The Crucifixion of Jesus Christ, Anatomically Considered, in a Letter Addressed to the Rev. E. Noyes, Etc 1853 the first book to examine the controversial qur anic phrase which divides christianity and islam according to the majority of modern muslims and christians the qur an denies the crucifixion of jesus and with it one of the most sacred beliefs of christianity however it is only mentioned in one verse they did not kill him and they did not crucify him rather it only appeared so to them and contrary to popular belief its translation has been the subject of fierce debate among muslims for centuries this innovative work is the first book devoted to the issue delving deeply into largely ignored arabic sources which suggest that the origins of the conventional translation may lie within the christian church arranged along historical lines and covering various muslim schools of thought from sunni to sufi the crucifixion and the qur an unravels the crucial dispute that separates the world s two principal faiths

Crucifixion: Fact or Fiction?: An Investigation of Crucifixion 2014-10-01 it was the
atheist jean paul sartre who once said that hell is other people rowland stenrud s
yeshua the crucified serpent is about how mankind s savior jesus of nazareth has saved
men and women from this hell by making it possible and indeed inevitable for human
beings to love one another and their creator father yahweh god this book is about the
concept and practice of human and divine love the words of paul in 1 corinthians 13 1
13 the bible as a whole and the reader s life experience will help in defining this the
author reviews what he knows about the concept and its related precepts and brings them
to bear in this book god himself is love which should tell us how mysterious a thing
love is to acquire this ability to love one must suffer in union with the suffering
christ salvation pure and simple is god delivering each one from the inability to love
other human beings and the creator himself the obstacle to this perfect love is the
serpent of human wisdom and pride that existed even in jesus in his loving obedience to
the father jesus nailed this serpent to the cross yeshua the crucified serpent attempts
to show that the question of evil and suffering in the world is answered by yahweh s
eventual success in saving all of mankind the majority of christians believe in a
number of key doctrines that the biblical authors do not unequivocally teach a few
verses may support these unbiblical doctrines but a greater number of verses whose
meaning is clearer contradict the standard interpretation of these few verses other
doctrines that christians mistakenly believe in find support in this or that section of
the bible but are denied by the general thrust of the bible as a whole these unbiblical
doctrines followed by the correct biblical teaching are 1 sometime in the distant past
a large number of god s angels rebelled against him becoming what are called devils or
demons whose leader is known as satan or lucifer the bible teaches that the only agent
of evil in the universe is man s heart 2 adam and eve possessed the perfection of jesus
christ before they sinned if they had not sinned they would not have needed to be
healed of any weakness the bible teaches that adam and eve could not have had eternal
life even before they sinned without the work of jesus of nazareth 3 faith is an act of
the free will of man the bible teaches that faith does involve man putting his trust in
god s promises and revelation but it is primarily a power given to man by god in order
to enable him to see spiritual truth the natural man cannot see without this gift of
the holy spirit no human being can know god and be saved 4 ultimately speaking we are
saved by our faith on the contrary it is through jesus s faith in and love for the
father that is the instrument of our salvation 5 jesus saved us by paying the penalty
due our sins and therefore saving us from the just wrath of god this is false no one
had to pay any penalty for god to forgive the sins of the human race god relates to
sinners on the basis of mercy and mercy is not mercy if the penalty for sin is paid by
going to the cross jesus healed our brokenness which forgiveness alone could not
accomplish 6 satan and the sins of men are ultimately responsible for human suffering
false god is ultimately responsible for human suffering as it is a necessary part of
god s work of saving human beings god himself shares in all of our suffering physical
emotional and spiritual even though he does not have a body or nervous system 7
salvation is about our eternal destiny this is not correct salvation is about being
saved from the idolatries addictions corruption hatreds evil deeds that afflict the

The Crucifixion and the Qur'an 2012-11 the love of god for god so loved the world that
he gave his only begotten son that whosoever believes in him shall not perish but have
everlasting life the love of god is a stream of crimson blood poured out it comes down
from his head over his brow getting in to his eyes alongside his nose seeping into his
mouth as he gasps for breath covering his naked body as he hangs in agony and shame
pouring forth from his hands feet and side and from the flesh gaping open where he was
stricken as the chastisement of our peace was upon him dripping down onto the ground
then covering the mercy seat in heaven now covering me and more than covering me now
cleansing me now coursing through my veins and pumping through my heart purifying me
giving me life so i can through his life in me also give life giving you life if you
know him so you can also through his life give life there is a path that is stained
with jesus blood and leads to his crucifixion and ultimately to our crucifixion if we
will follow him after salvation man must be made to detest with all his being the sin
nature within him when he does he will kill it romans 6 6 how shall we who are dead to
sin live any longer in it romans 6 2 when he kills it he allows christ to be fully
formed in him and is fit then to walk out the rest of his life on earth in single
minded devotion to christ longing for the moment he will be forever with him in glory
this is the love of god cheryl lives in south carolina with her husband and two
children serving and loving the lord

Yeshua, the Crucified Serpent 2012-01-01 this is an extraordinary text it addresses no small number of traditional theological concerns however it addresses them mindful of the earthiness of life thus this is also a book that is concerned to address questions of migration brain physiology emotional trauma time love and death it is written not to satisfy a bloodless lust for the resolution of puzzles it is written with confidence that tangible bodies think thus there is an earthy quality to its writing both in what it addresses and how it is addressed the manner of after crucifixion may be imagined as a moment in which in some unpretentious underground venue the deep resonant percussions of subwoofers roll as a carnal wave across the chest and throat before they become the bass line in a conscious musical thought after crucifixion has been written for the ears the chest the throat no less than for focused deliberate disciplined thought but it is written in particular for bodies befriended by the mystery of life and death in the carnal event of the crucifixion resurrection of the galilean peasant jesus who unhands the fruit of the knowledge of good and evil and thus invites us to join him in prayer

