an essential reference for general readers students translators travelers and business people the oxford dudon pictorial japanese english dictionary serves as a valuable supplement to english japanese and japanese english dictionaries it provides parallel english and japanese word lists containing 28 000 items for each language based on the premise that pictures can more clearly

convey certain kinds of information the dictionary presents a list of vocabulary relating to a subject together with a picture illustrating that subject approximately 384 sections cover a broad range of subjects in the fields of science medicine technology industry commerce and arts and leisure both english and japanese vocabulary appear on the same page for easy use the dictionary also provides fully alphabetized indexes in both languages which refer the reader not only to the various subjects and contexts in which a word is used but also to the correct translation and vocabulary of an entire subject
