i am a special education teacher with over 20 years of experience ranging from elementary school to adult education i started as a substitute teacher and 2 years later became an ese teacher after my first day as a substitute teacher i knew i was in the right place i never sought a career or job in any other field god is good to this day everything i ever leaned and still learning i use in the classroom to reach and teach my students

this is a book for all educators i do not believe it takes 500 or more pages to say what needs to be said nor do i want to bore you by spelling out and defining everything in these 20 plus years of my experience i cover what i have learned from the college classroom to elementary education and engaging students in the classroom what i want to do is to share with you what i have learned from my experience as a teacher in a truthful to the point manner i want this book to serve as a guide and help manual to give insight into educating our children as i state in this book it takes a combination of things and creativity to reach and teach our children prayerfully this book will help everyone who reads it to be more committed and inspired to go the extra mile and learn what lies beyond and and never give up i say this to everyone from home schooling parents to primary teachers to college professors and everyone who plays a leadership role in the lives of our children remember it takes a village to raise a child and that village must raise its children to be as independent self sufficient and socially responsible in love this is what education 101 a teacher s guide is about
