formal political and historiographical significance of a wide range of british european and north american case studies since the eighteenth century the volume s eleven case studies allow the reader to understand connecting notions behind the formation of interiors and fashionable clothing the essays combine a wide range of significant and challenging new examples alongside powerful reversionary analyses of the various periods artists designers and their best and significant objects fashion interior design and the contours of modern identity is concerned not only with fabric but also with the body and the implications of embodiment in the practices of both design domains which are equally invested in the comfort aesthetic pleasure extension and support of the body in different and yet seemingly identical ways buying for the home is a book about the experiences and also the polarities of shopping and the home it analyses the ways in which the agencies and discourses of the retail environment mesh with the processes of physical and imaginative re creation that constitute the domestic space teasing out the negotiations and interactions that mediate this key arena the study examines how the strategies of retailers were both arbitrated by and negotiated through the actions and desires of the homemaker as consumer drawing on the recent chord centre for the history of retail and distribution colloquium on shopping and the domestic environment and including two specially commissioned pieces the book draws on a wide selection of interdisciplinary work from established scholars and new researchers organised around four key themes retail arenas and the everyday identity and lifestyle fashioning domestic space and cultural practice the ten case studies cover a range of cultural encounters and locations from the seventeenth to the late twentieth century through these interdisciplinary but linked case studies buying for the home forces us to consider the fractured space that existed between the world of goods and the middle and working class home and in so doing interrogate how middle class and plebeian homemakers view imagine and ultimately occupy their domestic spaces in early modern modern and post modern society electronic visual music is a comprehensive guide to the composition and performance of visual music and an essential text for those wanting to explore the history current practice performance strategies compositional methodologies and practical techniques for conceiving and creating electronic visual music beginning with historical perspectives to inspire the reader to work creatively and develop their own individual style visual music theory is then discussed in an accessible form providing a series of strategies for implementing ideas including interviews with current practitioners electronic visual music provides insight into contemporary working methods and gives a snapshot of the state of the art in this ever evolving creative discipline this book is a valuable resource for artists and practitioners as well as students educators and researchers working in disciplines such as music composition music production video arts animation and related media arts who are interested in informing their own work and learning new strategies and techniques for exploration and creative expression of electronic visual music includes summaries of proceedings and addresses of annual meetings of various gas associations in this funny clever novel perfect for fans of pseudonymous bosch and gordon korman and a companion to the wig in the window tween sleuths sophie young and grace yang go undercover at luna vista s winter sun festival to catch a murderer before he or she strikes again sophie young and grace yang have been taking it easy ever since they solved the biggest crime luna vista had ever seen but things might get interesting again now that everyone is gearing up for the 125th annual winter sun festival a town tradition that involves floats a parade and a royal court made up of local high school girls when festival president jim steptoe turns up dead on the first day of parade preparations the police blame a malfunctioning giant s more feature on the campfire themed float but the two sleuths are convinced the mysterious death wasn t an accident young and yang must trade their high tops for high heels and infiltrate the royal court to solve the case but if they fail they might just be the next victims this second book in the deer and deer hunting classics series rekindles the deer hunting history and the role of deer camps in hunting s culture relive the hunts joy and trepidation of famous american deer hunters such as william faulkner aldo leopold and oliver hazard perry rare historical paintings and photographs capture the spirit of long past deer camps this collective biography represents the best of a great american tradition through deer camp experiences such as freedom solitude camaraderie rites of initiation story telling and venison cuisine more than 12 million american deer hunters celebrate this annual tradition featuring works by more than 30 international artists including sonia boyce thomas demand robert gober damien hirst abigail lane francesco simeti and niki de saint phalle this collection puts wallpaper in context by
