monarchs not forgetting sophia dorothea of celle the passionate princess who never made it as far as the throne from lonely childhoods to glittering palaces via family feuds smallpox strapping soldiers and plenty of scheming these are the queens who shaped an era a lively deep dive into the lives of four women regularly overshadowed by their husbands curzon is a captivating writer and this book is an impressive addition to her existing georgian books the lazy historian curzon has a breezy colloquial style an easy and informative read historical novels review

Dark Days of Georgian Britain

2017-10-30

a historian reveals the grittier side of regency england far from the country houses and costume balls of high society often upheld as a period of elegance with many achievements in the fine arts and architecture the regency era also encompassed a time of great social political and economic upheaval in this insightful social history the emphasis is on the lives of those not born into nobility what it was like for the poor and what challenges they faced using a wide range of sources james hobson shares the stories of real people he explores corruption in government and elections bread or blood rioting the political discontent felt and the revolutionaries
