The Full Facts Book of Cold Reading 2012

if it s down and dirty in the life of small rooms you want search no further cold reading reports from the trenches in a book as thin
as a worn sheet the poet cops a plea for all residents on the rim this is the book to take to bed when it s the best you can do
along with a mess of army blankets and a cheap radio some winters are so cold that a man must decide whether to read or burn
the furniture made up of late night binges of sour grapes and jeremiads these 54 entries hit the spot like a preacher on ludes if
nothing else they ll put the chill of god into a moment s notice cold reading is bad bad and wonderful for you

The Cold Day 2011

a homeless mother and her teenage daughter live on the streets of a big city their lives are hard they look for food in garbage
dumpsters bathe in donut shop washrooms and hide from the police the daughter is getting angry she doesn t want this awful
new life she wants her other life back the life with her friends and school the mother keeps trying to do the right thing but
everything is going so wrong

The James Bond Cold Reading 1991

book 1 prison is a brutal heartless and demeaning environment no one knows this better than a man sentenced to life in prison
for murder lem porter is a high profile prisoner who had a solid career ahead of him in a field he loved until he killed his brother
he has spent almost eighteen years behind bars and doesn t have much hope left anderson passero had it all he built a career a
name and a relationship with a man he thought he loved only after he very publicly landed in prison did he realize his ignorance
he has eight months left on his sentence and he is eager to go home and put prison life behind him he doesn t know it yet but he
will always carry these eight months with him and they may just help him to understand what love really means

Lucan 1995-01-01

is lucan s brilliant and grotesque epic civil war an example of ideological poetry at its most flagrant or is it a work that despairingly proclaims the meaninglessness of ideology shadi bartsch offers a startlingly new answer to this split debate on the roman poet s magnum opus reflecting on the disintegration of the roman republic in the wake of the civil war that began in 49 b c lucan writing during the grim tyranny of nero s rome recounts that fateful conflict with a strangely ambiguous portrayal of his republican hero pompey although the story is one of a tragic defeat the language of his epic is more often violent and nihilistic than heroic and tragic and lucan is oddly fascinated by the graphic destruction of lives the violation of human bodies an interest paralleled in his deviant syntax and fragmented poetry in an analysis that draws on contemporary political thought ranging from hannah arendt and richard rorty to the poetry of vietnam veterans as well as on literary theory and ancient sources bartsch finds in the paradoxes of lucan s poetry both a political irony that responds to the universally perceived need for yet suspicion of ideology and a recourse to the redemptive power of storytelling this shrewd and lively book contributes substantially to our understanding of roman civilization and of poetry as a means of political expression table of contents preface introduction the subject under siege paradox doubling and despair pompey as pivot the will to believe history without banisters notes bibliography index reviews of this

book the problem of lucan's stance is notorious and it is the focus of bartsch's book she makes her own gripping contribution to the dossier of lucanian despair in her first two chapters but she believes that ultimately such interpretations sell the poet short as an artist and a person her lucan both inside and outside his poem is a sartrean existentialist or a rortyan moral ironist who accepts the evanescence of traditional moral and political verities but who behaves as if his ideology matters anyhow and makes his choice regardless hence the ideology in cold blood of her title lucan knows and spellbindingly demonstrates that liberty is a cipher but he commits himself to it none the less bartsch has put her finger on a key issue and her passionate book is a useful check to the establishment of a new orthodoxy on lucan denis feeney times literary supplement reviews of this book this could be that elusive creature an important book gideon nisbet bryn mawr classical review reviews of this book this is a stimulating work which i find has provoked many questions about lucan's poem about liberal irony and about history the strengths of this book lie in its brevity in its integration of detailed analyses with broader theoretical issues and in its accessibility it addresses a question which is of relevance to not only lucanians or latinists or classicists but anyone who thinks about the politics of literature ellen o gorman classical world reviews of this book bartsch goes far beyond the boundaries of lucan's civil war itself readers interested in latin literature in general in the civil wars that ended the republic in the political context of the first centuries b c e and c e in questions of human response to political repression long after lucan and those interested in lucan himself as poet and conspirator will want to read ideology in cold blood bartsch has taken two prevailing camps of criticism lucan as nihilist and lucan as partisan and proposed an elegantly argued third alternative lucan as political ironist choice reviews of this book ideology in cold blood provides a strikingly dissident approach to lucan in that it aims to weld together a text oriented focus a political reading of the civil war and a discussion of lucan's political activities i e his involvement in the pisonian conspiracy bartsch's decision to include a biographical approach in her analysis should not be taken for bland naivety coming at a time when influential scholars on lucan have come to reject this approach for the blatant fallacies that it entails bartsch offers something completely novel in this area for it is entirely obvious that her sympathies do not lie with forms of historical reconstructionism in which the biographical data are simply made to correlate with the presumed political message of the poem bartsch's book will surely be ranked among the best works on the poet and i strongly recommend it to scholars interested in the literature of the principate and in the role of roman political epic marc kleijwegt scholia

Cold Reading 2019-11-26

today he's a high school dropout with no future tomorrow he's a soldier in world war ii kale jackson has spent years trying to control his time traveling ability but hasn't had much luck one day he lives in 1945 fighting in the war as a sharpshooter and helplessly watching soldiers friends die then the next day he's back in the present where wwii has bled into his modern life in the form of ptsd straining his relationship with his father and the few friends he has left every day it becomes harder to hide his battle wounds both physical and mental from the past when the ex girl next door harper moves back to town thoughts of what could be if only he had a normal life begin to haunt him harper reminds him of the person he was before the ptsd which helps anchor him to the present with practice maybe kale could remain in the present permanently and never step foot on a battlefield again maybe he can have the normal life he craves but then harper finds kale's name in a historical article and he's listed as a casualty of the war is kale's death inevitable does this mean that one of these days when kale travels to the past he may not come back kale knows now that he must learn to control his time traveling ability to save himself and his chance at a life with harper otherwise he'll be killed in a time where he doesn't belong by a bullet that was never meant for him
