a c system recharge how much oil to add ford expedition forum

Apr 29 2023

in doing some reading online some folks said as long as no major components were replaced you shouldn t need to add oil others said add 1 oz if recharging a system from vacuum would it be wise to get an oil charge can with the proper pag oil and add that or have i passed that point

recharging a c on 97 expedition solved ford truck

Mar 29 2023

my 97 expedition with rear a c used 5 cans the exact amount you ll need is on the emissions label under the hood i believe it is 56oz for trucks with rear a c the reason your guess o gauge is sweeping is because the compressor is cycling on and off because your system is either undercharged or overcharged
