## **Modeling Irony**

2022-02-15

this book adopts a broad cognitive pragmatic perspective on irony which sees ironic meaning as the result of complex inferential activity arising from conflicting conceptual scenarios this view of irony is the basis for an analytically productive integrative account capable of bridging gaps among disciplines and of recontextualizing and solving some controversies among the topics covered in its pages readers will find an overview of previous linguistic and non linguistic approaches they will also find definitional and taxonomic criteria an exhaustive exploration of the elements of the ironic act and a study of their complex forms of interaction the book also explores the relationship between irony banter and sarcasm and it studies how irony interacts with other figurative uses of language finally the book spells out the conditions for felicitous irony and re interprets traditional ironic types e g socratic rhetoric satiric etc in the light of the unified approach it proposes

## **Irony**

2018-03-22

an accessible introduction to the pragmatics of irony that presents the main theoretical approaches and central discussions of the analysis of ironic communication

## **Irony in Language and Thought**

2007

irony in language and thought assembles an interdisciplinary collection of seminal empirical and theoretical papers on irony in language and thought into one comprehensive book a much needed resource in the area of figurative language this volume centers on a theme from cognitive science that irony is a fundamental way of thinking about the human experience the editors lend perspective in the form of opening and closing chapters which enable readers to see how such works have furthered the field as well as to inspire present and future scholars featured articles focus on the following topics theories of irony addressing primarily comprehension of its verbal form context in irony comprehension social functions of irony the development of irony understanding situational irony scholars and students in psychology linguistics philosophy literature anthropology artificial intelligence art and communications will consider this book an excellent resource it serves as an ideal supplement in courses that present major ideas in language and thought

## ***Automatic Detection of Irony***

2019-11-05

in recent years there has been a proliferation of opinion heavy texts on the opinions of internet users comments on social networks etc automating the synthesis of opinions has become crucial to gaining an overview on a given topic current automatic systems perform well on classifying the subjective or objective character of a document however classifications obtained from polarity analysis remain inconclusive due to the algorithms inability to understand the subtleties of human language automatic detection of irony presents in three stages a supervised learning approach to predicting whether a tweet is ironic or not the book begins by analyzing some everyday examples of irony and presenting a reference corpus it then develops an automatic irony detection model for french tweets that exploits semantic traits and extralinguistic context finally it presents a study of portability in a

multilingual framework italian english arabic

## ***Irony in Language Use and Communication***

2017-12-15

the volume provides original research and analyses of the multi faceted conceptual and verbal processes of irony key topics explored include interdisciplinary perspectives and approaches to the study of irony collectively the papers examine irony from psychology embodiment studies philosophy cognitive linguistics the connection and impact of irony on culture and media communication different approaches to verbal irony and others ultimately attempting to model the mechanisms underlying ironic forms and the psycholinguistic motivations for their investigation the comprehensive treatment of these issues is fundamental for future research on irony and related phenomena particularly on questions of its usage the diversity and or unity of irony and ultimately the interrelationships between figurative thought and language

## **The Pragmatics of Irony and Banter**

2018-04-25

the pragmatics of irony and banter is the first book length study analysing irony and banter together this approach inherited from geoffrey leech s research implies that the two notions are intrinsically related in this thought provoking volume the various contributors linguists stylisticians discourse analysts and literary scholars while not necessarily agreeing on every aspect of this theoretical premise discuss and develop the idea in turn they consider the workings of these two discursive practices in various corpora face to face or digitally mediated interactions novels comedy shows etc thus providing a wealth of examples and case studies this well balanced positioning helps the reader to develop a better understanding of these complex discursive practices that play a crucial part in everyday interaction steering a course between traditional perspectives and new theoretical approaches this innovative and exciting way of looking at irony and banter will no doubt open new avenues for research

## **Irony in the Bible**

2023-03-13

it is generally agreed that there is significant irony in the bible however to date no work has been published in biblical scholarship that on the one hand includes interpretations of both hebrew bible and new testament writings under the perspective of irony and on the other hand offers a panorama of the approaches to the different types and functions of irony in biblical texts the following volume 1 reevaluates scholarly definitions of irony and the use of the term in biblical research 2 builds on existing methods of interpretation of ironic texts 3 offers judicious analyses of methodological approaches to irony in the bible and 4 develops fresh insights into biblical passages

