trieste publishing has a massive catalogue of classic book titles our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that
has stood the test of time the many thousands of books in our collection have been sourced from libraries and private collections around the world the titles that trieste
publishing has chosen to be part of the collection have been scanned to simulate the original our readers see the books the same way that their first readers did decades or
a hundred or more years ago books from that period are often spoiled by imperfections that did not exist in the original imperfections could be in the form of blurred text
photographs or missing pages it is highly unlikely that this would occur with one of our books our extensive quality control ensures that the readers of trieste publishing s
books will be delighted with their purchase our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are
not of the highest quality this process ensures that the reader of one of trieste publishing s titles receives a volume that faithfully reproduces the original and to the
maximum degree possible gives them the experience of owning the original work we pride ourselves on not only creating a pathway to an extensive reservoir of books of
the finest quality but also providing value to every one of our readers generally trieste books are purchased singly on demand however they may also be purchased in bulk
readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates
