Boys' Book of Indian Warriors and Heroic Indian Women 2023-08-16

overview the anthology proud to be writing by american warriors showcases writing from military veterans and their families from across the nation including writing about wwi and wwii vietnam the gulf conflict afghanistan and iraq the books also sponsored a veterans writing competition judge by stellar writers mark bowden black hawk down william trent pancoast wildcat and soldier poet brian turner here bullet and phantom noise the winners and finalists are spotlighted in the front of the book the anthology is the first in an annual series published by southeast missouri state university press in cooperation with the missouri humanities council s veterans projects and the warriors arts alliance the missouri humanities council plans to expand the partnership to include additional organizations that are both concerned and supportive of american veterans

**Proud to be** 2012 general of the armies john j pershing 1860 1948 had a long and distinguished military career but he is most famous for leading the american expeditionary forces in world war i he published a memoir my experiences in the world war and has been the subject of numerous biographies but the literature regarding this towering figure and his enormous role in the first world war deserves to be expanded to include a collection of his wartime correspondence meticulously edited by john t greenwood volume 2 of john j pershing and the american expeditionary forces in world war i 1917 1919 covers the period of october 1 through december 31 1917 during this time pershing focused his efforts on working with the french ministry of war the general staff and the field army on training and equipping the aef s few available combat divisions for frontline service russia s defection from the coalition and the surprising italian defeat at caporetto in october rocked the allied ranks and this volume addresses the creation of the supreme war council and the house s american war mission bodies that reexamined the entente s military and diplomatic strategy and ultimately cemented the alliance the correspondence also reveals how the house mission revived the divisive issue of amalgamating arriving american troops into existing british and french combat divisions something that pershing utterly opposed and saw as a threat to the aef the dispute never resolved and irritated british prime minister lloyd george and french premier georges clemenceau so much that both would try to engineer pershing s removal in the following year extracts from the large volume of rarely referenced cablegrams represent an important contribution to pershing s wartime story

*John J. Pershing and the American Expeditionary Forces in World War I, 1917-1919* 2022-12-20 terry deary tells the terrible truth about fighting men from around the world including roman soldiers greek soldiers vikings samurai and native american warriors

foothold in sicily was led by two of the most noted american tacticians of the twentieth century george s patton jr and geoffrey keyes while patton is the subject of numerous books and films keyes s life and achievements have gone unrecognized but his anonymity is by no means an accurate reflection of the value of his contributions and dedicated service in world war ii and the succeeding cold war patton s tactician the war diary of lieutenant general geoffrey keyes is the first transcribed edition of keyes s personal diary to be published edited by james w holsinger jr the diary begins in october 1942 prior to the invasion of french morocco and keyes s engagement in world war ii and the cold war holsinger has integrated a variety of related sources including correspondence between keyes patton and eisenhower a day to day chronicle of keyes s experiences in the world war ii mediterranean theater and the early days of the cold war in occupied germany and austria patton s tactician is an invaluable primary source that offers readers a glimpse into the mind of one of america s most important world war ii corps commanders

**American Warrior** 2008-01-01 in october 1967 eighteen year old patrick bradley enlisted in the us army and was later deployed to vietnam to map mobile pow camps to determine a pattern for rescuing prisoners combat left him physically and psychologically wounded as it does many veterans and bradley struggled to adjust when he returned home he seemed destined for military prison after an altercation in which he broke a superior officer s jaw but his life changed forever when a psychiatrist recommended a unique path for healing thanks to a program sponsored by the canadian government bradley traveled to canada to study bald eagles and document their behavior he found himself recovering while living alone in the wild with minimal supplies or human contact at the same time his work was paving the way for groundbreaking research including the discovery of a link between the use of the pesticide ddt and a decrease in southern bald eagle populations later he forged a successful career training and managing wild animals and committed himself to helping other wounded warriors by cofounding the avian veteran alliance a nonprofit that pairs veterans suffering from ptsd and physical injuries with injured birds of prey the eagle on my arm tells bradley s inspirational story for the first time this moving account reveals how a soldier became a dedicated healer using his years of study and solitude to face his demons and turn his pain into a lifelong passion for helping others

