Already Toast 2012-05-01

the story of one woman s struggle to care for her seriously ill husband and a revealing look at the role unpaid family caregivers play in a society that fails to provide them with structural support already toast shows how all consuming caregiving can be how difficult it is to find support and how the social and literary narratives that have long locked women into providing emotional labor also keep them in unpaid caregiving roles when kate washington and her husband brad learned that he had cancer they were a young couple professionals with ascending careers parents to two small children brad s diagnosis stripped those identities away he became a patient and she his caregiver brad s cancer quickly turned aggressive necessitating a stem cell transplant that triggered a massive infection robbing him of his eyesight and nearly of his life kate acted as his full time aide to keep him alive coordinating his treatments making doctors appointments calling insurance companies filling dozens of prescriptions cleaning commodes administering iv drugs she became so burned out that when she took an online quiz on caregiver self care her result cheerily declared you re already toast through it all she felt profoundly alone but as she later learned she was in fact one of millions an invisible army of family caregivers working every day in america their unpaid labor keeping our troubled healthcare system afloat because our culture both romanticizes and erases the realities of care work few caregivers have shared their stories publicly as the baby boom generation ages the number of family caregivers will continue to grow readable relatable timely and often raw already toast with its clear call for paying and supporting family caregivers is a crucial intervention in that conversation bringing together personal experience with deep

research to give voice to those tasked with the overlooked vital work of caring for the seriously ill

Becoming Somebody in Teacher Education 2014-10-01

becoming somebody in teacher education explores the realities of contemporary teacher education in kenya based on a long term ethnographic fieldwork it views the teacher training institution as a space to grow become and be shaped as teachers in complex moral worlds drawing on a rich conceptual and theoretical vocabulary the book shows how students in these teacher education institutions constantly negotiate and confront the complex constructions of ethnicity gender and class as well as moral religious and academic issues and a lack of resources encountered in the different institutional cultures it outlines a complex array of concerns affecting student teachers that shape what professional becoming means in a stratified and diverse culture this story of the process of growing up and becoming a professional teacher in an african setting will appeal to researchers academics and students in the fields of teacher education organizational studies international education and development social anthropology and ethnography

Gaelic Cape Breton Step-Dancing 2018-04-26

the step dancing of the scotch gael in nova scotia is the last living example of a form of dance that waned following the great emigrations to canada that ended in 1845 the scotch gael has been reported as loving dance but step dancing in scotland had all but disappeared by 1945 one must look to gaelic nova scotia cape breton and antigonish county to find this tradition gaelic cape breton step dancing the first study of its kind gives this art form and the people and culture associated with it the prominence they have long deserved gaelic scotland's cultural record is by and large pre literate and references to dance have had to be sought in gaelic songs many of which were transcribed on paper by those who knew their culture might be lost with the decline of their language the improved scottish culture depended proudly on the teaching of dancing and the literate learning and transmission of music in accompaniment relying on fieldwork in nova scotia and on mentions of dance in gaelic song and verse in scotland and nova scotia john gibson traces the historical roots of step dancing particularly the older forms of dancing originating in the gaelic speaking scottish highlands he also places the current tradition as a development and part of the much larger british and european percussive dance tradition with insight collected through written sources tales songs manuscripts book references interviews and conversations gaelic cape breton step dancing brings an important aspect of gaelic history to the forefront of cultural debate

Chasing Redbird 2020-06-25

intriguing delightful and touching school library journal starred review creech s best yet publishers weekly starred review it started out as an ordinary summer but the minute thirteen year old zinny discovered the old overgrown trail that ran through the woods behind her family s house she realized that things were about to change it was her chance to finally make people notice her and to have a place she could call her very own but more than that zinny knew that the trail somehow held the key to all kinds of questions and that the only way to understand her family her aunt jessie s death and herself was to find out where it went from newbery medal winning author sharon creech comes a story of love loss and understanding an intricately woven tale of a young girl who sets out in search of her place in the world and discovers it in her own backyard an ala best book for young adults

US-China Relations in the Twenty-First Century

the relationship between the united states and china will be of critical importance to the world throughout the twenty first century in the west china s rise is often portrayed as a threat and china seen in negative terms this book explores the dynamics of this crucial relationship it looks in particular at what causes an international relationship to be perceived negatively and considers what can be done to reverse this arguing that trust is a key factor it goes on to discuss us and chinese rhetoric and behaviour in three key areas climate change finance and international security the book contends that contrary to much us rhetoric china s actions in these

areas is often much more flexible and accommodating than the us position and that the chinese are much more knowledgeable about and understanding and appreciative of the united states than vice versa

The Spanish Civil War

though more than half a century has passed since the spanish civil war began in 1936 it is still the subject of intense controversy what was it that roused left wing sympathisers from all over the world to fight for a cause for which their governments would not give active support in his famous history hugh thomas presents an objective analysis of a conflict where fascism and democracy communism and christianity centralism and regionalism were all at stake and which was as much an international civil war as a spanish one

J. Krishnamurti: A Life of Compassion beyond Boundaries

among the most famous visionaries of our times j krishnamurti 1895 1986 continues to transform thought lifestyles and education across continents more than three decades after his death in this new biography tracing the nine long decades of his life from his growing up years his relationships to his writings and talks roshen dalal provides a much needed corrective an objective and balanced view of his legacy adopted by theosophists at the age of fourteen and proclaimed a world teacher and messiah in 1929 krishnamurti dissolved the order of the star created for him and went on to develop his own philosophy what is it about his ideas that draws the following of generations of people delivered to a divided world then what makes his message so relevant now while his ideas on education are idealistic why do they continue to be everlasting in their contribution and appeal krishnamurti s vision is of a world without boundaries or wars a world where compassion and goodness predominate and his message is that such a world can be arrived at only through individual transformation b24 there is no direct path to transformation yet through intense perception and understanding it is possible to achieve this goal carefully reconstructing the events and extracting the essence of his talks dalal dispels several myths explains his teachings and reveals the underlying theosophical and occult influence in krishnamurti s life here is the most complete biography yet of one of the greatest thinkers of the twentieth century
