the 1 principle of sustainable business success is simpler than you think do the right thing is about how any company can stay true to its soul jim parker s deep and abiding belief in the power of people and culture in building a business of lasting worth is evident everywhere so too is his humility and selflessness as a leader his stories are not about his own achievements which are many but those of the people he led one of the great success stories of our time sean moriarty ceo ticketmaster do the right thing offers insightful views into the culture leadership and decisions that build great companies the right way a must read for my management team this book rocks kent taylor founder and chairman texas roadhouse restaurants the book is a fun read filled with memorable stories that get at the heart of what it takes to lead in a way that simultaneously satisfies employees customers and shareholders jim parker plays the role of eloquent detective and ferrets out the interweaving parts that distributed leadership culture values and teamwork play as the underlying layers of a company s success this is a book about heroes at all levels and the environment needed to create those heroes a must read for today s leaders professor deborah ancona seley

distinguished professor of management and faculty director of the mit leadership center sloan school of management you ll laugh and cry reading jim s book and probably won t be able to put it down it will forever change the way you view the employees in your organization beverly k carmichael member board of directors society for human resource management people matter most you know that but most companies would rather slash costs cut headcount replace well paid employees with lower paid employees or outsourced workers and reduce customer service no wonder so many fail while others focused on doing the right thing remain profitable and growth oriented for decades james f parker shows why doing the right thing isn t just naïve feel goodism it s the most powerful rule for business success parker s stories won t just convince you they ll move you naïve no way in this book southwest airlines former ceo proves why doing what s right is the 1 rule of business success james f parker tells how after 9 11 southwest made three pivotal decisions no layoffs no pay cuts and no hassle refunds for any customer wanting them the result southwest remained profitable and its revenue passenger miles for 4q01 held steady while the rest of its industry nearly collapsed and southwest s market cap soon exceeded all its major competitors combined these pivotal decisions

grew naturally from southwest s culture of mutual respect and trust parker offers deeply personal insights into that culture revealing how those same principles are used by other people and organizations showing you that it s really not that hard to do the right thing why doing what s right is the surest way to optimize and sustain value putting people first honestly for real finding great leaders at every level of the organization hiring for attitude training for skills achieving unprecedented levels of teamwork and fun

global climate change we can stop it addiction to oil we can replace it technological innovation we can create it but we can t wait twenty thirty or fifty years bill richardson launched his campaign for the presidency to remind the american people and their representatives in washington that we know how to get things done we need to end our dependence on oil and we need to do it yesterday this isn t something that s going to happen only in washington or detroit or even hollywood or tokyo it s going to take all of us a united united states we have the opportunity perhaps for only a few years to make dramatic but beneficial changes in the way we run america as leading by example makes clear if we succeed with strong presidential leadership and the support of the american people we will restore america s role in the world a source of moral leadership a source of astonishing technology and a source of optimism to be admired
