

read many such questions every day make one aware of a vast mass of people earnest hungry for happiness and groping as if in a fog the things they most need to know they are not taught in the schools nor in the newspapers they read nor in the church they attend of these agencies the first is not entirely competent the second is not entirely honest and the third is not entirely up to date nor is there anywhere a book in which the effort has been made to give to everyday human beings the everyday information they need for the successful living of their lives

read the story of life to discover why how life exists the meaning purpose of life why when life will end what you need to do now why how eternal life exists the story of life this book explains the story of life from beginning to end thoroughly revealing the meaning and purpose of life moreover a timeline is provided for the major events that compose the story of life this author has been aware of the story of life for about forty years and shared it only a few times during that period while this author still feels unworthy of sharing the story of life the story of life has been revealed to him and he is now at an age where any more delay in sharing the story of life might mean that he never publicly shares it please do not confuse the messenger with the message examine the story of life on its own merits chapter one starts before time begins god was alone shares some of the nature of god shares some of the nature of evil shares some of the nature of reality chapter two shares how god planned to add to himself shares how when and why time began shares how god doubled himself shares information on the host of heaven chapter three shares about the son of god shares about life within life shares about life from outside life the purpose of life truth demands knowledge chapter four the timeline of life life existing within god the nature of the universe adam and eve noah s ark the chosen people of god jesus the son of man the false armageddon saints and believers persecuted the two prophets of god satan cast out of heaven battle of armageddon anti christ cast into the second death jesus rules the earth for 1 000 years satan returns and is defeated satan is cast into the second death the new jerusalem the last judgement chapter five related biblical quotations from the old testament from the new testament chapter six the book of revelation epilogue this book was written in jerusalem israel in 2018 details are still being revealed and some updates will be necessary however the basics are reliable and true and have not changed for many years those who are able to see beyond the shadow and lies of their culture will never be understood let alone believed by the masses plato nations around the world are experiencing a spectacular increase in longevity society as a whole is being challenged by issues arising from this revolution in longevity although the specter of the loneliness and existential suffering of older citizens is such that some people under the age of 65 find it difficult to conceive of a long term future persons over 85 have proven that aging does not necessarily preclude a healthy and productive life extraordinary progress in both curative and preventive medicine justifies optimism about the quality of life and state of well being that can be enjoyed even in great old age we should look to professionals in diverse fields to develop creative solutions to the inevitable issues that will arise with aging governments must prepare for the future health of their citizens by

making long term investments to educate all sectors of society in the value of good nutrition exercise and lifestyles that enhance well being throughout life also governments should realize that the main cause of health care expenditure is serious illness which occurs in persons of all ages and not predominantly in older people early detection can help save lives as well health and longevity of life will ultimately end as a political issue what is needed is long term government investments necessary for a viable health policy the question arises will world leaders be able to commit to such a policy two major socioeconomic phenomena may have a regulating effect on this issue the first is the emergence of pressure groups that have come into being in response to a particular health issue such as aids the second is the emergence of ethics committees in developed nations that deal solely with health issues in the book of life universal truths for a new millennium readers of all ages will be treated to a daily journey of contemplation and illumination about living life in a new millennium as the path unfolds universal truths are interwoven with modern questions that provide for all a healthy journey to wholeness each chapter carries us forward on a current of perennial wisdom as we explore the impact of universal truths on daily life in the 21st century each topic affords us questions upon which to meditate as we reclaim our personal power and discover our true reason for being on this earth the journey of our life is a miraculous adventure of magic and mystery by applying the wisdom found in the book of life your authentic self will emerge this will allow you to share your personal brilliance with the world light up your life and the world around you with the principles in the book of life the book of life is destined to be a classic text of spiritual unfolding and exploration it is a book that will be passed from hand to hand in love and hope as it is shared with loved ones around the world it is a book where the message of universal truth will spread by word of mouth as we embrace the potential illumination of our life read the book of life each day and watch the miracles of your journey unfold right before your eyes

 unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy life magazine is the treasured photographic magazine that chronicled the 20th century it now lives on at life com the largest most amazing collection of professional photography on the internet users can browse search and view photos of today s people and events they have free access to share print and post images for personal use off grid life

the first translation ever into english of this underground classic of the italian renaissance marsilio ficino s book of life was once supressed for ficino s approach to images daemons and planets in relation to health the book in this fluent amusing and exact translation by charles boer is a guide to food drink sleep mood sexuality song and countless herbal and vegetable concoctions for maintaining the balance of soul body and spirit a fouding text of archetypal psychology it has long been an important source for image oriented thought a thought provoking guide to one of the greatest questions we will ever face what is the meaning of life

what is life all about what wisdom and life lessons have you learned what are the enduring essential truths and treasures of life that you must share and pass on to your children family and friends a fatheraeur tm s intention is to leave a rich legacy of love to his own family by providing solid and simple instructions and meaningful answers to lifeaeur tm s most important questions he ambitiously begins to layout the basics of finding lasting purpose meaning and direction in life when he realizes that this is much more than just a personal project his book became a mission to bring a message of truth to anyone who dares to read it this foundational journey of life and faith tackles some tough subjects heaven and hell life and death there is also a curious character an alter ego who persistently poses questions commonly asked by critics and skeptics of christianity using candid personal experiences and creative illustrations the author seeks to establish common ground with fellow travelers where have you been on life s journey where are you headed

