Take Charge of Your Talent 2012-12-05 whether you're the new kid in a cubicle, the boss in the executive suite or self-employed, you have huge potential for greater productivity and fulfillment. Even very high performers in excellent organizations, large and small, for-profit and nonprofit, report that 30 to 40 percent of their talent is untapped. Imagine what lies waiting for you. Take charge of your talent. Details: three keys to develop and enjoy your abilities. You'll discover new ways to identify your aspirations and opportunities, power past obstacles and translate your intentions into results. Finally, you'll create a personal brand with enduring career assets that will multiply the payoffs for yourself and your organization. This inspiring book will teach you how to unlock your gifts and release your power and potential. Ken Blanchard, coauthor of *The One Minute Manager* and *Great Leaders Grow*; this wonderfully practical and inspiring book is based on a belief I cherish: that all humans are creative and have talent. Margaret J. Wheatley, author of *Leadership and the New Science* and *So Far from Home*; Maruska and Perry's book shows how we can harness our talents in ways that expand our horizons, ramp up our ability to bring out our best and energize those around us in the same way. Indispensable. Michael Ray, professor emeritus, Stanford Business School, coauthor of *Creativity in Business* and author of *The Highest Goal*.

Take Charge of Your Thoughts - Create Your Ideal Life 2009-01-01 Maynard's powerful book describes how to take control of life through examination of one's highest ideals to achieve limitless success through an innovative step-by-step process. She outlines how to focus thoughts in order to enhance the quality of life and accomplish goals.

Take Charge of Life Live Your Ideal 2005-11 Our life on earth is a short grand adventure with many challenges and lessons for personal and spiritual growth. With knowledge and intuitive insight, we can have a rewarding, harmonious journey. However, it takes a clear understanding of your ideal focus, intent, and thought to manifest your goals and dreams. The how-to do this is spelled out in simple, concise steps that enable you to live your ideal and express your magnificence.

Women "take Care," Men "take Charge" 2006 Through studies of actual cases of manager succession, Gabarro isolates those factors that cause managers to succeed or fail in new positions, including prior experiences and support from superiors, and the steps involved in mastering the situation. Winner of the Johnson Smith Knisely Award for new perspectives on executive leadership.

The Dynamics of Taking Charge 1987 Do you settle for too little? Let others call the shots? Dream of a better life but do nothing to change the one you have? If it's time to move forward, then take charge. Living is for you. Whether it's lose weight, get out of a bad relationship, quit procrastinating, seek love, change jobs, go back to school, curb anger, whatever behavior you need to change, this step-by-step program in six acts teaches you how to do it successfully. You will learn to set appropriate expectations, about change, confront fears of changing, target the right behaviors to change, deal with emotional resistance to change, follow a carefully sequenced practice plan, move from dress rehearsals to real-world performances. You are capable of exerting far more control over your moods, feelings, thoughts, and behaviors. In other words, your reactions to life than you think. And it doesn't take psychotherapy to do it. So if the story currently playing on your life's stage is not one you feel like applauding, here's your chance to rewrite the script and star in a satisfying performance.
