A Vision; Reflections of Scriptural Guidance

this book covers from when satan was kicked out of heaven and why he was kicked out of heaven
the real reason to when satan introduced sin into the garden of eden to how that sin grew
into murder and how murder grew into a world that s out of control with every kind of sin you can
imagine this also covers how these chain reactions were started from the first lie off of satan s
lips to donald trump and the united states in bible prophecy and also it tackles bible prophecy
compared to predictions of nostradamus the french astrologer and physician and they all lead to
and point to our white house of today and donald trump our president it s time to wake up and
smell the coffee we are in the evil days and times and we all have a choice we have to make the
most important choice of your life which master will you serve either you are with god or against
god there is no serving two masters that s another one of satan s lies i only hope this
book will help someone out there make a wise choice on which god to serve and why in these days
and times we really need an understanding of god and his word without an understanding of god and
his word we become broken in word broken as people living in a broken world we can at least fix
ourselves through god s word even if we can t fix the world
