The Fix 2008

in this book the author explains the structure and mechanics of illegal gambling syndicates what soccer players and referees do or not do to affect the outcome of their games why relatively rich and high status athletes would fix games how and why club officials would bribe the opposition and how they get referees on their side it presents evidence that some of the highest soccer matches in the world may have been fixed european champions league olympic and world cup tournaments the book however is not just about soccer throughout the text the author uses examples from other sports like tennis hockey even rowing to show that the credibility of professional sport now lies on a fragile foundation

The Big Fix 2014-05-06

game of shadows meets among the thugs in this revelatory true to life crime thriller and expose involving greed corruption an asian crime syndicate and the fixing of international soccer matches at the highest levels of the game including the uefa champions league and the world cup in february 2013 the director of europol the european union s law enforcement agency made the shocking announcement that 700 international soccer matches had been fixed since 2008 including world cup qualifying and exhibition matches with a chinese criminal syndicate pulling the strings for the first time investigative journalist brett forrest takes us inside the underworld of one of organized crime s most profitable businesses a 1 trillion annual international betting market of which soccer comprises 70 percent forrest uncovered a web of nefarious dealings across the world even on u s soil as he found no match is safe not even the world cup tournament and law enforcement officials lack the resources to stop it but one man has taken this criminal enterprise on chris eaton former head of security for fifa now with the international center for sports security in qatar this rough and tumble australian and longtime interpol cop has tracked down some of the biggest fixers and their financial backers and continues his mission to clean up the world s most popular sport filled with headline making revelations the big fix is must reading for soccer fans and true crime aficionados

The Insider's Guide to Match-fixing in Football 2013

a wave of match fixing threatens the world s most popular sport there are dozens of national police investigations hundreds of matches from top international games to the champions league to youth teams have been fixed and over one thousand players coaches and referees have been arrested this new form of sports corruption will destroy football unless we fight it to fight it we have to understand it the insider s guide to match fixing in football is an analysis of the motivations the mechanisms and the methods within this modern form of fixing hill was the first person to break the story of the new form of football fixing when he infiltrated an asian match fixing gang in the fix now he returns with a book that is freakonomics meets football corruption only declan hill could write a book with this level of academic rigor and foundation of investigative journalism i expect dr hill s new book to be the seminal work in the sports corruption space and i have adopted it for use in my phd seminar on forensic sports law analytics ryan m rodenberg jd phd florida state university declan hill has broken new ground academically imparting much needed order and clarity to the murky world of global match fixing this is an important book for anyone who cares about the integrity of sport and it s an indispensable book for those involved in sports analytics marc carinci managing director sports gambling data services tenacious factual and with an unrivalled understanding of the current threat being posed to the integrity of sport declan hill consistently challenges those who stand idly by senator cecilia keaveney former head of the council of europe s task force on match fixing declan hill s new book is an absolute must read for every thinking fan of the beautiful game on the planet being part of declan s team preparing the book i know how much effort and research declan invested in it declan s passion for our game professional courage and expertise pours from every page steven powell director of policy football supporters federation a new book from one of the best investigative writers on the subject of match and spot fixing in football the challenge to the integrity of sport from sporting fraud is growing exponentially this new book documents that cancerous expansion the author is a renowned expert who focuses on football with the precision of a laser beam a must read professor richard McLaren faculty of law university of western ontario london canada the insider s guide to match fixing in football is an education for scholars and students of organized crime and a wake up call for sports administrators rigorously researched but accessibly written this book makes sense of match fixing in

straightforward rational terms such confirms declan hill as both master storyteller and global authority on the corruption threatening the beautiful game not to be missed james a densley phd author of how gangs work an ethnography of youth violence

The Fix 2016-05

a thrilling football crime story by the award winning sophie mckenzie blake s the star of the football team but he and his mum are in trouble they can t make the rent and it looks as though they ll have to move so when a stranger offers blake cash to fix the match it seems like an easy solution right wrong if blake goes along with it he stands to lose more than just the game will he do the right thing

How to Fix Modern Football 2020-07-31

a manifesto to cure modern football s cornucopia of ills i paper shortlisted for sports entertainment book of the year in the telegraph sports book awards 2021 as a player and pundit i ve seen and experienced plenty of the good the bad and the ugly and let s get face facts there is still plenty of the bad and ugly our game can be so much better and in this book i ll tell you just how in his trademark tell it like it is style chris sets his sights on 25 aspects of the modern game that need fixing from ridiculous rules and feckless agents to dreaded var and abusive fans no subject is out of bounds discover which managers sutton slams for giving bland post match interviews which clubs are fleecing their fans and why he believes messi and ronaldo aren t as good as best and maradona in you re better than that sutton also reveals who has bagged a spot in his top 10 lists from the best value players and most entertaining teams to the most underrated players and best fa cup moments a former top level pro player with a 16 year trophy laden career behind him chris knows the game from the inside out now observing from the commentator s perch his perspective is shot through with experience passion and occasionally a little anger sutton is a man on a mission determined to get under the skin of the game he loves and to call out exactly what s going wrong

Managing the Football World Cup 2014-12-02

managing the football world cup explores areas often overlooked by project management and business studies researchers therefore considering the global impact of the football world cup it is time for a detailed examination of the planning organization management implementation and related commercial features of this mega sport event