Crucified 2010-08-31 people's lives can change by the smallest of circumstances turning left at an intersection instead of right sitting beside an unknown person in a crowded lecture hall filling in at work for a colleague while they go on vacation my life changed when in my last semester of graduate study i saw an ad posted by the japanese government to come work in the land of the rising sun the idea was that i'd have a bit of an adventure make some money and take the time to consider whether i wanted to get a doctorate degree or not three decades years later i was still doing it finding a fertile niche working in post secondary institutions and as a trainer for oil and gas operations in the middle east central asia and north africa as the japanese proverb goes i'd already eaten the poison so i might as well lick the plate i've lived under absolute monarchies constitutional monarchies a number of presidents for life civil wars foreign military occupations and outright terrorist dictatorships along the way i've played duck duck goose with japanese elementary school students become a bit of a media celebrity for no earthly reason other than the accident of my birthplace witnessed the aftermath of a crucifixion in yemen seriously thought i was about to be kidnapped for ransom had three colleagues shot dead a football field away from where i was standing was within spitting distance of where modern drone warfare was born and commuted to work in an armoured convoy of toyota land cruisers wearing full body armour and accompanied by up to a half dozen armed private security members so it began playing duck duck goose and progressed to trying to avoid the terrorism revolutions and uprisings

TREATMENT FOR LONELINESS: Oprah Said, 'Just Say 'Hello!' 2016-07-07 in this book agron belica offers a fresh interpretation of the momentous events on a hillock beyond the walls of jerusalem nearly two millennia ago the crucifixion belica asks disconcerting questions about the received version of gospel history and gives free rein to his inquisitive nature many of his ideas and speculations will strike the casual reader schooled in the ancient biblical traditions with which they conflict as unhistorical impossible and unbelievable yet when questioning established premises the impossible may often be shown to be possible as socrates was fond of doing mr belica does not claim to be proving anything except that with some speculation and reinterpretation of the biblical record and relevant quranic texts when coupled with a few remarks from josephus the whole traditional version of the crucifixion can be seen in a different light belica throws new ideas and new possibilities at the reader asking only that they be considered like a barrage of rockets shot into the moonless night sky some flaring more brightly than the others some of his speculations are more plausible than others but all are provocative and worth thinking about his is the first innovative interpretation of the crucifixion since dr hugh schonfield looked at it two generations ago beyond that belica has taken upon himself the task of redressing the imbalance between the gospel jesus and the gospel john the baptist and in our opinion has done so with justice on his side the gospel writers diminished john in order to exalt jesus and transform him into a superhuman divine entity while their motives are understandable the researcher who seeks to explore unanswered questions and obscure competitors to the demigod they were creating is understandably frustrated and can only mourn the lost evidence this is particularly true for john the baptist in the new testament he is a minor figure his purpose is to introduce and validate the mission of his kinsman jesus as the messiah belica asks why was john the baptist so used by the gospellers and then dismissed to the limbo of silence together with the essenes who though a considerable presence in the palestine of the day are not even mentioned by them he was intrigued by that question and began to study the references to john gradually conceiving unprovable but provocative theories his work became known to a mutual friend the author of a number of valuable books and articles on various aspects of islamica dr laleh bakhtiar who also became interested in john the baptist and through her i was introduced to him at first i was rather skeptical but was persuaded to look into the historical injustice done to john he is much better served in the quran than he is in the bible having trusted her instincts over the years in such things in my own literary projects and with her continuous encouragement and suggestions i set to work the result of my own inquiry the monograph rethinking john the baptist is appended to the present volume meanwhile agron belica continued his own research examining new evidence while elaborating and working out his theories and speculations the results of this work constitute the main portion of this volume that is dedicated to the rehabilitation of the repute and stature of that much neglected prophet john the baptist known in the islamic world as yahya i was pleased to be chosen as his editor and annotator for this book

Was It a Crucifixion or Rather a Cross Fiction? 2022-08-26 this book is about a father who loves his children and who wants to live with them forever in paradise but we must prove to our father that we are worthy to live in the beautiful mansions and walk on streets paved in gold we prove by obeying his words and believing these words without a shadow of doubt the father however never wants another lucifer in his presence so the almighty is watching us closely to see who his true children are and who belongs to

~~satan's mind set our father knows the evil one's capabilities and he knows about our weaknesses and he tests us to see if we are really his sheep and will listen to his voice and not to the one of the deceiver god said that his sheep knows his voice and if we feel we can change the almighty's words we are not his sheep but our father is trying to give us chance to change god knows that satan is powerful in the mind of the weak but abba is trying his best to save us because he loves us so very much but let's not forget that jesus said you will knock at my door and i will say i know you not our father wants us to be happy and he will put the evil one and his followers in a fiery furnace where a worm never burns up but the almighty has made it clear that hell was meant for satan and his followers~~

Crucifixion of the Word 1999 this study takes a christian perspective on the entire bible rather than simply the new testament david wenkel asks why did jesus have to be beaten before his death on the cross christian theology has largely focused on jesus death but has given relatively little attention to his sufferings wenkel's answer contextualizes jesus crucifixion sufferings as informed by the language of proverbs he explains that jesus sufferings demonstrate the wisdom of god's plan to provide a substitute for foolish sinners jesus was beaten as a fool even though he was no fool in order to fulfill god's loving plan of salvation this analysis is then placed within the larger storyline of the whole bible from the garden of eden to the story of israel and beyond