## **Irony, Deception and Humour**

2018-03-19

this book offers fresh perspectives on untruthfulness entailed in various forms of irony deception and humour which have so far constituted independent foci of linguistic and philosophical investigation these three distinct albeit sometimes co occurring notions are brought together within a neo gricean

framework and consistently discussed as representing overt or covert untruthfulness the postulates that represent the interface between language philosophy and pragmatics are illustrated with scripted interactions culled from the series house which help appreciate the complexities of the three concepts at hand apart from affording new insights into the nature of irony deception and humour this book critically examines previous literature on these notions as well as relevant aspects of grice s philosophy of language giving a state of the art picture of untruthfulness this publication will be of interest to both experienced and inexperienced researchers studying grice s philosophy irony deception and or humour

## Verbal Irony Processing

2023-01-31

ironic language is a salient reminder that speakers of all languages do not always mean what they say while ironic language has captured the attention of theorists and scholars for centuries it is only since the 1980s that psycholinguistic methods have been employed to investigate how readers and hearers detect process and comprehend ironic language this element reviews the foundational definitions theories and psycholinguistic models of ironic language covering key questions such as the distinction between literal and ironic meaning the role of contextual information during irony processing and the cognitive mechanisms involved these key questions continue to motivate new studies and methodological innovations providing ample opportunity for future researchers who wish to continue exploring how ironic language is processed and understood

## 2 DRAMATIC IRONY

2001-04-04

manga dramatic irony milk junkie 5

## Troubadours and Irony

2008-01-28

from petrarch and dante to pound and eliot the influence of the troubadours on european poetry has been profound they have rightly stimulated a vast amount of critical writing but the majority of modern critics see the troubadour tradition as a corpus of earnestly serious and confessional love poetry with little or no humour troubadours and irony re examines the work of five early troubadours namely marcabru bernart marti peire d alvernha raimbaut d aurenga and giraut de borneil to argue that the courtly poetry of southern france in the twelfth century was permeated with irony and that many troubadour songs were playful laced with humorous sexual innuendo and far from serious attention is also drawn to the large corpus of texts that are not love poems but comic or satirical songs

## The Critical Mythology of Irony

2011

an ambitious theoretical work that ranges from the age of socrates to the late twentieth century this book traces the development of the concepts of irony within the history of western literary criticism its purpose is not to promote a universal definition of irony whether traditional or revisionist but to

examine how such definitions were created in critical history and what their use and invocation imply joseph a dane argues that the diverse supposed forms of irony socratic rhetorical romantic dramatic to name a few are not so much literary elements embedded in texts awaiting discovery by critics as they are notions used by critics of different eras and persuasions to manipulate those texts in various often self serving ways the history of irony dane suggests runs parallel to the history of criticism and the changing definitions of irony reflect the changing ways in which readers and critics have defined their own roles in relation to literature probing and provocative the critical mythology of irony will appeal to a broad spectrum of critics and scholars particularly those concerned with the historical basis of critical language and its political and educational implications

## **The Concept of Irony**

2001

the international kierkegaard commentary for the first time in english the world community of scholars systematically assembled and presented the results of recent research in the vast literature of søren kierkegaard based on the definitive english edition of kierkegaard s works by princeton university press this series of commentaries addresses all the published texts of the influential danish philosopher and theologian this is volume 2 in a series of commentaries based upon the definitive translations of kierkegaard s writings published by princeton university press 1980ff

## **Varieties of Musical Irony**

2017-04-27

sophisticated and engaging this volume explores and compares musical irony in the works of major composers from mozart to mahler

## **Romantic Irony**

1988-01-01

this is the first collaborative international reading of irony as a major phenomenon in romantic art and thought the volume identifies key predecessor moments that excited romantic authors and the emergence of a distinctly romantic theory and practice of irony spreading to all literary genres not only the influential pioneer german british and french varieties but also manifestations in northern eastern and southern parts of europe as well as in north america are considered a set of concluding syntheses treat the shaping power of romantic irony in narrative modes music the fine arts and theater innovations that will deeply influence modernism thus the cross cultural and interdisciplinary approach elaborated in the twenty chapters of romantic irony as lead volume in the five volume romanticism series establishes a significant new range for comparative literature studies in dealing with a complex literary movement special offer 30 discount for a complete set order 5 vols the romanticism series in the comparative history of literatures in european languages is the result of a remarkable international collaboration the editorial team coordinated the efforts of over 100 experts from more than two dozen countries to produce five independently conceived yet interrelated volumes that show not only how romanticism developed and spread in its principal european homelands and throughout the new world but also the ways in which the affected literatures in reaction to romanticism have redefined themselves on into modernism a glance at the index of each volume quickly reveals the extraordinary richness of the series total contents romantic irony sets the broader experimental parameters of comparison by concentrating on the myriad expressions of irony as one of the major impulses in the romantic philosophical and artistic revolution and by combining

