Thirty-One Brothers and Sisters 2012-04

brothers and sisters are so much a part of our lives that we can overlook their importance even scholars of the family tend to forget siblings focusing instead on marriage and parent child relations based on a wealth of family papers period images and popular literature this is the first book devoted to the broad history of sibling relations spanning the long period of transition from early to modern america illuminating the evolution of the modern family system siblings shows how brothers and sisters have helped each other in the face of the dramatic political economic and cultural changes of the eighteenth and nineteenth centuries the book reveals that in colonial america sibling relations offered an egalitarian space to soften the challenges of the larger patriarchal family and society while after the revolution in antebellum america sibling relations provided order and authority in a more democratic nation moreover hemphill explains that siblings serve as the bridge between generations brothers and sisters grow up in a shared family culture influenced by their parents but they are different from their parents in being part of

the next generation responding to new economic and political conditions they form and influence their own families but their continuing relationships with brothers and sisters serve as a link to the past siblings thus experience and promote the new but share the comforting context of the old indeed in all races siblings function as humanity's shock absorbers as well as valued kin and keepers of memory this wide ranging book offers a new understanding of the relationship between families and history in an evolving world it is also a timely reminder of the role our siblings play in our own lives

Sibling Rivalry 1994

this ground breaking work lays the foundation for a new psychological perspective on the brother sister relationship lara newton explores the psychological meaning of the brother sister connection in all its variety both externally in the world of interpersonal and cultural relationships and internally in the relationship between conscious and unconscious masculine and feminine working with brothers and sisters in fairytales myths and true life stories the author describes a psychological experience of union with and faith in one's own inner life which evolves when we face the challenge of integrating the archetypal brother sister pair because we focus so automatically on child parent relationships we frequently miss the developmental character building and life sustaining significance of brother sister bonds this book corrects this oversight and provides us with a rare opportunity to understand in deeper ways the mystery of human relationship and the redeeming joy of companionship

Sisters and Brothers 2008

this is a reproduction of the original artefact generally these books are created from careful scans of the original this allows us to preserve the book accurately and present it in the way the author intended since the original versions are generally quite old there may occasionally be certain imperfections within these reproductions we're happy to make these classics available again for future generations to enjoy

Brothers and sisters 2007

sibling rivalry will never look the same again in this fascinating collection of true stories a woman who gave birth to a baby for her sister brothers who fought each other in the supreme court over the family farm two sisters who survived auschwitz together one convincing the other to choose life over death a famous actress and her not so famous sister five loving siblings of whom four are adopted from different racial backgrounds these are some of the brothers and sisters who illustrate the high high drama and low comedy of sibling relationships in revealing interviews with author joan sauers the nature and causes of sibling rivalry as well as the sibling bond are explored in this fascinating collection of true stories as unusual and as varied as they are however these relationships are also in many ways universal even the experience of being an only child is illuminated sauers also provides an opportunity for the reader to discover more about his or her own sibling relationships with a tear out questionnaire sometimes sad often hysterically funny brothers and sisters is a book for everyone and especially for those who still have argument

Siblings 2011-08-11

examines one of the most influential human bonds by detailing personal accounts of sibling relationships and setting them against the analytic views of psychologists and family therapists

Brothers and Sisters 2007-05-15

90 brothers and sisters could be one of the funniest and saddest books you have ever read two idealistic young people from chicago move into a remote appalachian area of kentucky in the 1930 s and end up with a family of nearly 100 children and not a cent to their names told from the astonished and sometimes indignant viewpoint of their only biological child this rollicking tale has so much heartwarming goodness and chilling danger built into the plot that what began as a novel turned into a documentary because it was too unbelievable originally published by harper and row in 1978 this book is now going on line for a new generation of readers a lifetime of rich experience gives lenore de pree s writing texture and depth born in chicago raised in the appalachian mountain region of kentucky where this story takes place then going on with husband gordon to spend twenty years in hong kong and ten years in saudi arabia lenore has looked deep into human nature culture and the many definitions of love mother of four children and grandmother of five lenore now lives in the mountains of north carolina where she and gordon share a love of art and design

Brothers and Sisters, by Marianne Farningham 2019-08-20

describes different kinds of sisters and brothers and how they relate to each other

Brothers and Sisters 1997

your brother or sister it might be said is your other self your grander sadder braver shrewder uglier slenderer self a girl sneaks into her brothers rooms to go through their pockets while theyre out a man boards a plane to go to his brothers funeral another mans brother comes home from jail a young woman watches her sister embrace

Brothers & Sisters 1991

looking at the different relationships people have with their brothers and sisters and how to build on these relationships and keep them strong

90 Brothers and Sisters 2013-11

a collection of poems in celebration of siblings

Sisters and Brothers 1992

explores various aspects of sibling relationships including how rivalry birth order and growing up affect how siblings interact with each other

Brothers and Sisters 2009

offers insights and examples and sturdy practical proven tools for helping newly configured families prepare accept react and mobilize to become a new and different family meeting the practical physical and emotional needs of all its members these well prepared and supported families are the ones who thrive

My Brother and Sister 2014-10-09

sibling relationships and rivalry are as old as recorded history this analysis explores that ambivalence between siblings casts its shadow throughout people s lifetimes and affects their choices of mates relationships with their own children and aversions to others