**Patton's Tactician** 2024-01-16 after graduating from west point in 1892 charles pelot summerall 1867 1955 launched a distinguished military career fighting filipino insurgents in 1899 and boxers in china in 1900 his remarkable service included brigade division and corps commands in world war i duty as chief of staff of the u s army from 1926 to 1930 and

presidency of the citadel for twenty years where he was instrumental in establishing the school's national reputation previously available only in the citadel's archives summerall's memoir offers an eyewitness account of a formative period in u s army history edited and annotated by timothy k nenninger the memoir documents critical moments in american military history and details summerall's personal life from his impoverished childhood in florida to his retirement from the citadel in 1953 from the perspective of both a soldier and a general summerall describes how the very nature of war changed irrevocably during his lifetime

The Eagle on My Arm 2020-10-13 fictional book about a young boy becoming a brave long before the white man discovered america the series leads him into man hood and romance while trying to survive the hard ships of a primitive age

The Way of Duty, Honor, Country 2010-10-29 finalist for the 2014 foreword indiefab book of the year award in the women's studies category bronze medalist 2015 independent publisher book awards in the women issues category winner of the 2015 emily toth award presented by the popular culture association american culture association warrior women considers the significance of chinese female action stars in martial arts films produced across a range of national and transnational contexts lisa funnell examines the impact of the 1997 transfer of hong kong from british to chinese rule on the representation of chinese identities hong kong chinese mainland chinese chinese american chinese canadian in action films produced domestically in hong kong and increasingly in cooperation with mainland china and hollywood hong kong cinema has offered space for the development of transnational chinese screen identities that challenge the racial stereotypes historically associated with the asian female body in the west the ethnic national differentiation of transnational chinese female stars such as pei pei cheng charlene choi gong li lucy liu shu qi michelle yeoh and zhang ziyi is considered part of the ongoing negotiation of social cultural and geopolitical identities in the chinese speaking world

**The Great North American Warrior** 2013-07-04 drawing on his own recollections as well as those of the men who fought beside him bahnsen steps out of his legend to bring the experience of war to life in full unvarnished detail includes 16 pages of never before seen photographs

**Warrior Women** 2014-05-19 this study presents a comprehensive look at a complex man who exhibited an unfaltering commitment to the military and to his soldiers but whose career was marked by controversy as a senior army officer in world wars i and ii lt gen edward m almond lived by the adage that units don't fail leaders do he was chosen to command the 92nd infantry division one of only two african american divisions to see combat during wwii but when the infantry performed poorly in italy in

1944 1945 he asserted that it was due to their inferiority as a race and not their maltreatment by a separate but unequal society he would later command the x corps during the inchoon invasion that changed the course of the korean war but his accomplishments would be overshadowed by his abrasive personality and tactical mistakes this book addresses how almond s early education at the virginia military institute with its strong confederate and military influences shaped his military prowess presented is a thorough assessment of almond s military record how he garnered respect for his aggressiveness courage in combat strong dedication and leadership and how he was affected by the loss of his son and son in law in combat during wwii following the war almond would return to the us to assume command of the us army war college but would find himself unprepared for a changing world this volume asserts that since his death his bigoted views have come to dominate his place in history and undermine his military achievements

