**Cobwebs in the Christian Soul** 2018-10-09 greetings to my christian siblings this book is presented in a straightforward and conversational style each chapter is scripturally based and simple to understand the problem solving action steps regarding the christian issues discussed here are user friendly but i caution you that breaking old habits takes dedication and stamina these action steps are not for the faint hearted for they ask us to delve past the surface of our daily interactions and get to the heart of how honest we really are with ourselves with others and with our god from personal experience i can state that understanding god s will in my life is often far easier than submitting to his will in my life like so many life lessons i ve learned the action steps that you will read about in this book the hard way they did not first appear as i see them today they appeared as anxiety sleeplessness bad dreams dysfunctional relationships buckets of tears and diminished health amazingly when i got right with god the action steps came into focus like i said i learned these steps the hard way hebrews 12 1 therefore since we are surrounded by such a great cloud of witnesses let us throw off everything that hinders and the sin that so easily entangles and let us run with perseverance the race marked out for us sin like cobwebs can easily entangle us and just like when we walk through an actual cobweb and are then simply overcome with the urgency to get that sticky stuff off of our bodies the spiritual equivalent should occur when we find that the spider has managed to weave a spiritual cobweb in our soul we should be overcome with the same urgency to be rid of it immediately the spider wants to trap us and he spins various and sundry webs to try to do so satan s cobwebs are waiting for us all though the blood of christ does continually clean us 1 john 1 7 but sometimes we lose our focus and get all wrapped up in the spider s web when that happens we may tend to obsess about how we were wronged or how we woefully wronged someone else it is significant to note that in such times it is apparent that our minds have been focusing on our yesterdays and our tomorrows instead of simply looking up to christ who is our right now in many churches today there are people who feel spiritually miserable because they have been attacked by satan s spiritual spider webs here s how it happens some wrong word or deed occurs and the next thing you know the spider is attempting to set up housekeeping in your soul and he always brings his darkness with him things like hopelessness anger misery isolation rejection worthlessness jealousy revenge apathy but we are not of the dark we are children of light ephesians 5 8 for you were once darkness but now you are light in the lord live as children of light clearly satan wants to alienate us from god and he is using our own minds to do so because of that this book is needed because of that this book was written the action steps below indicate what we as christians are supposed to do when we come face to face with our own human errors and find cobwebs in the christian soul 2 fess up 3 fix it even if you can t god can 4 move on 5 live better pray study god s word 6 be actively engaged in the church so there you have it six simple chapters based on six simple concepts let s get started in him gayla wood

**The Christian Experience** 2022-01-22 the christian experience answers some of the questions most people ask about what it means to be a christian what do i have to do where do i start what should i expect why should i go to church can i trust people in church why is there so much suffering in the world there are two camps that will be discussed in this book while discussing christianity the milk and the meat of the word if you aren t familiar with the expression the milk it represents new or baby christians who are just starting out in their relationship with christ and need to feed on the milk of the bible the meat represents the mature christians who are established in their relationship with christ and feed on the meat of the bible which is its deeper meaning the walk with christ can be confusing for new christians and mature christians can become complacent or even misguided our goal in writing the christian experience is to discuss the different aspects of christianity and for the reader to come away with a more in depth understanding of the subject matter it is not intended to offend anyone or represent the absolute authority of what we as the authors believe is the only and absolute path to christianity on that note if you are offended by a topic in this book then it is probably speaking to your heart take a knee and examine your walk with christ all aspects of the christian experience are biblically based and meant to encourage new christians and at the same time edify mature christians though this book cannot possibly cover everything it will help you focus on a few rudimentary and a few in depth topics and hopefully give you a more insightful perspective to help with your personal walk of faith in christ as with all aspects of the bible and our walk with christ we should follow paul s word to timothy study to shew thyself approved unto god a workman that needth not to be ashamed rightly dividing the word of truth ii timothy 2 15 kjv

