

Free ebook Hrc buyers guide 2013 .pdf

featuring a fresh layout revised maps and more detail than ever before the seventh edition of parker s wine buyer s guide offers collectors and amateurs alike the ultimate resource to the world s best wines understanding that buyers on every level appreciate a good deal parker separates overvalued bottles from undervalued with wine prices instantly shifting according to his evaluations indifferent to the wine s pedigree parker s eminent 100 point rating system allows for independent consumer oriented inside information the latest edition of parker s wine buyer s guide includes expanded information on spain portugal germany australia argentina and chile as well as new sections on israel and central europe as in his previous editions parker provides the reassurance of a simple number rating predictions for future buying potential and practical overviews of regions and grapes altogether an indispensable resource from the man the los angeles times calls the most powerful critic of any kind abm asia bike media 118 e bike by asia bike media purchasing a business is a major life commitment for many it will be the largest financial transaction of their lives the risks involved are considerable the potential for financial disaster all too real in business buyers beware drew ford draws upon a lifetime of experience in the area of small business acquisitions sales and operations he provides the reader with the tools needed to minimize those risks and maximize the opportunity for successfully buying a profitable business the process of buying a business is often plagued by misinformation misdirection and confusion mr ford s book is brimming with little known facts and insider tips that provide potential business buyers with the necessary ammunition to lend transparency to that process the author supplies a host of valuable insights any one of which could save an unwary entrepreneur tens of thousands of dollars it is a must read for any prospective small business buyer drew ford is an honors graduate of the university of texas school of law and a licensed member of the new mexico bar no longer actively engaged in the practice of law he currently devotes his professional time to consulting with prospective business buyers he has been self employed his entire life and has owned and operated two separate business brokerages he has held real estate licenses in both texas and new mexico in addition to his work in buying and selling businesses he has personally owned and sold a number of his own a lifelong entrepreneur mr ford brings his extensive knowledge of business operations both product and service based to the arena of small business buying and selling parker s acclaimed guide fully revised with ratings on the latest vintages from around the world is one of the most authoritative wine guides available and now comes with expanded sections on the popular wines of california and italy landed global gives you the key facts and insights