Edward M. Almond and the US Army 2019-10-15 a terrific read from a great new author highly recommended brad thor author of full black an american president who will do anything to win reelection an iranian leader who will stop at nothing to bring about apocalypse an ancient evil only waiting to be reborn a balanced narrative thoroughly believable suspense magazine a thriller novel in every sense linda hawley author of dreams unleashed superbly written and researched cyberbookworm wordpress com stephen england has the potential to be this generation s alistair maclean shawn lamb author of the huguenot sword an exciting thrill ride that starts fast and continues until the last page manoflabook com a glimpse into the world of espionage eric swett my writer s cramphigh in the alborz mountains of northwestern iran an archaeological team disappears american citizens are among the missing days later imagery from u s spy satellites reveals detachments of the iranian revolutionary guard corps descending upon the site with the presidential election only months away president roger hancock authorizes a covert cia mission into the mountains of iran their objective rescue the archaeologists and uncover the truth with fifteen years in the clandestine service paramilitary operations officer harry nichols is unquestionably the man for the job he s a tough ruthless veteran operator he s led his men into harm s way time and again for him it s all about the mission it s all about the team he s never seen anything like this before drawn into a web of conspiracy that reaches half way around the world and into the highest levels of the u s government he soon finds that nothing is as it seems the mission itself is suspect his team can no longer be trusted and a misstep means world war pandora s grave was chosen by guyscanread com as the winner of their 2011 independent novel contest

□□□□□□3 2011-10 with the continued expansion of the literary canon

multicultural works of modern literary fiction and autobiography have assumed an increasing importance for students and scholars of american literature this exciting new series assembles key documents and criticism concerning these works that have so recently become central components of the american literature curriculum each casebook will reprint documents relating to the work s historical context and reception present the best in critical essays and when possible feature an interview of the author the series will provide for the first time an accessible forum in which readers can come to a fuller understanding of these contemporary masterpieces and the unique aspects of american ethnic racial or cultural experience that they so ably portray this case book presents a thought provoking overview of critical debates surrounding the woman warrior perhaps the best known asian american literary work the essays deal with such issues as the reception by various interpretive communities canon formation cultural authenticity fictionality in autobiography and feminist and poststructuralist subjectivity the eight essays are supplemented an interview with the author and a bibliography

**Pandora's Grave** 2011-12-04 code talkers and warriors part of the insightful new landmark events in native american history set chronicles native american life during world war ii this impeccably researched and illustrated volume covers issues such as draft resistance on the basis of religion and sovereignty the relocation of native americans to west coast defense plants how the war facilitated assimilationist thinking the transition to post war life and native american contributions to the war effort such as the famed code talkers and iwo jima

**Maxine Hong Kingston's The Woman Warrior** 1999-01-21 in the winter of 1944 1945 hitler sought to divide allied forces in the heavily forested ardennes region of luxembourg and belgium he deployed more than 400 000 troops in one of the last major german offensives of the war which became known as the battle of the bulge in a desperate attempt to regain the strategic initiative in the west hitler s effort failed for a variety of reasons but many historians assert that lieutenant general george s patton jr s third army was ultimately responsible for securing allied victory although patton has assumed a larger than life reputation for his leadership in the years since world war ii scholars have paid little attention to his generalship in the ardennes following the relief of bastogne in advance and destroy captain john nelson rickard explores the commander s operational performance during the entire ardennes campaign through his estimate of the situation the u s army s doctrinal approach to problem solving patton s day by day situational understanding of the battle of the bulge as revealed through ultra intelligence and the influence of the other allied generals on his decision making gives readers an in depth critical analysis of patton s

overall effectiveness measured in terms of mission accomplishment his ability to gain and hold ground and a cost benefit analysis of his operations relative to the lives of his soldiers the work not only debunks myths about one of america s most controversial generals but provides new insights into his renowned military skill and colorful personality

*Code Talkers and Warriors* 2009 posthumously inducted into the national radio hall of fame in 2007 richard durham creatively chronicled and brought to life the significant events of his times durham s trademark narrative style engaged listeners with fascinating characters compelling details and sharp images of pivotal moments in american and african american history and culture in word warrior award winning radio producer sonja d williams draws on archives and hard to access family records as well as interviews with family and colleagues like studs terkel and toni morrison to illuminate durham s astounding career durham paved the way for black journalists as a dramatist and a star investigative reporter and editor for the pioneering black newspapers the chicago defender and muhammed speaks talented and versatile he also created the acclaimed radio series destination freedom and here comes tomorrow and wrote for popular radio fare like the lone ranger incredibly his energies extended still further to community and labor organizing advising chicago mayoral hopeful harold washington and mentoring generations of activists incisive and in depth word warrior tells the story of a tireless champion of african american freedom equality and justice during an epoch that forever changed a nation

