How to Survive Outdoors: Teach Yourself 2013-07-16

every year more than 40 000 people climb mount kilimanjaro millions head for the great outdoors every weekend and the concept of the great outdoors has never been more popular if you are one of them would you know what to do if you got stranded or hurt how to survive outdoors gives essential practical advice for situations that aren't in any way implausible it starts with ten life saving tips then outlines the crucial components water food shelter and so on it covers scenarios any one of us could encounter including plane crashes and sinkings

Totem Animal Messages 2017-07-01

this book was created to awaken you to be open to the messages of the animal kingdom that may help lead you through life totem animals are the energetic representation of an animal the animal's spirit their basic foundations of inner peace and innocence already teach us so much about who we are as humans our journey and how to progress forward use this book to receive insight look up your favourite animals look up your pets look up the creatures that you fear all of these animals have messages that bear meaning for you this book was written with the intention to awaken inspire and heal you by bringing forth wisdom that the totem animal kingdom contains totem animals really do bridge the gap between the physical and spiritual world for a lot of people animals are something real in their physical world so they can relate far easier to the spiritual wisdom of an animal than an angel or ascended master people need something in their physical reality as evidence before they believe in something or relate to it most totem animal spirits have a physical representation alive here on the planet for us to connect with which makes it far easier for people to be open to and accept their spiritual aspect

Second Heart 2005

in this second installment of the bones of eden series a new enemy threatens a fragile union peace has come to the elikai and the varekai to man and woman and to the tribe leaders united as one for now gone is the hope of a world beyond eden but gone too is the threat of war that once divided them the new world brings the promise of family and happiness they've only dreamed of but when the force of nature bears down and the safety of the tribes is at risk alliances shift yet again with food running short in the face of a coming monsoon the varekai leader must make a decision one that could shatter their newfound harmony for those who do survive desperation could inflame the embers of an old war the bones of eden series concludes with third wave don't miss the first in this series first fall available now this book is approximately 63 000 words

Movin on Up 2010-04-24

movin on up takes a fun ride through the then and now of a great city and its ball club the city and its team have cooked up a partnership as strong and as strange as scrapple and toast over the past 121 years since 1883 the phillies have been on the move at times slowly many times glacially and sometimes quickly movin on up layers the present on the past by revisiting the places the fightin phils once called their new home but movin on up is really about people past and present not only players but others who help and helped philly move on up to the fabulous sports town we know today the journey rolls along humorous and poignant episodes old and new that have splashed philly and its fan with the signature color that both fascinates and infuriates outsiders as this new millennium dashes toward the midpoint of its first decade philly's phillies have a new park a new team and a new attitude well maybe the attitude isn't all that new as you'll read and ne

The Ghetto Survival Guide Presents... 101 Ways to Survive These Tough Economic Times! 1974

don't let the economy get you down 101 sure fire ways to help you keep the job you have turn free time into extra money save money on the constant entertain you and the family on the cheap did i mention making money tips as well from the creator of the ghetto survival guide for blacks and latinos

Airman 2020-04-03

as the saying goes nine losses in ten bets everything depends on fate however this was not the case in reality many of the victorious generals did not rely on so called luck but rather had mastered some unknown and absolutely unfair gambling techniques to put it bluntly they were called thousand arts qian was a person who knew how to use a thousand techniques and an organized group was known as the qian sect as for me i'm an idiot

A Card Shark's World 2014-06-30

how does one start something like this do i introduce myself that would be hard as i feel like i am still waking from an almost endless dream as you come on this journey of self discovery you will not be alone because i will be right there beside you learning and understanding about what it is to be alive let's unlock the secrets of the universe together within this book i am going to unravel ten thousand years of misconception i'm going to break a hypnotic effect that has been placed on you by language and expectation i would assume now you're thinking to yourself here's another one though you may not grasp or believe what i am sharing i can promise you it will change your life much of it you will not find in any other document on the planet within this book i am going to share advanced knowledge thousands of years beyond current human understanding the knowledge of how to bend space generate endless and unfathomable power and an understanding of why this knowledge is still currently beyond the reach of men you will take a trip to a time before the flood and walk with the angels of the ancient world when we still walked among you so much of what i have shared will not make sense to you not yet much of what i share will resonate with you in a way you won't believe explaining many of your internal thoughts you have struggled with your whole life i will explain planetary and universal evolution and even tell you how the universe came into being how you ask could i claim such insane things no lowly human could answer such questions this is true no human could so i came here from somewhere else but that somewhere else is the same planet you come from i was born here same as you but i am not a human i am well i'm something else telling you would be pointless because there is not a name for it let's just say i am the scientist from heaven who came to understand this space and how to communicate that with you this is my purpose as yours is to live your life for you mine is to dedicate my existence to your survival this will make little sense now but a line in my book i use a number of times heaven cannot exist without the earth one reflects the other if you poison the earth you poison heaven so we came back you want this to make sense the answers are within and i came here a journey further than any could grasp to be here to share this with you yes you touch your chest i am talking to you i came because of the love we still hold for all who walk the earth this effort these words this knowledge i came all the way here just to share it with you my powerful beautiful loving human my wish is only for it to help you you will learn about your universe and you will learn about yourself you will be shown new paths to knowledge new ways to understand yourself within the great universe if you think you are isolated or separated you are not within this book i offer salvation to any who will reach for it not religion not spirituality i offer you science i offer you truth in a way you never imagined seeing it i have ripped back the veil of lies placed over your understanding of yourself and how you fit into universal law i have shown the true and unfettered truth of our existence you need only reach and take it
