i d like you more if you were more like me takes on one of life s most important questions how can i get closer to god and other people we were created for deep connections when people have deep connections says john ortberg they win in life when they don t have deep connections they cannot win in life i d like you more if you were more like me offers help in overcoming one of the biggest obstacles to making deep connections the fact that we re so different different from god and different from each other the good news is that connectedness is not based on similarity but on shared experiences when one person invites another to share an experience they re connected it can be sharing a beautiful sunset or a meal having a great conversation over cup of coffee going for walk or even teasing somebody and when we share those same experiences with god we get closer to him too god wants to connect with us so much that he sent his son to live as a human being god took on flesh and shared every human experience so we don t have to wonder what a close relationship with god looks like anymore an intimate relationship with god and other people doesn t have to be a cliché it can be a daily way of life

This is a work full of fiction, drama, and romance. When I was young, I used to imagine that I would die being an old lady with the love of my life next to me, a marriage with my children, the life that you believe is ideal and dream of, but what if something in your life happens that makes you change the way you think? The way you believe existence is, though I have to admit when my life changed unexpectedly, a new one began and made me see how, in fact, life and death are not so different from each other as I used to think.
