God is Said to do that which He Only Permits 2015-12-04

it is usual in scripture to attribute to the supreme power acts which are virtually those of his instruments and which he merely permits charles edward fraser tytler many false charges have been leveled at god by his critics atheists agnostics satanists etc due to misreading the bible part of the problem has been the failure to understand the idiomatic language used in the ancient near east especially among the hebrew people from which our god inspired scriptures have their origin this failure has led to more misunderstandings about god and his inspired word than we can attest to while the hebrews had numerous idioms i am fully persuaded that the most neglected one among theologians and bible translators has been what i prefer to label as the permission idiom this is the idiom that as we will learn in this study scholars tell us is one in which god is said to be the cause of that which he merely allowed or permitted or did not prevent from happening may the lord use this book to help you understand him and your bible better

Progressive Creation and the Struggles of Humanity in the Bible 2018-03-22

why does the christian walk often feel like an ongoing struggle and why does god's creation include imperfection let alone forces that are intent on thwarting god's creative work in seeking a response to these questions this book argues that the biblical accounts describe creation in terms of a progressive transformation process whereby the initially incomplete created order will reach perfection only in the fulfillment of new creation the following discussion then outlines a comprehensive framework for the biblical theology of humanity's struggles centered on three key themes corporeal temptation deficient social structures and the much debated notion of spiritual warfare the book presents an overarching canonical narrative that threads together a series of diverse biblical topics from job's temptation to the atonement the final part surveys biblical teaching on how human conduct can be aligned with god's creative purpose and discusses three assignments from jesus to believers to celebrate the eucharist to pray the lord's prayer and to fulfill the great commission

HOW TO USE GOD'S LIFETIME WARRANTY IN YOUR MARRIAGE

2014-08-28

the idea to write fictional letters to marital couples on how to use god's lifetime warranty on their marriages came into being in the process of a sermon preparation as a guest pastor for a local church in november 2011 i prayed about which message to deliver for many days about two days before sunday i had a dream that a young lady participated during my sermon after the sermon her family greeted me well and said i made her speak in public for the first time and i gave her the encouragement that she needs for the rest of her life then i woke up on the actual sunday service during the sermon i asked the congregation how many of them had a dog or a cat a young lady a 17 year old said she had a cat i asked if she ever took her cat for a walk she said no i asked why not she replied nobody does then i said people take their dogs for walks but this does not mean that dogs are more important or better than cats cats have their own usefulness god who created us knows that we are not the same and that we cannot function in the same way one should not be boasting that s he is better than the other after the service the grandfather of the cat owner who spoke during my sermon and her aunt came to me and thanked me for the opportunity given to the young lady to talk for the first time in public which would enable her to express herself publicly when i was praying at home after the sermon i had the feeling that god wanted me to tell people to try out what seems to be unusual for them it has been my concern for many years that many couples don't take their wedding vows seriously it is affecting children a great deal many children have two or three stepparents those children without stepparents seem to be the odd ones among their peers in canada about 50 of first marriages may likely end up in divorce one may presume that the rate of divorce in second marriages would be lower but instead it is higher at 72 while third marriages have the highest divorce rate of 85 comparative annual divorce rate in canada similarly in america the first marriage divorce rate ranges from 41 50 second marriage divorce rate is between 60 67 and third marriage is between 73 74 information on divorce rate and statistics this book is fictional the stories are not real stories they are about my past experiences with heterosexual couples in my counseling or pastoral care i do not have a particular person or couple in mind no names in the book are real names if anybody's name or any couples have the same names as used in the book i would like them to know that i am not telling their particular story or using them as an example the holy spirit inspired the writers of the bible stories instructions messages and the same holy spirit is still talking to us today i believe i was inspired to write the book i will encourage anyone or couple whose story or stories are similar to what's in the book not to be too critical but to take it the book as a means through which god is speaking to them to change no marriage is too bad that god cannot change for better don't fold your arms and accept your troubled marriage as a done deal i will advise the readers to call upon the author of marriage god through jesus christ to fix their marriages he is able since the idea of letter writing is becoming obsolete one may be wondering why letters to marital couples and not email text or any other modern means of communication letter writing is an old form of communication which is to inform correct and educate in the new testament there are many letters written by paul the apostle and others to individuals and churches to deal with issues circumstances and problems faced by the recipients we never read about their responses or their initial letters to the apostles similarly only letters written to the couples are featured in this book most of the letters in this book are long term correspondence with the imaginary couples the objectives of the letters are to 1 encourage couples not to give up on their dream of having a successful marriage and to continue fighting until the victory is won 2 enable the counsellors pastors to keep their counselees hope alive as long as they are still interested in counselling 3 help families and friends to keep on supporting the couples in crises note that some of the letters end with prayer while some didn't the idea is we don't have to impose prayer on people praying with people is as important as praying for people in absentia we need permission to pray with people but we don't need permission to pray for people while they are not there in both my pastoral and counselling ministries the most prevalent issues are marriage and family matters this book thus serves as a handbook to help couples in crises or prevent couples from getting into a marital mess it can be used in marriage enrichment groups or as a counsellor pastor's handbook the group leaders counsellors or pastors should not use the book as a weapon of judgment against anyone but as a means of correction and education the book is calling people who just want a family and not a marriage many couples lose love in their marriages love is the greatest gift god gives to people but many people do not accept it they choose anger instead of peace or love from god the book is calling the readers who are making wrong