cross cultural and interdisciplinary studies with special attention also to literatures in less widely diffused language streams romantic drama traces creative innovations that deeply altered the understanding of genre at large fed popular imagination through vehicles like the opera and laid the foundations for a modernist theater of the absurd romantic poetry demonstrates deep patterns and a sharing of crucial themes of the revolutionary age which underlie the lyrical expression that flourished in so many languages and environments nonfictional romantic prose assists us in coping with the vast array of writings from the personal and intimate sphere to modes of public discourse including romanticism's own self commentary in theoretical statements on the arts society life the sciences and more nor are the discursive dimensions of imaginative literature neglected in the closing volume romantic prose fiction where the basic romantic themes and story types the romance novel novella short story and other narrative forms are considered throughout europe and the new world this enormous realm is seen not just in terms of romantic theorizing but in the light of the impact of romantic ideas and narration on later generations as an aid to readers the introduction to romantic prose fiction explains the relationships among the volumes in the series and carries a listing of their tables of contents in an appendix no other series exists comparable to these volumes which treat the entirety of romanticism as a cultural happening across the whole breadth of the old and new worlds and thus render a complex picture of european spiritual strivings in the late eighteenth and the nineteenth centuries a heritage still very close to our age

## **Irony in the Medieval Romance**

1979

examination of the role played by irony in one particular medieval genre the romance the author discusses the themes to which irony is applied the types of irony most commonly employed and the reasons social and aesthetic for the prevalence of irony in this genre

## **The Diversity of Irony**

2020-02-24

although the figure of irony has enjoyed extensive attention through important contributions to the diverse literatures addressing figurative thought and language it still remains relatively in the background compared to other figures such as metaphor and metonymy the present volume together with a 2017 collection by angeliki athanasiadou and herbert I colston aims to the further exploration of verbal and situational irony its gestural accompaniments its comprehension and interpretation its constructional diversity and its cooperation with other figures such as metaphor and hyperbole the present volume is a highly interesting collection of chapters dealing with both theoretical investigations and descriptive applications of a central figure pervading human thought and language its aim is to draw more attention to irony's diversity and its concomitant connections to other aspects of figurativeness

## **Humour and Irony in the New Testament**

2023-11-13

photomechanical reprint with a foreword by kritster stendahl and an epilogue

## **Experiencing Irony in the First Gospel**

2013-08-29

the gospel of matthew is both deliberately deceptive and emotionally compelling karl mcdaniel explores ways in which the narrative of the gospel of matthew elicits and develops the emotions of suspense surprise and curiosity within its readers while matthew 1 21 invites readers to expect jewish salvation progressive failure of the plot s main characters to meet jesus salvation requirements creates increasing suspense for the reader how will jesus save his people the commission to the gentiles at the gospel s conclusion provokes reader surprise and the resulting curiosity calls readers back to the narrative s beginning upon rereading with a retrospective view readers discover that the gentile mission was actually foreshadowed throughout the narrative even from its beginning and they are invited to partake in jesus final commission

## ***Interludes and Irony in the Ancestral Narrative***

2020-12-18

the stories of hagar dinah and tamar stand out as strangers in the ancestral narrative they deviate from the main plot and draw attention to the interests and fates of characters who are not a part of the ancestral family readers have traditionally domesticated these strange stories they have made them familiar all about the ancestral family thus hagar s story becomes a drama of deselection shechem and the hivites become emblematic for ancestral conflict with the people of the land and tamar becomes a lens by which to read providence in the story of joseph this study resurrects the question of these stories strangeness rather than allow the ancestral narrative to determine their significance it attends to each interlude s particularity and detects ironic gestures made toward the ancestral narrative these stories contain within them the potential to defamiliarize key themes of ancestral identity the ancestral divine relationship ancestral relations to the land and its inhabitants and ancestral self identity perhaps the ancestral family are not the only privileged partners of god the only heirs to the land or the only bloodline fit to bear the next generation

## **Implied Irony in Jane Austen's *Pride and Prejudice***

2022-11-22

this book first takes the reader through an in depth discussion of discourse in fiction authorial presence and irony then an analytical reading of pride and prejudice is presented relying on two theories concerned with the pragmatics of irony to illustrate how foreknowledge of the entire novel heightens the reader s perception of irony in free indirect discourse fid whilst acknowledging that the definition of irony as echoic language effectively describes the way the narrator seems to ventriloquize other voices the book shows that a multistage approach can better account for the processes involved given that activation of the initial non ironic meaning occurs when fid causes the first time reader to confuse the characters voices with narrative report by relying on multistage theories to account for irony generated by fid the book presents a different approach and therefore constitutes essential reading for scholars and students desirous of broadening their understanding of this narrative technique