*Word Warrior* 2015-08-30 presents myths and legends from the aztecs toltecs mayas and incas

**Video Source Book** 2006 the memories described in this book reflect not only how eleven american presidents remembered what happened to them in their youth but also provide a glimpse into their beliefs attitudes thoughts and feelings these childhood memories can foreshadow historical events during a president s administration even though such events are separated by time and place by examining the early memories of the presidents it is possible to discover how for example abraham lincoln s amusing memory of a boyhood caper provided an unusual perspective on his character and his lasting appeal as a great storyteller how ulysses s grant s memory of a business transaction revealed a hidden vulnerability and how dwight david eisenhower s memory of battling with a barnyard goose influenced his negotiating style as a general and president these and other presidential memories provide both telling and entertaining

insights into the minds and actions of our american leaders

**Warriors, Gods & Spirits from Central & South American Mythology** 1993  
 challenging several longstanding notions about the american way of war  
 this book examines us strategic and operational practice from 1775 to  
 2014 it surveys all major us wars from the war of independence to the  
 campaigns in iraq and afghanistan as well as most smaller us conflicts  
 to determine what patterns if any existed in american uses of force  
 contrary to many popular sentiments echevarria finds that the american  
 way of war is not astrategic apolitical or defined by the use of  
 overwhelming force instead the american way of war was driven more by  
 political considerations than military ones and the amount of force  
 employed was rarely overwhelming or decisive echevarria discovers that  
 most conceptions of american strategic culture fail to hold up to  
 scrutiny and that us operational practice has been closer to military  
 science than to military art this book should be of interest to military  
 practitioners and policymakers students and scholars of military history  
 and security studies and general readers interested in military history  
 and the future of military power

*All the Presidents' Memories: How they Reconstruct the Past, Manage the  
 Present and Shape the Future, Volume I* 2016-03-05 masquerading as a man  
 seeking adventure going to war or to sea for love and glory the  
 transvestite heroine flourished in all kinds of literature especially  
 ballads from the renaissance to the victorian age warrior women and  
 popular balladry 1650 1850 identifies this heroine and her significance  
 as a figure in folklore and as a representative of popular culture  
 prompting important reevaluations of gender and sexuality dugaw has  
 uncovered a fascination with women cross dressers in the popular  
 literature of early modern europe and america surveying a wide range of  
 anglo american texts from popular ballads and chapbook life histories to  
 the comedies and tragedies of aristocratic literature she demonstrates  
 the extent to which gender and sexuality are enacted as constructs of  
 history

**Reconsidering the American Way of War** 2014-05-28 fictional war  
 narratives often employ haunted battlefields super soldiers time travel  
 the undead and other imaginative elements of science fiction and fantasy  
 this encyclopedia catalogs appearances of the strange and the  
 supernatural found in the war stories of film television novels short  
 stories pulp fiction comic books and video and role playing games  
 categories explore themes of mythology science fiction alternative  
 history superheroes and weird war

battle of nuclear creek

**Warrior Women and Popular Balladry, 1650-1850** 1996-01-15 earthman  
clayton drew battles against the martian warlords who would destroy the world in the grand tradition of edgar rice burroughs warrior of mars is the second installment in the clayton drew quartet

Holy Warriors 1976 drawing on psychoanalytic and semiotic perspectives this book examines discourses mediating the global war on terror including governmental speeches legal documents print and broadcast journalism and military memoirs the book argues that these discourses motivate and are motivated by a myth of imminent harm that purportedly justifies a series of preemptive measures such as war torture and targeted killing as well as an array of intrusive domestic security procedures such as profiling and mass surveillance dominant themes include selective compassion in the mainstream media the language of war and the sacrificial sublime asymmetrical warfare and the nostalgia for total war weaponized drones and just war theory and the role of american exceptionalism in normalizing endless war scholars and students alike will take interest in this original contribution to the fields of cultural studies psychoanalysis media studies rhetoric critical international relations and international humanitarian law and ethics

