## **Hearings Before and Special Reports Made by Committee on Armed Services of the House of Representatives on Subjects Affecting the Naval and Military Establishments *1968***

my fellow americans i m pleased to tell you today that i ve signed legislation that will outlaw russia forever we begin bombing in five minutes ronald reagan 1984 with these words spoken as a sound check to a radio broadcast president reagan came dangerously close to igniting the long simmering cold war although soviet forces were placed on alert following reports of this comment the full scale conflict between the west and the soviet bloc did not break out cold war gone hot the latest companion volume for force on force looks at the 44 year history of the cold war and asks what if with the orders of battle vehicle stats and missions included in this volume force on force players can simulate the advance of soviet tanks across western europe a thrust into alaska or any number of other plausible scenarios where history took a slightly different path

### ***Hearings 1966***

in this story of men machines and missions kenneth estes tells how the u s marine corps came to acquire the armored fighting vehicle and what it tried to do with it the longtime marine tank officer and noted military historian offers an insider s view of the corps s acquisition and use of armored fighting vehicles over the course of several generations a view that illustrates the characteristics of the corps as a military institution and of the men who have guided its development his book examines the planning acquisition and employment of tanks amphibian tractors and armored cars and explores the ideas that led to the fielding of these weapons systems along with the doctrines and tactics intended for them and their actual use in combat drawing on archival resources previously untouched by researchers and interviews of both past and serving crewmen estes presents a unique and unheralded story that is filled with new information and analysis of the armored vehicles their leaders and the men who drove these steel chariots into battle such authoritative detail and documentation of the decisions to acquire develop and organize armored units in the u s marine corps assures the book s acknowledgement as a definitive reference

## ***Procurement 1966***

three training effectiveness experiments were conducted on a computer based thermal combat vehicle identification program developed under the auspices of the product manager for forward looking infrared the program included real thermal imagery of vehicles the first experiment compared part task training schedules the second compared a self paced trial procedure which incorporated side by side visual corrective feedback to a timed trial procedure which gave only knowledge of results feedback the third examined the effects of training at near versus far ranges thermal training substantially improved scores on both thermal and visible images of vehicles that had been trained but not for other vehicles long vehicle sets led to learning plateaus shorter and multiple sets worked better learning was more efficient and transfer was enhanced when soldiers responded at their own pace and received corrective visual feedback soldiers learned to discriminate vehicles at far ranges although it took them twice as long as soldiers who trained on near imagery even with extensive training some vehicle confusions persisted indicating great similarity in thermal signatures for some vehicles the findings were applied to the program efforts are continuing to refine it and to field it throughout the army dtic

## **Technical Abstract Bulletin 2013-06-19**

this book gives a broad based view of metals in military service covering several examples and rationales it is useful for the militarist and for the metallurgist or materials scientist the content of the book is based on course notes compiled for undergraduate and post graduate students

## **Tanks and Armored Vehicles 1966**

the congressional record is the official record of the proceedings and debates of the united states congress it is published daily when congress is in session the congressional record began publication in 1873 debates for sessions prior to 1873 are recorded in the debates and proceedings in the congress of the united states 1789 1824 the register of debates in congress 1824 1837 and the congressional globe 1833 1873