a collection of literature to educate inspire and transform lives whether you are looking at strengthening your relationships discovering your true potential understanding how to do well at work or even how you can give back to the world this book will take you on an unforgettable journey with precious insights on these areas of life the theory of life distils his experiences and lessons about life into a light hearted thought provoking book that will help you align yourself with the life you want to live

the book of life reveals the manifest wisdom of god that shall bring wise men to their knees not by his power not by his might but by his spirit witness the untold mysteries of heaven and earth the father and his beloved son and the holy ghost that created everyone and everything everywhere jesus christ who is alive and in heaven home is where the heart is and the heart is the spirit of god that dwells within us all let freedom ring the book of life is an art book that summarizes what are the opportunities humans have and can aim for in life it s a reminder of heaven and a guide to get there it is an art book that assembles important concepts and values that can help us live together on a planet that us humans must shepherd it recounts the journey of a schizophrenic that never gave up and made it good building a life finding financial autonomy and starting a family another example

proving that everyone can make it the book of life was predicted in the bible 2000 years ago described in the book of revelations it is for us all a reminder of god at the start of the 3rd millennium after jesus christ a symbol of his continued presence that he has always been with us and will always be the book of life will make you believe in magic and empower you to make a difference by guiding you to a simple life full of meaning which is the true measure of a life well lived life magazine is the treasured photographic magazine that chronicled the 20th century it now lives on at life com the largest most amazing collection of professional photography on the internet users can browse search and view photos of today s people and events they have free access to share print and post images for personal use in the book of life universal truths for a new millennium readers of all ages will be treated to a daily journey of contemplation and illumination about living life in a new millennium as the path unfolds universal truths are interwoven with modern questions that provide for all a healthy journey to wholeness each chapter carries us forward on a current of perennial wisdom as we explore the impact of universal truths on daily life in the 21st century each topic affords us questions upon which to meditate as we reclaim our personal power and discover our true reason for being on this earth the journey of our life is a miraculous adventure of magic and mystery by applying the wisdom found in the book of life your authentic self will emerge this will allow you to share your personal brilliance with the world light up your life and the world around you with the principles in the book of life the book of life is destined to be a classic text of spiritual unfolding and exploration it is a book that will be passed from hand to hand in love and hope as it is shared with loved ones around the world it is a book where the message of universal truth will spread by word of mouth as we embrace the potential illumination of our life read the book of life each day and watch the miracles of your journey unfold right before your eyes life magazine is the treasured photographic magazine that chronicled the 20th century it now lives on at life com the largest most amazing collection of professional photography on the internet users can browse search and view photos of today s people and events they have free access to share print and post images for personal use

each of us struggles with the existential questions of meaning purpose and responsibility in the meaning of life the dalai lama examines these questions from the buddhist perspective skillfully guiding us to a clearer understanding that can li in my observation of lives around me i often wonder what happened there i imagine what that person might have done to contribute to the success or failure of their own life usually a life attracts my attention because of its exceptionality for good or for bad over time i have come to see that many people seem to wander through life just to wake up one day usually at about middle age and realize that their life had happened while they were not looking this is a clarion call and encouragement to consciousness and deliberateness in living the life one would be proud of in the end it is also a summary

of the lessons i have learned from my own experiences or from books and other resources i have used in my quest for answers on the subject of life the chapters are arranged based on the different stages and aspects to point out signposts road junctions and time lines that the reader can expect to navigate on the journey of life it is to bring consciousness to the consideration and planning that the different aspects of life need for your own particular journey the book must not be read in a particular sequence you can read particular chapters or aspects as required by your particular stage situation or need for counsel at different times different chapters will be more applicable and enlightening for different readers at different times it could be growing up and career building time for some marriage and parenting for others it might be about maneuvering middle and old age for yet another in the end no one can control all aspects of life all the time but you can be awake and write your own story by making things happen instead of just waiting and watching them happen accepting whatever life brings make your life happen this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

in my observation of lives around me i often wonder what happened there i imagine what that person might have done to contribute to the success or failure of their own life usually a life attracts my attention because of its exceptionalitfor good or for bad over time i have come to see that many people seem to wander through life just to wake up one day usually at about middle age and realize that their life had happened while they were not looking this is a clarion call and encouragement to consciousness and deliberateness in living the life one would be proud of in the end it is also a summary of the lessons i have learned from my own experiences or from books and other resources i have used in my quest for answers on the subject of life the chapters are arranged based on the different stages and aspects to point out signposts road junctions and time lines that the reader can expect to navigate on the journey of life it is to bring consciousness to the consideration and planning that the different aspects of life need for your own particular journey the book must not be read in a particular sequence you can read particular chapters or aspects as

required by your particular stage situation or need for counsel at different times different chapters will be more applicable and enlightening for different readers at different times it could be growing up and career building time for some marriage and parenting for others it might be about maneuvering middle and old age for yet another in the end no one can control all aspects of life all the time but you can be awake and write your own story by making things happen instead of just waiting and watching them happen accepting whatever life brings make your life happen