**Encyclopedia of Weird War Stories** 2017-05-31 tracing the american guerrilla narrative through more than one hundred years of film and television this book shows how the conventions and politics of this narrative influence americans to see themselves as warriors both on screen and in history american guerrillas fight small scale battles that despite their implications for large scale american victories often go untold this book evaluates those stories to illumine the ways in which film and television have created reinforced and circulated an american guerrilla fantasy a mythic narrative in which americans despite having the most powerful military in history are presented as underdog resistance fighters against an overwhelming and superior occupying evil unconventional warriors the fantasy of the american resistance fighter in television and film explains that this fantasy has occupied the center of numerous war films and in turn shaped the way in which americans see those wars and themselves informed by the author s expertise on war in contemporary literature and popular culture this book begins with an introduction that outlines the basics of the american guerrilla narrative and identifies it as a recurring theme in american war films subsequent chapters cover one hundred years of american guerrillas in film and television the book concludes with a chapter on science fiction narratives illustrating how the conventions and politics of these stories shape even the representation of wholly fictional imagined wars on screen

*The Beacon 2 - Battle of Nuclear Creek* 2019-05-08 a compelling look at

the public and private life of a nineteenth century radical

**Warrior of Mars** 2015-06-30 through u s president franklin d roosevelt s lend lease program american leaders sought to keep joseph stalin s red army in the field and fighting adolf hitler s forces in the second world war from 1941 forward delivered by the anglo american arctic naval convoys overland through the iranian deserts and mountains and through the skies from alaska to siberia this much needed material aid helped stalin s red army to continue fighting and thereby prevented a separate peace with hitler s germany and a mechanized repeat of the first world war s brest litovsk fiasco yet roosevelt and other u s officials due to their severe underestimation of stalin s character and his rigid and fanatical devotion to exporting communism at gunpoint gambled incorrectly that they could win the soviet premier s heart and mind through several excessive wartime aid gestures including the furnishing of atomic bomb materials to the soviet regime by 1945 american leaders had succeeded in their strategic goal of keeping stalin and his red army in the war and hastening victory but failed in their efforts to purchase the soviet premier s goodwill and commitment to postwar peace heralding the global cold war and setting the stage for later u s martial aid programs to those resisting aggression abroad in addition to its primary focus on the american leadership s perceptions of stalin s strategic importance to the allied war effort in the second world war this work also includes a detailed assessment of roosevelt s soviet lend lease program alongside u s president ronald reagan s later support for the afghan islamic guerrillas resisting soviet occupation during the soviet afghan war of the 1980s and a comparison of both martial aid programs with washington s recent revival of lend lease aid for the ukrainian war effort it offers today s american leaders and policymakers a chance to consult the lessons of history and apply them in the present

**Rhetoric, Fantasy, and the War on Terror** 2020-11-16 this book is open access and available on bloomsburycollections com it is funded by knowledge unlatched this volume presents women warriors and hero cults from a number of cultures since the early modern period the first truly global study of women warriors individual chapters examine figures such as joan of arc in cairo revenging daughters in samurai japan a transgender mexican revolutionary and wwii chinese spies exploring issues of violence gender fluidity memory and nation building the authors discuss how these real or imagined female figures were constructed and deployed in different national and transnational contexts divided into four parts they explore how women warriors and their stories were created consider the issue of the violent woman discuss how these female figures were gendered and highlight the fate of women warriors who live on the chapters illustrate the ways in which female fighters have figured in nation building stories and in the

ordering or re ordering of gender politics and give the history of women fighters a critical edge exploring women as military actors women after war and the strategic use of women s stories in national narratives this intellectually innovative volume provides the first global treatment of women warriors and their histories