Match-Fixing in International Sports 2013-11-23

match fixing has become a widespread international problem in recent years it includes everything from bribery of players to putting undue influences on the owners of the soccer clubs managers coaches and others who have the ability to affect the final scores in addition match fixing spills over into the arena of illegal betting in person and online which creates a host of additional organized crime opportunities including human trafficking prostitution drugs extortion and even terrorism this timely volume brings together international contributions with an aim is to increase awareness of the problems associated with match fixing and the degree to which key agents in sport particularly young people are vulnerable the contributions are based on interpol s global experts meeting in singapore in november 2012 which brought together key speakers to discuss issues surrounding match fixing and how to combat corruption in football through channels of education the purpose of this meeting was to identify ways that academia can play a role in developing and implementing training modules and academic courses including certification procedures to prevent match fixing and develop lines of study at all educational levels this unique work reflects the gravity of the situation around the world together with possible solutions

Match Fixing and Sport 2020-06-29

match fixing and sport studies match fixing in historical perspective revealing how match fixing has always been a

major sporting continuity alongside another longstanding continuity a widely held belief in a mythical recent past of pristine purity the volume begins with a brief overview of match fixing s global contemporary contexts the broad range of sports where it now surfaces increased recognition of its moral social and economic threat and the varied responses of leading sports organizations legal gambling operators police forces governmental departments and regulators the following chapters explore the challenges of finding any reliable evidence of match fixing in the past an overview shows that match fixing has been a major and substantial longstanding historical continuity in sport usually but not always is linked to gambling and sporting materialism examples are brought forward to show that it could be found in ancient greece and egypt and was widespread across the early modern and modern periods around the globe overall the volume assists scholars by suggesting some key questions which a future agenda for the historical study of match fixing might address revealing how high stakes betting dishonest dealings and suspicious performances can be found throughout history match fixing and sport will be of great interest to scholars of sport history and sport ethics this book was originally published as a special issue of the international journal of the history of sport

Red Card 2018-06-12

the definitive shocking account of the fifa scandal the biggest corruption case of recent years involving dozens of countries and implicating nearly every aspect of the world s most popular sport soccer including the world cup is an engrossing and jaw dropping tale of international intrigue a riveting book the new york times the fifa case began small boosted by an irs agent s review of an american soccer official s tax returns but that humble investigation eventually led to a huge worldwide corruption scandal that crossed continents and reached the highest levels of the soccer s world governing body in switzerland the meeting of american investigative reporting and real life cop show the financial times ken bensingers red card explores the case and the personalities behind it in vivid detail theres chuck blazer a high living soccer dad who ascended to the highest ranks of the sport while creaming millions from its coffers jack warner a trinidadian soccer official whose lust for power was matched only by his boundless greed and the sport s most powerful man fifa president sepp blatter who held on to his position at any cost even as soccer rotted from the inside out remarkably this corruption existed for decades before american law enforcement officials began to secretly dig finally revealing that nearly every aspect of the planet s favorite sport was corrupted by bribes kickbacks fraud and money laundering not even the world cup the most watched sporting event in history was safe from the thick web of corruption as powerful fifa officials extracted their bribes at every turn a gripping white collar crime thriller that in its scope and human drama ranks with some of the best investigative business books of the past thirty years the wall street journal red card goes beyond the headlines to bring the real story to light

The Global Investigative Journalism Casebook 2012

why has the world been unable to address global warming science policy expert roger pielke jr says its not the fault of those who reject the kyoto protocol but those who support it and the magical thinking that the agreement represents in the climate fix pielke offers a way to repair climate policy shifting the debate away from meaningless targets and toward a revolution in how the world s economy is powered while defanging the venomous politics surrounding the crisis the debate on global warming has lost none of its power to polarize and provoke in a haze of partisan vitriol the climate fix will bring something new to the discussions a commonsense perspective and practical actions better than any offered so far

The Climate Fix 2010-09-28

football has undergone a period of transformation over the last thirty years despite these global processes different national leagues have adapted in different ways after an initial period of success directly after italia 90 italian football has gone through a period of sustained crisis it has been blighted by financial mismanagement corruption scandals and fan violence this has impacted italy s ability to compete on a global stage football italia accounts for the development of italian football in relation to the wider global transformations impacting football and addresses the reasons for serie a s initial success and current malaise theoretically this book locates italian football within the

wider power network of the state and how this has impacted political engagement after an historical overview of the italian political economy football italia highlights how football is part of the wider political network football clubs are owned by powerful businessmen and they are all men who are also politicians this centralisation of power within a small hegemonic group inhibits change within this broader structure wider corruption scandals continue from regular match fixing scandals to doping meanwhile stadiums are crumbling and police over aggressive it is within this context that we must place the fans both the ultras and supporters who attend official supporters clubs are disaffected and without the power to change the status quo consequently italian football has been in decline throughout the 21st century

Football Italia 2015-05-21

between june and july 2010 64 games of football determined that spain was the world s best team at the world cup in south africa south africans and the world celebrated a brilliantly hosted tournament where everything worked like clockwork and the stands were packed with vuvuzela wielding fans but the truth was not yet known behind this significant national achievement lay years of corporate skulduggery crooked companies rigging tenders and match fixing involving the national team as late as 2015 it was revealed that the tournament s very foundations were corrupt when evidence emerged that south africa had encouraged fifa to pay money to a bent official in the caribbean to buy three votes in its favour as sepp blatter s fifa edifice crumbled a web of transactions from new york to trinidad and tobago showed how money was diverted to allow south africa s bid to host the tournament to succeed in the big fix how south africa stole the 2010 world cup ray hartley reveals the story of an epic national achievement and the people who undermined it in pursuit of their own interests it is the real story of the 2010 world cup
