How to Get Rich 2011-08-31

making money is a knack a knack that can be acquired and if someone like me can become rich then so can you no matter what your present circumstances here is how i did it and what i learned along the way so writes felix dennis who believes that almost anyone of reasonable intelligence can become rich given sufficient motivation and application how to get rich is a distillation of his business wisdom primarily concerned with the step by step creation of wealth it ruthlessly dissects the business failures and financial triumphs of a south london lad who became rich virtually by accident part manual part memoir part primer this book is a template for those who are willing to stare down failure and transform their lives canny infuriating cynical and generous by turns how to get rich is an invaluable guide to the surprisingly simple art of collecting money which already has your name on it

They Don't Teach You How to Get Rich at School 2015-10-30

sick of hearing the same old advice word hard control your expenses credit card is a no no do not get into debt debunk all those assumptions that you will be rich if you study hard and work hard this book is actually not one of those they don't teach you how to get rich at school is all about the importance of money the premise of the book clearly distinguishes the difference between the thinking of the rich and the poor in essence the only limitation between you and the rich is in your own mind and achieving success lies in breaking these walls at schools you would have been stuck at algebra pythagorean theorem and organic chemistry but you never study financial planning making money or saving money the book provides real life examples to reprogram your thinking to that of the rich and wealthy you can t just graduate and leave formal education and expect yourself to be financially well equipped many people think that having a good education is sufficient to the roads to acquire new wealth well they can t be any more wrong it is having the mindset of the wealthy that will make you rich that is why many lotto winners who becomes instant millionaires loses most of their money because they don't have the proper mindset to maintain or grow their money you ll discover why some of your money beliefs might be wrong and that could be holding you back you need to consider what are the principles and what behaviors the rich have that you do not have yet laura maya takes this idea and breaks it into twelve chapters you wouldn t find a recipe to turn rich overnight rather the book provides a solid foundation for setting the psychological stage for strong financial habits another feature of they don t teach you how to get rich at school is the anecdotal references in the book laura likes to use lots of anecdotes to illustrate her points and she is guite good at it for me i found these references very apt to my observations in life what s inside they don t teach you how to get rich at school the book is divided into twelve chapters chapter 1 how you think about money really matters chapter 2 they don t teach you how to be rich at school chapter 3 myth or lies which is true chapter 4 learn how the rich think to become wealthy chapter 5 wealth empowering beliefs chapter 6 change your money mindset with neuro linguistic programming chapter 7 change your money mindset with hypnotherapy chapter 8 break free from ego chapter 9 strategies for improving your chances to get rich chapter 10 let money begets money chapter 11 developing your money making skill mental emotional and financial intelligence the premise of this book is straightforward rich people are programmed to think differently essentially there are 18 ways in which rich people and poor people think differently this chapter walks you through these 18 points clearly differentiating how rich and poor people think studying hard getting nice grades and getting a job is not enough to be rich that s one lie which we have been fed with since our childhood there is a difference between scholastic professional and financial education the book further analyzes the root cause of why you are not rich it all boils down to your education you were never taught about how to be rich at school forget that you never even learned personal finance or how to handle money it further touches upon how you can get smart with personal finance

The Science of Getting Rich 2015-11-28

How to Get Rich on Other People's Money 2007

with expenses threatening to overtake income its no wonder the financial future for many looks bleak making more money is the only way out this book shows you how to get it multiply it and keep it with creative strategies to help you reach beyond survival mode the 3 simple steps to living an amazing life how to avoid retiring with an empty wallet learn insider secrets how to master the property game why you don't need to cut up your credit card are you investing in the shoe or the athlete