## **Encyclopedia of Rhetoric and Composition**

2013-10-08

first published in 1996 routledge is an imprint of taylor francis an informa company

## **Irony in Action**

2001-06

irony today extends beyond its classification as a figure of speech and is increasingly recognized as one of the major modes of human experience this idea of irony as an integral force in social life is at the center of this provocative book the result of a meeting where anthropologists were invited to explore the politics of irony and the moral responsibilities that accompany its recognition this book is one of the first to lend an anthropological perspective to this contemporary phenomenon the first group of essays explores the limits to irony s liberating qualities from the constrained use of irony in congressional hearings to its reactive presence amid widening disparities of wealth despite decades of world development the second section presents irony s more positive dimensions through an array of examples such as the use of irony by chinese writers and irish humorists framed by the editors theoretical introduction to the issues posed by irony and responses to the essays by two literary scholars irony in action is a timely contribution in the contemporary reinvention of anthropology

## **Irony in the Work of Philosophy**

2002-01-01

in an era that proclaims itself postironic the question and problem of irony are of more interest than ever in this compelling inquiry claire colebrook first takes up all the major figures in post cartesian philosophy on the subject of irony spinoza kant hegel and nietzsche she similarly examines the modern thinkers in the anglo saxon tradition rorty searle and de man she then engages in an analysis of the continental canon and the ironic dimension that marks contemporary philosophy beyond the question of irony colebrook treats the presence of irony in the history of philosophy and those points of overlap between nineteenth and twentieth century literature and philosophy ultimately she extends what has belonged primarily to the domain of literature into a world of concepts

## ***The Romantic Irony of Semiotics***

2011-05-02

the romantic irony of semiotics friedrich schlegel and the crisis of representation approaches to semiotics as

## **Figurative Language - Intersubjectivity and Usage**

2021-05-15

intersubjectivity and usage play central roles in figurative language and are pivotal notions for a cognitively realistic research on figures of thought speech and communication this volume brings together thirteen studies that explore the relationship between figurativity intersubjectivity and usage from the cognitive linguistics perspective the studies explore the impact of figurativity on areas of lexicon and grammar on real discourse and across different semiotic systems some studies focus on the psychological processes of the comprehension of figurativity other studies address the ways in which figures of thought and language are socially shared and the variation of figures through time and space moreover some contributions are established on advanced corpus based techniques and experimental methods there are studies about metaphor metonymy irony and puns about related

processes such as humor empathy and ambiguity and about the interaction between figures overall this volume offers the advantages and the opportunities of an interactional and usage based perspective of figurativity embracing both the psychological and the intersubjective reality of figurative thought and language and empirically emphasizing the multidimensional character of figurativity its central function in thought and its impact on everyday communication

## **Irony**

## ***Irony and Meaning in the Hebrew Bible***

2008-12-23

was god being ironic in commanding eve not to eat fruit from the tree of wisdom carolyn j sharp suggests that many stories in the hebrew scriptures may be ironically intended deftly interweaving literary theory and exegesis sharp illumines the power of the unspoken in a wide variety of texts from the pentateuch the prophets and the writings she argues that reading with irony in mind creates a charged and open rhetorical space in the texts that allows character narration and authorial voice to develop in unexpected ways main themes explored here include the ironizing of foreign rulers the prostitute as icon of the ironic gaze indeterminacy and dramatic irony in prophetic performance and irony in ancient israel s wisdom traditions sharp devotes special attention to how irony destabilizes dominant ways in which the bible is read today especially when it touches on questions of conflict gender and the other

## ***Construction Estimating Reference Data***

1993

provides the 300 most useful manhour tables for practically every item of construction labor requirements are listed for sitework concrete work masonry steel carpentry thermal and moisture protection doors and windows finishes mechanical and electrical each section details the work being estimated and gives appropriate crew size and equipment needed this new revised edition contains national estimator a computer estimating program this fast powerful program and complete instructions are yours free on high density 3 1 2 disk when you buy the book

## **X-Ray Absorption and X-Ray Emission Spectroscopy**

2016-01-08

during the last two decades remarkable and often spectacular progress has been made in the methodological and instrumental aspects of x ray absorption and emission spectroscopy this progress includes considerable technological improvements in the design and production of detectors especially with the development and expansion of large scale synchrotron reactors all this has resulted in improved analytical performance and new applications as well as in the perspective of a dramatic enhancement in the potential of x ray based analysis techniques for the near future this comprehensive two volume treatise features articles that explain the phenomena and describe examples of x ray absorption and emission applications in several fields including chemistry biochemistry catalysis amorphous and liquid systems synchrotron radiation and surface phenomena

contributors explain the underlying theory how to set up x ray absorption experiments and how to analyze the details of the resulting spectra x ray absorption and x ray emission spectroscopy theory and applications combines the theory instrumentation and applications of x ray absorption and emission spectroscopies which offer unique diagnostics to study almost any object in the universe is the go to reference book in the subject for all researchers across multi disciplines since intense beams from modern sources have revolutionized x ray science in recent years is relevant to students postdocurates and researchers working on x rays and related synchrotron sources and applications in materials physics medicine environment geology and biomedical materials

