## ***The Regional Diversification of Latin 200 BC - AD 600*** **2007-12-13**

classical latin appears to be without regional dialects yet latin evolved in little more than a millennium into a variety of different languages this book argues comprehensively that latin in fact never lacked regional variations and examines the changing patterns and causes of this diversity throughout the roman period

## **Written Space in the Latin West, 200 BC to AD 300** **2013-07-18**

this volume explores the creation of written spaces through the accretion of monumental inscriptions and non official graffiti in the latin speaking west between c 200 bc and ad 300 the shift to an epigraphic culture demonstrates new mentalities regarding the use of language the relationship between local elites and the population and between local elites and the imperial power the creation of both official and non official inscriptions is one of the most recognisable facets of the roman city the chapters of this book consider why urban populations created these written spaces and how these spaces in turn affected those urban civilisations they also examine how these inscriptions interacted to create written spaces that could inculcate a sense of roman ness into urban populations whilst also acting as a means of differentiating communities from each other the volume includes new approaches to the study of political entities social institutions graffiti and painting and the differing trajectories of written spaces in the cities of roman africa italy spain and gaul

## **A Dictionary of Roman and Greek Antiquities with Nearly 200 Engravings on Wood 1884**

a companion to latin literature gives an authoritative account of latin literature from its beginnings in the third century bc through to the end of the second century ad provides expert overview of the main periods of latin literary history major genres and key themes covers all the major latin works of prose and poetry from ennius to augustine including lucretius cicero catullus livy vergil seneca and apuleius includes invaluable reference material dictionary entries on authors chronological chart of political and literary history and an annotated bibliography serves as both a discursive literary history and a general reference book

## ***A Companion to Latin Literature 2008-04-15***

latin america has a rich literary tradition that is receiving growing amounts of attention the body of latin american mystery writing is especially vast and diverse because it is part of latin american popular culture it also reflects many of the social and cultural concerns of that region this reference provides an overview of mystery fiction of latin america while many of the authors profiled have received critical attention others have been relatively neglected included are alphabetically arranged entries on 54 writers most of whom are from argentina mexico and cuba every effort has been made to include balanced coverage of the few female mystery writers each entry is written by an expert contributor and includes a brief biography a critical discussion of the writer s works and primary and secondary bibliographies

the volume closes with a general bibliography of anthologies and criticism

### ***The School Law of Ontario 1894***

this first volume on the state of the art in religious studies in canada offers a description and critique of the field in the colleges universities and secondary schools in alberta among the findings philosophical theological and textual approaches to the study of religion predominate to the relative neglect of methodologies employed in fields such as sociology and anthropology the quality and quantity of published research is significant but focusses on christian studies some interdisciplinary study is being carried on and benefits religious studies as well as other fields religious studies scholars in alberta have a relatively high public profile but their exercise of public responsibility is time consuming and can jeopardize career advancement in view of wide spread religious illiteracy among students descriptive courses must not be neglected in favour of analytical ones an appendix listing courses offered in the schools surveyed concludes the volume

### **Latin without tears or, One word a day, by the author of 'Peep of day'. 1877**

recent research has considered how changing imperial contexts influence conceptions of jewishness among ruling elites esp eckhardt ethnos und herrschaft 2013 this study integrates other often marginal conceptions with elite perspectives it uses the ethnic boundary making model an empirically based sociological model to link macro level characteristics of the social field with individual agency in ethnic construction it uses a wide range of written sources as evidence for constructions of jewishness and relates these to a local specific understanding of demographic and institutional characteristics informed by material culture the result is a diachronic study of how institutional changes under seleucid hasmonean and early roman rule influenced the ways that members of the ruling elite retainer class and marginalized groups presented their preferred visions of jewishness these sometimes competing visions advance different strategies to maintain rework or blur the boundaries between jews and others the study provides the next step toward a thick description of jewishness in antiquity by introducing needed systematization for relating written sources from different social strata with their contexts

### **Latin American Mystery Writers 2004-03-30**

many readers are unaware of the vast universe of latin american science fiction which has its roots in the 18th century and has flourished to the present day because science fiction is part of latin american popular culture it reflects cultural and social concerns and comments on contemporary society while there is a growing body of criticism on latin american science fiction most studies treat only a single author or work this reference offers a broad overview of latin american science fiction included are alphabetically arranged entries on 70 latin american science fiction writers while some of these are canonical figures others have been largely neglected since much of science fiction has been written by women many women writers are profiled each entry is prepared by an expert contributor and includes a short biography a discussion of the writer s works and primary and secondary bibliographies the volume closes with a general bibliography of anthologies and criticism

## ***Religious Studies in Alberta 1983-02-02***

the cambridge critical guide to latin literature offers a critical overview of work on latin literature where are we how did we get here where to next fifteen commissioned chapters along with an extensive introduction and mary beard s postscript approach these questions from a range of angles they aim not to codify the field but to give snapshots of the discipline from different perspectives and to offer provocations for future development the critical guide aims to stimulate reflection on how we engage with latin literature texts tools and territories are the three areas of focus the guide situates the study of classical latin literature within its global context from late antiquity to neo latin moving away from an exclusive focus on the pre 200 ce corpus it recalibrates links with adjoining disciplines history philosophy material culture linguistics political thought greek and takes a fresh look at key tools editing reception intertextuality theory

## ***The Boundaries of Jewishness in the Southern Levant 200 BCE–132 CE 2022-05-23***

the augurs the official roman diviners had a significant role in the public life of the roman republic however to recover the facts concerning their rites and doctrine is a difficult task because of the defectiveness and the fragmentary nature of our sources this book offers the first thorough examination of the ways in which the augural doctrine has been treated by the greek historians who have written about rome the main bulk of its material derives from four prominent writers of the roman period dionysius of halicarnassus plutarch appian and cassius dio analysing the greek sources from the point of view of language style bilingualism and cultural context the author not only sheds light on disputed matters of augural doctrine and roman constitution but also offers a good deal of new material that in various ways clarifies the meeting of the two cultures

## **Roman Augural Lore in Greek Historiography 2001**

the twenty eight essays in this handbook represent the best of current thinking in the study of latin language and literature in the middle ages the insights offered by the collective of authors not only illuminate the field of medieval latin literature but shed new light on broader questions of literary history cultural interaction world literature and language in history and society the contributors to this volume a collection of both senior scholars and gifted young thinkers vividly illustrate the field s complexities on a wide range of topics through carefully

chosen examples and challenges to settled answers of the past at the same time they suggest future possibilities for the necessarily provisional and open ended work essential to the pursuit of medieval latin studies while advanced specialists will find much here to engage and at times to provoke them this handbook successfully orients non specialists and students to this thriving field of study the overall approach of the oxford handbook of medieval latin literature makes this volume an essential resource for students of the ancient world interested in the prolonged after life of the classical period s cultural complexes for medieval historians for scholars of other medieval literary traditions and for all those interested in delving more deeply into the fascinating more than millennium that forms the bridge between the ancient mediterranean world and what we consider modernity
