Understanding the Riots 1992

coverage of the 1992 l a riots by the los angeles times

Never Again 2016-09-20

never again offers first hand insight into the hours leading up to during and after the los angeles riots telling detail by detail how closely the l a county sheriff s department was to changing the course of history the l a police department is thrust into the limelight and finds itself totally unprepared to deal with this deadly and dynamic crisis bill weiss the watch commander copes with his internal instinct to take action waged against his self discipline to follow orders leading up to the final moment when he is ready to put his daring plan into action this chaotic and rapidly evolving disturbance engulfed the city and portions of the surrounding metropolitan area its effect would be felt throughout the nation and observed throughout the world many of the scars still remains today and something lost still lingers within weiss as he tries to come to terms with what could have been

Strange Future 2005-11-10

sometime near the start of the 1990s the future became a place of national decline the united states had entered a period of great anxiety fueled by the shrinking of the white middle class the increasingly visible misery of poor urban blacks and the mass immigration of nonwhites perhaps more than any

other event marking the passage through these dark years the 1992 los angeles riots have sparked imaginative and critical works reacting to this profound pessimism focusing on a wide range of these creative works min hyoung song shows how the l a riots have become a cultural literary event an important reference and resource for imagining the social problems plaguing the united states and its possible futures song considers works that address the riots and often the traumatic place of the korean american community within them the independent documentary sa i gu korean for april 29 the date the riots began chang rae lee s novel native speaker the commercial film strange days and the experimental drama of anna deavere smith among many others he describes how cultural producers have used the riots to examine the narrative of national decline manipulating language and visual elements borrowing and refashioning familiar tropes and perhaps most significantly repeatedly turning to metaphors of bodily suffering to convey a sense of an unraveling social fabric song argues that these aesthetic experiments offer ways of revisiting the traumas of the past in order to imagine more survivable futures

KJLH-FM and the Los Angeles Riots of 1992 *2014-01-10*

as the only independently black owned radio station in south central los angeles kjlh fm was thrust into the media spotlight in the aftermath of the rodney king trial during the ensuing riots kjlh introduced the world to south central los angeles as only those who lived and worked there could owned by musician stevie wonder since 1979 the station upheld his legacy of community commitment earning a peabody award along the way this book explores the social political and economic impact of kjlh drawing heavily upon more than 200 pages of interviews and program transcripts from the 1992 radio coverage

collection of essays personal reflections and interviews regarding the rodney king riots all authors were los angeles residents at the time of the riots

Geography of Rage 2002

includes pictures includes a bibliography for further reading i just want to say you know can we all get along rodney king the fight for civil rights was at the forefront of inspirational high octane movements that took 20th century america by storm it was a long time coming to say the least and yet while some headway was made progress was difficult and painfully slow the historic advancements achieved during the reconstruction era were reversed by

the jim crow law a hideous set of statutes that enforced racial segregation although some of the most progressive northern states outwardly opposed those laws black civilians and veterans alike who resided in these liberal states were still regarded as second class citizens whose occupations were limited to farming factory work domestic service and other low wage jobs time and again black americans had no choice but to take to the streets and demand their rights it was only through the resilience of the black community and the powerful peaceful protests they mobilized that they were finally granted voting rights and equal employment opportunities as archaic segregation laws were formally dismantled sadly not all americans celebrated these momentous milestones for minorities which were long overdue and discrimination still reared its ugly head in many forms one of the most common complaints minorities had centered on the use of police brutality an issue that remains at the forefront of the conversation today while protests emerged after the death of george floyd in 2020 perhaps the most notorious example of police brutality in modern american history was the beating of rodney king whose arrest was caught on video the trial that followed and the acquittal of the police officers who attacked him touched off violence much of which was captured on video and broadcast around the globe the 1992 los angeles riots the history of the civil disturbances across la after the beating of rodney king examines the conditions and events that led to the riots the damage done and the aftermath along with pictures depicting important people places and events you will learn about the la riots like never before

The Lessons from the 1992 Los Angeles Riots 1993

twilight is anna deavere smith s stunning new work of documentary theater in which she uses the verbatim words of people who experienced the los angeles riots to expose and explore the devastating human impact of that event from nine months of interviews with more than two hundred people smith has chosen the voices that best reflect the diversity and tension of a city in turmoil a disabled korean man a white male hollywood talent agent a panamanian immigrant mother a teenage black gang member a macho mexican american artist rodney king s aunt beaten truck driver reginald denny former los angeles police chief daryl gates and other witnesses participants and victims a work that goes directly to the heart of the issues of race and class twilight ruthlessly probes the language and the lives of its subjects offering stark insight into the complex and pressing social economic and

political issues that fueled the flames in the wake of the rodney king verdict combining smith s introduction exploring twilight s evolution from the streets to the stage the complete play script and photos of the author in character twilight is a captivating work of dramatic literature and a unique first person portrait of a pivotal moment in current history

The 1992 Los Angeles Riots *2021-08-14*

the 1992 los angeles rebellion also known as the rodney king riots followed the acquittal of four police officers who had been charged with assault and the use of excessive force against a black motorist the violence included widespread looting and destruction of stores many of which were owned or operated by korean americans in neighborhoods that were predominantly black and latina o civil racism examines a range of cultural reactions to the riots anchored by calls for a racist civility a central component of the aesthetics and politics of the post civil rights era lynn mie itagaki argues that the rebellion interrupted the rhetoric of civil racism which she defines as the preservation of civility at the expense of racial equality as an expression of structural racism itagaki writes civil racism exhibits the active though often unintentional perpetuation of discrimination through one s everyday engagement with the state and society she is particularly interested in how civility manifests in societal institutions such as the family the school and the neighborhood and she investigates dramatic filmic and literary texts by african american asian american and latina o artists and writers that contest these demands for a racist civility itagaki specifically addresses what she sees as two blind spots in society and in scholarship one is the invisibility of asians and latin@s in media coverage and popular culture that she posits importantly shapes black white racial formations in dominant mainstream discourses about race the second is the scholarly separation of two critical traditions that should be joined in analyses of racial injustice and the 1992 los angeles rebellion comparative race studies and feminist theories civil racism insists that the 1992 riots continue to matter that the artistic responses matter and that more than twenty years later debates about issues of race ethnicity class and gender are more urgent than ever
