synopsis

in their new collaboration celia genishi and anne haas dyson celebrate the genius of young children as they learn language and literacy in the diverse contexts that surround them despite burgeoning sociocultural diversity many early childhood classrooms pre k to grade 2 offer a one size fits all curriculum too often assessed by standardized tests in contrast the authors propose diversity as the new norm they feature stories of children whose language learning is impossible to standardize and they introduce teachers who do not follow scripts but observe assess informally respond to and grow with their children among these children are rapid language learners and those who take their time to become speakers readers and writers at child speed all these learners regardless of tempo are often found within the language rich contexts of play newly updated to include information for the uk the carrot principle illustrates how ordinary organizations have made themselves extraordinary through the use of strategic employee recognition the authors show how great organizations and great managers succeed through living the carrot principle featuring case studies of effective recognition in some of the world s most successful organizations such as dhl avis pepsi etc and demonstrating how recognition has led to improved employee commitment and bottom line results

in these companies the book also shows how a carrot culture is not created by the ceo senior leadership team or hr department but manager by manager the book provides examples of leaders from around the globe who lead through the carrot principle providing plentiful how to s for managers wishing to get started or hoping to enhance their recognition abilities overall there has never been a book in the recognition or motivation space that has had this type of quantitative or case study support this book is about the south african amnesty process many of the most well known cases are investigated the content of many of the amnesty decisions are investigated to see how the amnesty committee applied the amnesty law and whether the decisions were fair and consistent from the authors of the smash bestseller the carrot principle comes an inspiring and lively page a day guide to harnessing the remarkable power of the carrot taking yourself and your team to new heights of success in work and life based on their twenty years of experience teaching leaders at fortune 100 companies as well as one of the largest research studies ever conducted on workplace satisfaction gostick and elton share a wealth of wisdom about simple but amazingly effective ways to boost your productivity and work satisfaction by setting clear goals communicating effectively building trust and offering recognition in ways that make others feel appreciated and motivated each engaging page of the daily carrot principle features a core kernel of wisdom enlivened by thoughtful and witty quotes from the likes of thomas edison rosabeth moss kanter jim collins and oprah winfrey plus a bonanza of insights from standout managers and employees the authors have studied an easy to implement carrot action ends each page providing the simple steps to begin applying this wealth of wisdom immediately whether you are a business leader team member student mom or dad or anyone hoping to achieve more in your life this book will be an inspiring and practical guide to unleashing your hidden potential and leading a richer life interchange fourth edition is a four level series for adult and young adult learners of english from the beginning to the high intermediate level the interchange fourth edition interleaved spiral bound teacher s

The Preserving Answer Book 2021-03-02

after years of being drivern forward by fear and intimidation troops aren t willing to fight the battle anymore they re leaving the ranks to join a growing number of recruits at firms that lead with carrots say nationally renowned employee recognition experts adrian gostick and chester elton in this companion volume to their successful managing with carrots gostick and elton present a remarkable story of how a great leader can unleash human potential creating success in either good economies

or bad providing strategies and solutions for the managers of today this book offers answers for improving employee commitment and profitability through strategically acknowledging employee effort how is it done the answer is deceptively simple with carrots plentiful examples show how to choose the right reward for each employee how to time the giving of a reward to motivate performance how to effectively present rewards when to give praise in private and when to make it a public celebration and how to motivate employees to work harder and work smarter with the company s goals in mind

The 24-Carrot Manager 2002

in a world driven by ambition success and the relentless pursuit of happiness we often find ourselves feeling like donkeys chasing a carrot dangled in front of our noses this metaphor captures the essence of our daily lives as we strive to attain the promises and rewards that society lays before us we become ensnared in a cycle of craving forever reaching for that elusive carrot hoping it will bring us fulfillment and contentment this book chasing carrots navigating the allure and pressure of societal expectations is an exploration of the myriad ways in which society shapes our desires aspirations and behaviors it delves into the subtle and not so subtle forces that drive us to pursue certain goals often at the expense of our authentic selves we live in a world where consumerism social media validation and the fear of missing out have become ubiquitous the pressure to conform to cultural norms achieve ever higher levels of education and climb the corporate ladder can be overwhelming we are bombarded with messages that tell us happiness lies in material possessions external validation and the constant pursuit of success but is this really the path to fulfillment are we truly content when we re constantly striving for more when we re forever chasing that next carrot whether it s a promotion a new gadget or a fleeting moment of social media fame in the pages that

follow we will embark on a journey to uncover the reasons why society exerts such a powerful influence over our lives we will examine the subtle ways in which societal expectations shape our thoughts decisions and actions through stories research and reflection we will seek to understand the impact of these forces on our well being and sense of self chasing carrots is not a book that offers quick fixes or easy answers instead it invites you to question the narratives that surround us and encourages you to find your own path to a more authentic and meaningful life it is a call to awareness a reminder that we have the power to choose our own values desires and aspirations as we embark on this journey together let us remember that the pursuit of happiness should not be reduced to a relentless chase after an ever receding carrot it should be a quest for a life that reflects our deepest values fosters genuine connections and nourishes our inner selves may this book serve as a guide a source of reflection and a catalyst for change as we navigate the complexities of modern society and strive to live lives that are truly our own with curiosity and compassion charles nehme
