[How to Beat A Woman at Her Own Games](#) 2020-09-01 what would happen if the interpretation of song of solomon were to move beyond the layered traditions of rabbinic judaism the theological concerns of christian communities or even the enlightenment ideals of a rigorously objective secular hermeneutic this new reading by janet tyson provides a fascinating answer to that question timothy paul erdel bethel university the song of solomon is an intimate eyewitness account of the stormy marriage between the last king of babylon nabonidus and the egyptian princess nitocris ii it details the couple's

seven year stay in Tayma Arabia during which time the king formulated his plan to reinstate a long defunct female priesthood at Ur in honour of the lunar deity Sin. The song was written by a female scribe during the Exodus from Babylon in c. 538 BCE. She is potentially recorded elsewhere in the Hebrew Bible. Her Song of Praise tells of magic, blood rites, jealousy and rivalry, contraception, miscarriage, lies and curses. It bears all the signs of an act of vengeance for it preserves the bitter resentment of a woman who lived in the shadow of the king's most exotic wife. Topics of interest include a consistent pattern of applied Ishtar/Hathor mythology, potential insight into the function of the goddess, the use of Jewish gematria, clear allusions to the esoteric rite known today as the Elixir Rubeus, internal chronology that mirrors the reign of Nabonidus including a lunar eclipse, profound parallels between Nabonidus and King Solomon, strong connections between Herodotus and the song's narrative, potential identification of the song's author and date of composition, other ancient legends revealing this same interpretation.

**A Lady At Last** 2011-09-01 Merrick St Magnus. This rake's reputation for the pursuit of shameless debauchery is society legend. Arriving for a party, Merrick finds his season of outrageous scandal takes a challenging turn. Caught in a far less than usually compromising situation with Lady Alix Burke, this so-called gentleman is tasked by her father with making his bluestocking daughter marriageable. Lady Alix, more happy in the library than the ballroom, is most definitely left on the shelf. Material he'll never walk away from, a wager but Merrick's expertise extends way beyond society etiquette. Never before entrusted with a woman's modesty, Merrick sets about teaching her everything he knows. Rakes beyond redemption, too wicked for polite society.
