information this volume establishes how english language constructs were measured in cambridge english examinations over the period 1913 to 2012 an addition to the studies in language testing series this volume provides an overview of english language testing over the last century with coverage of key theoretical and practical aspects of the assessment of reading listening writing and speaking skills it includes examples of the cambridge english exams old and new and is the first volume to describe in a systematic way the different theoretical influences which have shaped the development of the constructs underlying cambridge english exams in the last 100 years in recent years the number of nonnative speakers of english in colleges and universities in north america has increased dramatically as a result more and more writing teachers have found themselves working with these english as a second language esl students in writing classes that are designed primarily with monolingual native english speaking students in mind since the majority of institutions require these students to enroll in writing courses at all levels it is becoming increasingly important for all writing teachers to be aware of the presence and special linguistic and cultural needs of esl writers this increase in the esl population has over the last 40 years been paralleled by a similar growth in research on esl writing and writing instruction research that writing teachers need to be familiar with in order to work effectively with esl writers in writing classrooms of all levels and types until recently however this body of knowledge has not been very accessible to writing teachers and researchers who do not specialize in second language research and instruction this volume is an attempt to remedy this problem by providing a sense of how esl writing scholarship has evolved over the last four decades it brings together 15 articles that address various issues in second language writing in general and esl writing in particular in selecting articles for inclusion the editors tried to take a principled approach the articles included in this volume have been chosen from a large database of publications in second language writing the editors looked for works that mirrored the state of the art when they were published and made a conscious effort to represent a wide variety of perspectives contributions and issues in the field to provide a sense of the evolution of the field this collection is arranged in chronological order an anthology of readings and a handbook of