is america the next missionary graveyard or is it ripe for spiritual revolution the statistics seem grim every year the decline of christianity continues at a rapid pace especially among young adults churches across the country are closing their doors dying or are being adopted by nearby larger churches what is the story church leaders hear we've lost the next generation but this decline in religious affiliation has not made us less spiritual young adults are still asking questions that only faith or religion can fully answer questions are like seeds buried in the rich dark soil of our hearts nurtured with oxygen and water they unfold into that which they were meant to become absent these conditions they wither in the dark those most resistant to christianity are those whose questions did not receive oxygen in their faith communities while they were children and teenagers not a hopeless case is the story of questions the questions of young adults about faith and spirituality young adults who are lost and want to be found and the questions of pastors who seek to find them

God's World and Our Place in It 2003

the divine intervention of god in human triumph many of us may not be aware of how divine interventions work to change adverse circumstances surrounding our lives it seems to me that god who created us in his own image also continues to shape the events in our lives the author of this book is rev james abolarin who by the grace of christ has overcome many odds in this world each year of his life tells a different story of how god has helped him to overcome adversities the lord has made him an asset in the body of christ as he wants to teach you how to fight and succeed as you go through the journey of life he has found out that it is never the will of god that believers live their lives defeated but instead they should be more than conquerors in christ jesus every new year possesses enormous challenges to many of us in this world these challenges are very real and unavoidable if anyone thinks that eluding these challenges will make life easier such an individual is living in a fantasy land jesus came to this world he was confronted with challenges being the lord and the creator of the universe he is the image of the invisible god the firstborn over all creation for by him all things were created things in heaven and on earth visible and invisible whether thrones or powers or rulers or authorities all things were created by him and for him he is before all things and in him all things hold together and he is the head of the body the church he is the beginning and the firstborn from among the dead so that in everything he might have the supremacy for god was pleased to have all his fullness dwell in him and through him to reconcile to himself all things whether things on earth or things in heaven by making peace through his blood shed on the cross colossians 1 15 20 the incarnation of jesus as god in human flesh was to send the message of god s divine intervention in the affairs of men in order to set things straight in our lives this has been part of god s plan for the world when he spoke to abraham many times emmanuel in the book of matthew 1 means god is with us it demonstrated a new era of god s willingness to save the oppressed over several years in my ministry i have come face to face with many challenges that have dented my life both positively and unfortunately negatively as well however enlisting christ in my battles in life has made all things work the best for me without regret i live with full assurance of a better tomorrow and not in despair because of the confidence i have in christ as a christian according to the book of romans 8 28 all things work together for good just read the verse below and we know that all things work together for good to them that love god to them who are the called according to his purpose those who are not spiritually enlightened are often argued against god s divine interventions because their spiritual eyes are darkened i have learned many lessons through life challenges and have grown tremendously in experiences because of these challenges during my ups and downs in life i have seen a lot of miracles i am a prayerful man and i am always hungry for the truth for example my wife and i just returned from a deeper life convention of 2012 we were richly blessed from all the messages we heard especially

those that were pungently delivered by our father in the lord rev w f kumuyi in fact we came back to the usa fired up to do more exploit for christ this year we have unwavering conviction that this year will be the beginning of a new thing in our ministry upon returning to the united states the first sunday worship was very good people were happy that we came back safely and they clapped their hands for jesus christ i always consider it an honor when people appreciate their ministers in such a way the challenge is how to deepen their love for christ this year so they can do t
