2017 when are the key factors in determining your academic success whether you are at the high school or university level i believe there are four they are note taking taking good notes is the key to organizing and learning the required information i m always amazed at how many university students can t take good notes speed reading there are different techniques that can be used to increase your reading speed obviously the faster you read with comprehension the more you can learn in less time memory no matter what subject you are trying to master you have to commit the information you ve learned to memory there are many memory techniques you can use to make this easier which i cover here test taking once you have learned the material you need to prove it to the teacher usually by taking a test how you approach taking a test can be just as important as what you ve learned if you want the best possible result as i consider these subjects to be the most important i have written short and practical guides on each of them this book is a compilation of those guides that you can have at a greatly reduced price our academic lives are often a great predictor of our future success what s more these skills once learned can be applied to many other areas of your life once you are out of school if you want to put yourself onto the fast lane on the road to success get this book and start learning today

**PRAXIS 1 Study Guide** 2013-07-30 many people dont take the bible off the shelf and open it up and read it because they say they dont understand what it says when you study the bible with this book even if you havent ever read or studied the word of god before it will help you get a little basic knowledge in the word of god i wrote this study guide for people who have just got saved or for young people when anyone uses the expositors study bible along with this study they will find some of the answers are in the commentary part today there are many study guides out there that provide some help for you but this study guide breaks down every chapter in the first five books of the bible i will give you a sample in this study guide it is not just called the law but also the tora and the pentateuch so i hope you find this study to help you learn the first five books of the bible and maybe you can use it to teach others who want to learn more about the bible
