Artist's Guide to Composition

1970

in order to draw or paint anything successfully an artist needs a good understanding of perspective but it is a subject that most people seem to find very confusing and challenging in stark contrast to other books on the market the artist s guide to perspective demystifies this subject and explains it in a clear accessible way before pencil is put to paper a series of simple exercises which purely involve looking enables readers to discover the basic principles of perspective for themselves observing and understanding the book then builds on these fundamentals clearly progressing through the chapters covering picture planes vanishing points aerial perspective and foreshortening culminating in how to produce a projection for a large piece of work

sequences of colour photographs and clearly sketched diagrams accompany the exercises and information so there is always a visual to back up the points being made this book is for anyone who wants to draw or paint with the benefit of sound knowledge method and consistency in order to produce realistic well thought out work

drawing activities art instruction and advice for artists and non artists alike urban sketching the process of drawing on the go as a regular practice is a hot trend in the drawing world it s also a practical necessity for creatively minded people in a busy world in this aspirational guide self taught french artist france belleville van stone emboldens readers to craft a ritual of their own and devote more time to art even if it s just 10 minutes a day she offers motivation to move beyond the comfort zone as well as instruction on turning rough sketches into finished work belleville van stone learned how to draw through her own daily practice and knows first hand how hard it is to find time to incorporate creativity into a busy life she encourages and teaches us how to do it with advice and guidance such as an a to z list of daily sketch prompts from airports to bananas faces to hands meetings and workplaces tips on what drawing supplies you can and should have and how to carry them around sections on accepting mistakes drawing with limited resources and redefining completion plusses and minuses of going digital including apps styluses and brushes for those of us who dream of drawing in the minutes between school and work bathtime and bedtime and waking and walking out the door the practical advice in sketch is a revelation by sharing her own creative process belleville van stone sketch inspires artists both established and aspiring to rethink their daily practice sketch for the pure joy of it and document their lives and the world around them

The Fine Artist's Guide to Tools & Materials

2014-03-15

many artists want to learn how to build their art careers properly and build relationships in the art world and land more gallery shows and be in many institutions i take a look around my bookshelf and online very little organized information out there and i do not think this should be some nuclear level trade secret that s only offered to those in the art ivory tower instead i believe that the more artists know about the market side of things and the blunt truth of how to build their career and build the networks and

build their own market in the right way the more great art we will be able to see in art history that can truly represent our current era this book is not just a guide for emerging artists who have no gallery representations this book can be used by artists at all stages in their careers whether you are an emerging artist who s looking forward to figuring out the best way to break into the art world and land a group or solo shows or two or you are a blue chip artist looking for advice to manage your artist estate i have something for every one of you artists so buckle up and enjoy this guide about the author artorious has been dealing contemporary art for 30 years with many old blue chip generations passing away and the new generation emerging ones being clueless about work placement and the art market artorious decided to get into the virtual ring to guide some from time to time artorious will share his insights on instagram and patreon instagram artorious007 patreon patreon com artorious007
