talking about business at the desk he is practician who generalized the extensive experience of running his own business his observations and recommendations are very useful for those who start this exciting game called business small business is not simple at all it is difficult to run a small business because it creates a lot of problems an owner has to solve it has a lack of resources and possibilities and big staff turnover the only solution is skillful and modern management one needs to create a successful company but how at the beginning of his activity the author did not have an idea of how to manage how to restore order in your home organize work and beat competitors he decided to figure it out and help others the author proposes solutions based on his experience these solutions are results of his efforts of solving problems he encountered in his business they turned out to be typical for all small companies if you want your business to be successful use solutions this book gives you a v doctor of economics professor dear alexandr i had read a job description for the business owner book and decided to write down my opinion this book is not just relevant i consider that any business owner despite his achievements needs this book like air it is written in simple language today not many business companies have personal face and your book will help a lot of people to make up their mind and change their viewpoint on the world of money i think it will become a handbook for those who had read it thoughtfully this is the highest mark for a book and an author i wish you prosperity continue creating a k owner what is the difference between the duties of a business owner and the duties of a senior executive in a company up until now there has never been a clear description of all the basic duties of a business owner in a typical company visotsky describes each individual duty of a business owner to create a holistic simple and systematic understanding of the role it is astonishing how easy and applicable these descriptions are in the workplace each duty is described in a separate chapter with many examples from different business areas undoubtedly this book can be called the first professional manual for a business owner of any company who is alexander visotsky alexander visotsky is an entrepreneur who built several successful businesses including an international consulting company visotsky consulting visotsky has created a consulting program that empowers the business owner take full control of their company and exponentially expand it visotsky has published three best selling books in russia and job description for the business owner is the first work he s translated into english testimonials the book which you have in your hands is written for those who started their business encountered some difficulties and is searching for a way to succeed the author of this book alexander visotsky is not a theoretic who is talking about business at the desk he is practician who generalized the extensive experience of