**Women's History of the Christian Church** 2019-01-01 the normal christian life is a book by watchman nee first delivered as a series of addresses to christian workers who were gathered in denmark for special meetings in 1938 and 1939 the messages were first published chapter by chapter in the magazine a witness and a testimony published by theodore austin sparks the first chapter was published in the november december 1940 issue this first publication of the book can be viewed in the original magazines on austin sparks net the messages were later compiled into a book by angus kinnear in 1957 in bombay india in the normal christian life watchman nee presents foundational principles for the christian life and walk drawing primarily from the book of romans the book is generally regarded by many as the first introduction of watchman nee to the western world as of 2009 this book has sold over 1 million copies and is available in many editions and languages watchman nee based his speaking on the first eight chapters of the new testament book of romans nee takes the first eight chapters of romans as a self contained unit and divides these chapters into two parts romans 1 1 to 5 11 as part one and romans 5 12 to 8 39 as part two in the first part of romans sins is given prominent attention and deals with the question of the sins man has committed before god however the second section deals with sin that is the inward nature or inward working principle within man that causes man to commit sin thus there is a difference between the acts of a sinner sins and the inward nature of a sinner sin nee reveals that god s dual remedy is the blood of the lord jesus christ and the cross of christ the blood deals with what we have done whereas the cross deals with what we are the blood disposes of our sins while the cross strikes at the root of our capacity for sin as nee progressively moves along in his book he first touches upon the blood and then focuses upon the cross for the remainder of the book watchman nee gave four steps in which a christian lives the christian life basing from romans 6 6 there is the need for the knowledge of the cross of christ as a fact in our experience the second step is the matter of reckoning reckoning is the stating and considering of facts and promises that god has revealed to be true the third step is the matter of presenting to god coming to romans 6 13 watchman nee says that christians consecrate that which passed through death and resurrection in the new creation in this way christians would no longer live to themselves but to christ because he has the full authority over their lives the fourth step is the matter of walking after the spirit firstly walking after the spirit does not refer to our working but of dependence on god s working and operation secondly it refers to subjection this means that the christian life is the yielding of all the dictates of our flesh and be of subjection to the spirit the normal christian life is one of nee s most well known books it is considered by many to be a spiritual classic of christianity it has been reprinted and reissued in many editions and in many languages the book s enduring appeal is not only due to nee s exposition of romans but also to the many illustrations personal accounts and anecdotes that nee used the normal christian life has impacted millions of christians since nee spoke it and is a major contributor to the local churches movement today nee was recognized in the united states house of representatives by christopher h smith of new jersey in 2009 he recognized nee as having been one of the most influential chinese christians of his era in the congressional record the normal christian life is highlighted by smith as being among his most popular and influential books wikipedia org

and fruitful alternative to these extremes he argues that rather than trying to root up the weeds in the cultural field or trying to shun them christians should practice persistence in gardening god s world and building toward the new jerusalem examining the lives and works of c s lewis reinhold niebuhr and dietrich bonhoeffer for example and direction stackhouse suggests that our mission is to make the most of life in the world in cooperation with god s own mission of redeeming the world he loves this model takes seriously the pattern of god s activity in the bible and in subsequent history of working through earthly means through individuals communities and institutions that are deeply flawed but nonetheless capable of accomplishing god s purposes christians must find a way to live in this world and at the same time do work that honors god and god s plan for us in an era of increasing religious and cultural tensions both internationally and domestically the model that stackhouse develops discourages the all or nothing attitudes that afflict so much of contemporary christianity instead he offers a fresh and refreshingly nuanced take on the question of what it means to be a christian in the world today

Resting in His Redemption 2011-07-05 the point of this book is simple to make christians aware of a story that they have not been told the story of relations between christians and jews this involves tracing the church s anti judaism to its source in the gospels and the book of acts and describing the development of the church s displacement replacement theology according to which we new gentiles spiritual universal inclusive christians replace the old carnal ethnocentric legalist and works righteous jews in the favor of god the story also details the actions of the churches specifically a long chain of canons laws governing relations between jews and christians all the way from banning christians for socializing or dining with jews marrying jews and asking rabbis for blessings to requiring all jews to live in ghettos this history of actions comes down to the present and its consequences in the holocaust in which all the killers were christians and in the nazi laws governing jewish behavior each such law took its precedent from a canon law passed by a council of the church the recent rash of bomb threats against jewish community centers and synagogues reminds us of how deeply this bigotry is embedded in people the point of making people aware of anti judaism is to prompt them not to shrug if off when scripture readings regularly teach contempt for jews with the rhetoric of vilification words are important teaching contempt should be called out and rejected this can be done pastorally and gently but it should be done otherwise the church s language reinforces a deeply embedded bigotry most christian pastors are unaware of this

**Philippians** 2008 we live in a world full of challenges the three graces can almost be seen as motors for christian life in today s world but the words faith hope and love have so many everyday uses that their technical theological meanings are for many difficult to appreciate modern life also leaves many yearning for authenticity and meaning many religions have answered that need by calling to mind the image of a path always profound progressions religious paths tend to be motivated either by practices the act of walking the path or focal points christianity has a focal point an object and it sees the three graces as distinctively content filled the heart of this book is about helping people find the christian path and their intellectual emotional and spiritual balance an equilibrium that is sustained by a strong personal faith an enduring hope for the future and genuine love that will withstand the worst of times it contributes to the category of christian literature that provides a pattern for christian living without surrendering the intellect to the more popular side of this genre
