drawing your spouse s friend closer to your family after marriage may be inimically detrimental this is an explicitly written true life story of a young lady s encounter with a man who doubled as her male friend and secret admirer lover he had no gut to tell her because he got no reciprocal gesture but worked underground and remained remotely entangled with gross obsession unless you ve gone through this book or you have a similar life experience or it has happened to someone around you this story may appear like drawing a long bow there are lots of lessons and you will also find out that your kindness to your haters or unknown toxic rival s with envy or jealousy may not stop him them from killing you be it diabolically or any method available to him them the toxic male friend spent years castigating and inciting hatred and violence against the same couple who were his benefactors he knew that what he was doing could lead to subversion of the lady s home life and everything yet he had enthusiastically and rigorously done that and consistently or obstinately so for a decade some called him a chameleon others tagged the ugly incident a toxic male intruder escapade either way it wasn t a pleasant one it s difficult to deal with an eloquent liar but many times his memory had failed him reading through the facts here will probably help him rejuvenate his neurons and subsequently refresh the memory with the candid truth there are many honest opposite sex friends but think twice if a male friend to your
