Disability and Social Media

2016-11-10

this edited book draws from work that focuses on the act of telling family stories as well as their content and structure the process of telling family stories is linked to central aspects of development including language acquisition affect regulation and family interaction patterns this book extends across traditional developmental psychology personality theory and family studies drawing broadly on the epigenetic framework for individual development articulated by erik erikson as well as on conceptions of the family life cycle the editors bring together contemporary examples of psychological research on family stories and their implications for development and change at different points in the life course the book is divided into sections that focus on family stories at different points in the life cycle from early childhood and the beginnings of narrative skill through adolescence young adulthood midlife and then mature adulthood and its intergenerational meaning during each of these periods of the life cycle research focusing on individual development within an eriksonian framework of

ego strengths and virtues is highlighted the dynamic role of family stories is also featured here with work exploring the links between family process intergenerational attachment and storytelling sociocultural theories that emphasize how such development is situated in the wider cultural context are also featured in several chapters this broad lifespan developmental focus serves to integrate the exciting diversity of this work and foster further questions and research in the emerging field of family narrative the book is intended primarily for researchers and advanced level students in the fields of developmental and personality psychology as well as those in family studies and in gerontology it may also be of interest to those in the helping professions who are concerned with family therapy and family issues and may due to its content and illustrative material have appeal to a wider market of the lay public the chapters are written in a readily accessible style and the analyses are presented in a fairly non technical way because family stories are charted across the lifespan it would be a suitable companion book to a more traditional lifespan textbook in certain courses

PEERS® for Young Adults

2017-01-12

omegle is an online chat website that was created in 2009 by leif k brooks

the website's tagline is talk to strangers it allows users to have anonymous and random one on one conversations with strangers from all over the world the website's popularity skyrocketed and in 2010 it underwent a major redesign to make it more user friendly omegle can be accessed through a web browser and requires no registration to use the website pairs users randomly with each other and offers two conversation modes text and video the text mode allows users to communicate through messages whereas video mode enables users to see and talk to each other through a live webcam feed omegle has been controversial as it has been used for cyberbullying and inappropriate behavior despite the risks omegle still receives millions of users every month and many find it a convenient way to meet new people

Family Stories and the Life Course

2004-04-26

a teenager spinning out of control is anchored by her great grandmother in this vivid young adult novel by an award winning writer jasmine is out to shock electric clothes electric hair wired behaviour anything to get approval from the cool kids at school and admit it jas to force her parents to notice only what would they care they can't see how jas's desire to fit in is spinning her out over the edge sometimes hard to confess to her new friends

the only real support jas gets is from gi gi her great grandmother you might say gi gi has a kind of sixth sense she s given jas the diary of their ancestor maggie to read aloud during their weekly visits maggie at the same age as jas had to migrate from the shetland islands with her family where to nineteenth century stewart island a wild lonely brutal place that tested maggie s spirit sorely her diary seems to speak directly to jas with dazzling clarity in her latest novel award winning writer joanna orwin links the past and present beautifully her writing is as clean and brisk as the salt spray and fresh winds