Using Other People's Money to Get Rich 2010

Saving Money Won't Make You Rich 2007

this book will not make you super filthy rich like bill gates it s more about becoming a common garden variety rich wealthy enough that you don t have to worry about the price of anything you buy anymore this book will teach you how to accumulate enough money to retire or only work three days a week or drink every night if that s how you wish to spend your time becoming rich is heroism but a different sort of heroism than someone who nurses orphans or fights against tyranny in prison few people are willing to do those things but everyone wants to be rich and nobody not even the staunchest marxist would refuse ten million dollars it is a prestige based on common human envy how rich is rich it s not based on the amount of money thanks to inflation over time but purchasing power because of the capital gains tax and other levies it s difficult to find the actual total asset value of a person needing an army of financial advisors to determine your wealth for you is a nice problem but it s a problem nonetheless it only matters when you re inheriting wealth because if you don t have a legally enforceable will the taxman can take out a great deal of your estate before bequeathing it to you getting rich does not guarantee happiness but brings about stresses and miseries of its own

this powerful entrepreneurial blow your mind book is an incredible ground breaking work of discovery on financial empowerment it gives you the keys to pulling many out of poverty and also gives valuable insights into the ways you can create your financial independence by looking through the illuminating lens of the seven bible parables of wealth you would learn the steps you must take and what you must do to come out of a system and culture that hold the poor down and become financially successful in life through the processes of money making and management problem solving and value chain and wealth creation this book is bound to challenge your situation unleash your creative hunger and energy and endow you with the quickening faith that lays hold onto the good beautiful and excellent life christ made freely available to all believers

Summary 2018-05-19

Why the Rich Get Richer, Why the Poor Get Poorer 2021-11-03

think and grow wealth is an absolute must have for any entrepreneur or small business owner how do entrepreneurs take their ideas and turn them into thriving businesses we will show you how do the wealthy get wealthy and stay wealthy we will show you that too if you ve read other business books and had trouble figuring out how to apply the lessons into your daily life giving you the success you have always dreamt of then this is the book for you

The Billionaires Secret: How the World's Wealthiest People Get Rich and Stay Rich with Preferred Securities 2020

whatever may be said in praise of poverty the fact remains that it is not possible to live a really complete or successful life unless one is rich no man can rise to his greatest possible height in talent or soul development unless he has plenty of money because to unfold the soul and to develop talent he must have many things to use and he cannot have these things unless he has money to buy them with there is a science of getting rich and it is an exact science like algebra or arithmetic there are certain laws which govern the process of acquiring riches once these laws are learned and obeyed by any man he will get rich with mathematical certainty the ownership of money and property comes as a result of doing things in a certain way those who do things in this certain way whether on purpose or accidentally get rich while those who do not do things in this certain way no matter how hard they work or how able they are remain poor this book teaches you those certain ways of getting rich immediately

Think and Grow Wealth: How the Poor Get Rich and How the Rich Get Wealthy 2018-09-09

goals for the smart the mistake most people make every day is assuming that success is the product of hard work and consistency we can agree with the latter but hard work does not guarantee wealth hard work will pay the bills give you some comfort but it won t make you wealthy the most unfortunate part of working hard is you have to keep working in order to make money the rich get richer and the poor remain poor this is because the two groups involve in different activities every day these activities shape their lives in different ways while the poor man is trying to eat by looking for means to work and get paid the rich is thinking of a way to get richer by implementing and creating ways to make more profit the rich is a god over his business he doesn t work but make the decisions meet the connects and pay himself first before paying the people that work for him the price he paid to get to this position is nothing but smartness this was a choice he made long time ago he chooses to learn and accumulate knowledge relevant to creating influence in his field rather than becoming professional the concept of accumulating riches is not just about acquiring specific knowledge and developing yourself to be a master it is also about having the social intelligence and diligent to be able to command and put into place all the necessary ingredients to bring your idea into substance the smart this book contains several steps and blueprints that have worked for modern entrepreneurs to acquire wealth with minimum amount of money and education you will also discover the in depth secret for social smartness the modern success scheme for 21st century money makers how to measure a specific success and the double down strategy how to be extremely relevant and get paid for it and many more if you want to discover the new ways of accumulating success in your daily life this book is for you