## ***International Encyclopedia of Public Health***

2016-10-06

international encyclopedia of public health second edition seven volume set is an authoritative and comprehensive guide to the major issues challenges methods and approaches of global public health taking a multidisciplinary approach this new edition combines complementary scientific fields of inquiry linking biomedical research with the social and life sciences to address the three major themes of public health research disease health processes and disciplines this book helps readers solve real world problems in global and local health through a multidisciplinary and comprehensive approach covering all dimensions of the field from the details of specific diseases to the organization of social insurance agencies the articles included cover the fundamental research areas of health promotion economics and epidemiology as well as specific diseases such as cancer cardiovascular diseases diabetes and reproductive health additional articles on the history of public health global issues research priorities and health and human rights make this work an indispensable resource for students health researchers and practitioners alike provides the most comprehensive high level internationally focused reference work available on public health presents an invaluable resource for both researchers familiar with the field and non experts requiring easy to find relevant global information and a greater understanding of the wider issues contains interdisciplinary coverage across all aspects of public health incorporates biomedical and health social science issues and perspectives includes an international focus with contributions from global domain experts providing a complete picture of public health issues

## **ASM Specialty Handbook**

1996-01-01

cast iron offers the design engineer a low cost high strength material that can be easily cast into a wide variety of useful and sometimes complex shapes this handbook from asm covers the entire spectrum of one of the most widely used and versatile of all metals

## **The New Tibetan-English Dictionary of Modern Tibetan**

2001-04-03

this most current tibetan english dictionary surpasses existing dictionaries in both scope and comprehensiveness

## **Crystal Data; Determinative Tables**

1963

although the japanese language is one of the most quoted examples in politeness research extant publications focus on particular areas of politeness and very few of them enquire into the varied aspects of japanese politeness in this book yasuko obana provides an integrated account of what signifies japanese politeness by examining how far previous assumptions can apply to japanese obana exposes a variety of characteristics of japanese politeness by taking a diachronic approach she probes into what constitutes politeness extracts key elements of the term polite in japanese and demonstrates how modern honorifics apparent diverse divergent uses and effects can be integrated into a systematic matrix furthermore by quoting traditional japanese language scholars kokugo gakusha studies obana brings different views into the open she also carves out politeness strategies in japanese that have not been adequately explored to date and which often conform to the way in which honorifics behave because they reflect social indexicality this book is a good reference for scholars in pragmatics particularly for those who are working on politeness it is useful for japanese language teachers who want to know how to teach japanese politeness to non native learners postgraduate students of japanese or pragmatics may also find this book useful for self study

## **Japanese Politeness**

2020-10-29

the cambridge handbook of irony and thought offers the first comprehensive collection of chapters in multidisciplinary irony scholarship these chapters explore the significance of irony both verbal and situational in language thought human action and artistic expression they cover five main themes the scope of irony in human experience irony's impact both personal and in social life irony in linguistic communication irony and affect and irony in expressive contexts contributions come from a wide range of academic disciplines including psychology linguistics philosophy literature computer science film and media studies and music making this a truly cross disciplinary collection of benefit to a wide range of students and researchers

## **The Politics of Irony in Thackeray's Mature Fiction**

2009

only god knows we may ponder and choose our own path to receiving his word but we must realize ours is a human path we cannot let blind faith tradition and ritual cloud our judgment and determine our perception of the world the potent mix of fanaticism whether tied to a nation or a religion ignorance and emotion has driven wedges among the peoples of the earth wedges that need not exist at all in search of god god religious scriptures and proof of divine revelation presents the result of author dr mohamed gad's twenty five year study of christian islamic and judaic scripture revealing the unifying truths of divinity belief and faith in search of god challenges serious students of all faiths and backgrounds as it examines proof for the existence of god creation and evolution prophecy the identity of jesus the concept of the holy trinity and the commonalities and spirit of revelation of the world's three major religions dr gad's personal journey and critical spiritual investigation personify the human desire to understand god's intention for us yes only god knows but armed with truth and tolerance we now have a chance to create a brighter future for our children and ourselves a future in which we seek god trust in him and are at peace
