### **Actors at Work**

2007

it s extremely difficult to be an actor for many reasons it s mostly unrewarding financially it takes a lot of hard work before an actor even gets a part a career is apt to be short lived the field is incredibly competitive cream does not always rise to the top and yet actors young and old line up by the thousands wanting to do it what fuels this desire what is it that drives actors to withstand the frustration of not getting parts of getting bad parts in bad plays of being mistreated by directors misunderstood by audiences misinterpreted by critics with a nod to the paris review s writers at work model actors at work looks at the way some of our most respected stage and film actors today approach their calling in a collection of interviews with a dozen artists including philip seymour hoffman patti lupone and billy crudup the book explores not only the impetus to perform but also key topics about the process and profession including the way actors approach a role what techniques they use to deal with directors and other cast members the ways in which they use their own personal lives in their work and their influences idols and insecurities the result is a book that actors will find indispensable and fans will find irresistible

### **How to be a Working Actor**

1994

i consider this book a precious report that permits one to assimilate some of those simple and basic principles which the self taught at times come to know yet only after years of groping and errors the book furnishes information regarding discoveries which the actor can understand in practice without having to start each time from zero thomas richards has worked with me systematically since 1985 today he is my essential collaborator in the research dedicated to art as vehicle from the preface by jerzy grotowski

### **Actors and Performers Yearbook 2017**

2016-11-10

respect for acting this fascinating and detailed book about acting is miss hagen s credo the accumulated wisdom of her years spent in intimate communion with her art it is at once the voicing of her exacting standards for herself and those she taught and an explanation of the means to the end publishers weekly hagen adds to the large corpus of titles on acting with vivid dicta drawn from experience skill and a sense of personal and professional worth her principal asset in this treatment is her truly significant imagination her object exercises display a wealth of detail with which to stimulate the student preparing a scene for presentation library journal uta hagen s respect for acting is a relatively small book but within it miss hagen tells the young actor about as much as can be conveyed in print of his craft los angeles times there are almost no american actors uninfluenced by uta hagen fritz weaver this is a textbook for aspiring actors but working thespians can profit much by it anyone with just a casual interest in the theater should also enjoy its behind the scenes flavor king features syndicate
